Plat of Part of
Loose Ground
on Bellan road

Saturday June 25 began to run Lot N^o 5 on the above plat at a stone standing
at the southeastermost corner of said Lot and run N 49 E 14 p. to another stone then
S 51 E 45 p. to another stone (this last stone I suppose stands in the 3rd line of these hills
and cannot possibly be one of the stones of Lot N^o 4 & 5.) I then went to a stone standing
by a line which I do suppose was planted as a boundary between Lots N^o 2 & 3
and run S 52 E 25 $\frac{7}{10}$ p. intersects the 45 p. line at 2 $\frac{6}{10}$ p. from stone at end of said line
then S 52 E 14 p. then run S 55 E 6 $\frac{4}{10}$ p. to a stone supposed to stand at the ~~corner~~ ^{top} of the
2nd line of these hills then run from said stone S 41 E 40 $\frac{6}{10}$ p. to the corner post between
the white oak of the land sold by Bowly & Schamp then went to the end of the S 52 E line
14 p. line and run N 51 E 46 p. to the grey stone. Then sighted from said stone
N 58 E 60 passes the lying stone of Marders out 6 feet to the left.
