R.S.V.P. from Ralph

Dear Folks of Baltimore:

"I'm an awfully busy guy as anyone in my neighborhood can tell you.

"When I awake in the morning, I'll stay quiet just so long in my crib, then you'd better come get me because I've got lots to do.

"After I'm dressed, I feed myself breakfast, then I'll be willing to run an errand or two for you in the house.

"Following this, I'll spill the dog's water or get into some other minor trouble, then I'll give our baby a big smack of a kiss and not leave out my foster parents while I'm at it and then start my rounds.

"I know . . . in my block, grownups and children. I enjoy visiting with them until its time to go home for lunch.

"Lots of people say they would like to have me but my worker says there is some thing special about me.

"I'm a Catholic.

"However, if you would like to have a little boy like me, I hope you will let me know about it."

signed, Ralph
