A Letter From Michael

"I need parents who are very special people, I'll admit I'm a fine big healthy - looking fellow, who will be two years old in February, but I don't always feel as well as I do today. "You see, I have asthma and I'm what they cal allergic — to milk and orange juice and things — and I feel pretty rotten when I have an attack.

"I want a mommy and daddy who understand these things and will love me and take good care of me at such times. I'll probably outgrow alergies, but in the meantime, I want my own foks to be with me and I think I'll always have a special love for them after we have been through so much together."

—Love, Michael (Call Department of Public Wefare Adoptions Division, Mrs. Kurand, 685-3600 for information.)
