QUIET, clean comfort is the result of the hard to beat combination of low cost natural gas heat, and airtight insulation materials by Johns Manville. Relax and enjoy the refreshing and lively light of all outdoors through windows, windows everywhere including a charming picture window in the kitchen, a ten foot bow window in the living room, and a 6 ft. 6 ft. sliding glass doors opening from the dining room to the rear sun deck.

Beautiful oak shade trees cool the summer sun on the nearly one half acre lot which can be yours to see or with general rent.
