Ejectment in Baltimore County Court  
January Term 1841

I Herely Certify that I have pursuant to an ~~order~~ <sup>warrant</sup> issued out of Baltimore County Court and in compliance with the Instructions of the Plaintiffs Counsel I have made the following Locations and in <sup>compliance with</sup> ~~in~~ <sup>of</sup> an agreement between the said Counsel and the Counsel for the Defendants I have transferred the following Locations from the plat returned in the case of Henry W Rogers and others vs Phillipson Rogers & others in Baltimore County Court and which were made on the Plaintiffs in said Cause viz

1<sup>st</sup> The point encircled with red and denoted Q is located to represent the Beginning of Parkers Haven agreeably to the showing of Lehubouldin on the Survey on the 11<sup>th</sup> of Sept 1820 (No 1)

2<sup>nd</sup> From the said point at Q the shortest distance to the head of Harveys Creek is 140 1/2 E one perch and five links agreeably to the flowing of the same at the remotest period of time within the recollection of Ephraim Smith as stated in his deposition. Taken in the above mentioned cause of Rogers vs Rogers on the part of the Defendants the said one perch and five links end at the point encircled with red at H (No 2)

3<sup>rd</sup> From the Point at H the first line of the above mentioned Tract called Parkers Haven surveyed for John Kemp 2<sup>nd</sup> June 1769 is located to land on the water of the NW Branch as the same formerly extended westward agreeably to the testimony of the above named Witness Ephraim Smith from
