E. H. ANDERSON.

CAMPBELL'S PURE ESSENCE OF JAMAICA GINGER.—Ginger is a grateful stimulant and carminative, and is often given in gout, Rheumatism, Dyspepsia, Cramp, Cholera Morbus, Cholic, Cholera, &c. &c. In Nervous and sick headache, sea sickness, nausea, imperfect digestion, or from nausea induced by riding in a carriage, &c. it will be found most agreeable to the stomach and palatable to the taste, and affording at the same time almost in all cases immediate relief.

To the Inebriate it is particularly serviceable; a very small quantity used instead of the usual stimulant, will give tone and vigor to the digestive organs, and impart strength to resist the temptation, and may therefore be considered an invaluable agent in reclaiming the drunkard.

The traveling public will also find it very efficacious in correcting the bad results arising from a change of water and diet, a few drops of which will give a glow and vigor to the stomach, equal to a wine glassfull of Brandy or other stimulant, without producing any of the injurious and overrating effects which are sure to result from the use of stimuli of any kind. It is also a superior article for flavoring jellies, preserves, cakes, and for other culinary uses, besides making a good beverage in hot weather. Prepared and for sale at the Drug and Chemical Store of

AYER'S PILLS

Are curing the Sick to an extent never before known of any Medicine.

INVALIDS, READ AND JUDGE FOR YOURSELVES.

JULES HAUEL, Esq., the well known perfumer, of Chestnut street, Philadelphia, whose choice products are found at almost every toilet, says:

"I am happy to say of your CATHARTIC PILLS, that I have found them a better family medicine for common use, than any other within my knowledge. Many of my friends have realized marked benefit from them and concede with me in believing that they possess extraordinary virtues for driving out disease and curing the sick. They are not only effectual but safe and pleasant to be taken, qualities which must make them valued by the public, when they are known."

The Venerable Chancellor WARDLAW, writes from Baltimore, 15th April, 1851:

"Dr. J. C. AYER—Sir: I have taken your Pills with great benefit, for the listlessness, languor, loss of appetite, and Bilious headache, which has of late years overtaken me in the spring. A few doses of your Pills cured me. I have used your Cherry Pectoral many years in my family for coughs and colds with unfailing success. You make medicines which cure, and I feel it a pleasure to commend you for the good you have done and are doing."

JOHN F. BEATTY, Esq., Sec. of the Penn. Railroad Company, writes:

"*Pa. R. R. Office, Philadelphia, Dec. 13, 1853.*

"Sir: I take pleasure in adding my testimony to the efficacy of your medicines, having derived very material benefit from the use of both your Pectoral and Cathartic Pills. I am never without them in my family, nor shall I ever consent to be, while my means will procure them."

The widely renowned S. S. STEVENS, M. D., of Westport, N. H., writes:

"Having used your CATHARTIC PILLS in my practice, I can say from experience, that they are an invaluable purgative. In cases of disordered functions of the liver, causing headache, indigestion, costiveness, and the great variety of diseases that follow, they are a surer remedy than any other. In all cases where a purgative remedy is required, I confidently recommend these Pills to the profession, as superior to any other I have ever found. They are safe in their operation, and perfectly safe, qualities which make them an invaluable article for public use. I have for many years known your *Cherry Pectoral* as the best Cough medicine in the world, and these Pills are in no way inferior to that admirable preparation for the treatment of diseases."

"*Acton, Me., Nov. 25, 1853.*

"Dr J. C. AYER—Dear Sir: I have been afflicted from my birth with scrofula in its worst form, and now, after twenty years' trial, and an untold amount of suffering, have been completely cured in a few weeks by your Pills. With what feelings of rejoicing I write, can only be imagined when you realize what I have suffered, with no help.

"Never could I now have I been free from this loathsome disease in some shape. At times it attacked my eyes, and made me almost blind, besides the unendurable pains at others, it settled in the scalp of my head, and destroyed my hair, and has kept me partly bald all my days, sometimes it came out in my face, and kept it for months a raw sore.

"About nine weeks ago I commenced taking your Cathartic Pills, and is now entirely free to all the complaint. My eyes are well, my skin is fair, and my hair has even started a healthy growth, all of which makes me feel already a new person.

"Hoping this statement may be the means of conveying information to those who might do good to others, I am, with every sentiment of gratitude, Yours, &c.,

MARIA RICKER."

"I have known the above named Maria Ricker from her childhood, and her statement is strictly true.

ANDREW J. MESERVE,
Overseer of the Portsmouth Manufacturing Co."

CAPT. JOEL TRAFT, of the ship Marion, writes from Boston, 23d April, 1851:

"Your Pills have cured me from a bilious attack which arose from derangement of the Liver, which had become very serious. I had tried of any relief by my Physician, and took every remedy I could try, but a few doses of your Pills have completely restored me to health. I have given them to my children for worms, with the best effects. They were promptly cured. I recommended them to a friend for costiveness, which had troubled him for months, he told me in a few days they had cured him. You make the best medicine in the world, and I am free to say so."

Read the letter from the distinguished Solicitor of the Supreme Court, whose brilliant address have made him well known, not only in this but the neighboring States.

"*New Orleans, 5th April, 1854.*

"Sir: I have great satisfaction in assuring you that my self and family have been very much benefited by your invaluable medicines. My wife was cured two years since, of a severe and dangerous cough, by your Cherry Pectoral, and since then has enjoyed perfect health. My children have several times been cured from attacks of the Influenza and Croup by it. It is an invaluable remedy for these complaints. Your Cathartic Pills have entirely cured me from a dyspepsia and costiveness, which has grown upon me for some years,—indeed this cure is much more important, from the fact that I had failed to get relief from the best Physicians which this section of the country affords, and from trying all the numerous remedies I had taken.

"You see at my house, I do not, like a proclaimed blessing to our family, and you may well suppose we are not unmindful of it. Yours respectfully,

LEAVITT THAXTER."

"*Senate Chamber, Ohio, April 5th, 1854.*

"Dr J. C. AYER—Honored Sir: I have made a third original of the Cathartic Pills, left me by your agent, and have been cured by them of the dreadful Rheumatism under which he found me suffering. The first dose relieved me, and a few subsequent doses have entirely removed the disease. I feel in better health now than for some years before, which I attribute entirely to the effects of your Cathartic Pills. Yours with great respect,

LUCIUS B. METCALF."

The above are all from persons who are publicly known where they reside, and who would not make these statements without a thorough conviction that they were true.
