A dozen of these men, who are thoroughgoing practical Cultivators, Fruit growers, Stock raisers, &c, are constantly furnishing to the AGRICULTURALIST their combined experience and observations in their several localities.—This arrangement gives this journal Unequaled advantages for diffusing the very best practical information collected from each division of the country

Every Farmer, Merchant, Mechanic or Professional Man, who is annually expending $1,000, $500, $200, $100, or but $50 or $20 upon his farm, Orchard, Garden, or House plot, or upon his Animals, will do well to expend a single dollar a year more in supplying himself with THE AGRICULTURALIST. VALUABLE

Real Estate for Sale.

THE subscriber, as agent for Mrs. Mary E.
Emory, offers for sale her valuable Farm
situated on Skipton Creek and Wye River, in
Talbot county, Md., about eight or ten miles from
Easton, the county seat, and convenient to church

The rest of the track is arable and susceptible of
