Desertion charge wins wife divorce

Mrs. Lillian P. Scott, 3600 Denlyn Rd., divorced Gerald D. Scott on grounds of desertion, Thursday.

Married in 1960 in Chester, Pa., the Anne Arundel County teacher said that she and Mr. Scott ended the union in 1963. She explained that in February of that year they had an argument which ended in a fight.

She went to get a policeman, she said, and when she returned she found her husband had packed his clothes and called a friend in Washington to come and pick him up.

• • •

MRS. SCOTT said that she had given Mr. Scott no cause to act in such a manner.

With the divorce went restoration of her maiden name, Lillian Patricia Trotman. Mr. Scott is on the faculty of the Lombard Junior High School.

• • •

LINWOOD CHESTER of 1641 W. North Ave., who divorced Mrs. Annie Mae Chester of 1846 Saratoga St., received custody of their daughter.

Mr. Chester said his wife left in 1953 after two years of marriage. He said she told him that she didn't love him any longer, and went to live with another.

• • •

"I LEFT MY husband because he mistreated me, on occasions struck me and contributed irregularly to the support of me and my child," Mrs. Christine Young of 2213 Roslyn Ave. testified, Friday.

She was given a divorce from John W. Young, 2942 Laurette Ave., and guardianship of their six - year - old son.

The couple, married on Oct. 22, 1957, separated on Jan. 25, 1961. He is to provide $15 per week for support of the child.

• • •

A DIVORCE went to Mrs. Vernell D. Reaves of 1018 N. Fulton Ave. from Walter B. Reaves of New York City. The wife testified that they were married on March 28, 1943 and voluntarily separated on April 1, 1947.

DOUGLASS PAPER WINS PRIZE—Two first prizes were won by the Douglass High School Courier in the 9th Annual Convention of the Maryland Scholastic Press Advisors Association. Gwendolyn Burns (left), 17-year-old Douglass senior, won first place plaque for the best senior division feature story. Patricia Dorsey, 18, also a senior, accepted honors for the prize-winning Courier, of which she is editor. In center is Mrs. Gwendolyn Brooks, Douglass journalism teacher and faculty advisor.

Douglass Courier No. 1 high school newspaper

Two first prizes were brought home by the Douglass High School "Courier" in the 19th annual Convention of the Maryland Scholastic Press Advisors Association.

The "Courier" was rated No. 1 as a Senior High School newspaper.

The associate editor, Miss Gwendolyn Burns, age 17 and a senior academic major, was awarded a gold pin and a first place plaque for the best feature story entitled, "High School Drop Outs."

Editor of the Courier is Miss Patricia Dorsey, 18, also a senior.

The faculty advisor and journalism teacher is Mrs. Gwendolyn Brooks. She has been in charge of the "Courier" staff and the students six years.

This year's first prize marks the third time the "Courier" has ranked No. 1 in four years. In 1964, the newspaper ranked second.

Mrs. Brooks attributes such noteworthy accomplishment to the high interest of the students, all of whom choose journalism as an elective course. She also notes that most of the young people have a high proficiency in writing.

THE "Courier" editor, Miss Dorsey, is the daughter of Post Office Parcel Post foreman, Robert Dorsey and his wife, Mrs. Lavenia Dorsey, 294 Edmondson Ave.

Scheduled to graduate in June, she plans to study at Coppin State College to become an English teacher.

Miss Burns, the prize winning feature writer, is the daughter of Maryland Dry Dock longtime employee, Robert Burns and Mrs. Lucinda Burns who reside at 2038 Ascension St.

Also due to graduate in June, Miss Burns plans to study at Morgan State College to become a social worker.

Here are members of the "Courier" staff:

Editor-in-chief, Patricia Dorsey; Associate editor, Gwendolyn Burns; Features editors—Jesus Peterson, Susan Divers, Brenda Gary; Sports editors — Twitah Wallace, Linda Lewis. Reporters, James Armstrong, Carl Brooks, Allen Clinton, James Edmonds, Larry Ward, Janet Chavis; Geraldine DuBose, Stella Horne, Grace Kendall, Mable Milburn, Sylvester Muse.

Science Shrinks Piles New Way Without Surgery Stops Itch—Relieves Pain

New York, N. Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids, stop itching, and relieve pain — without surgery.

In one hemorrhoid case after another, "very striking improvement" was reported and verified by a doctor's observations.

Pain was relieved promptly. And, while gently relieving pain, actual reduction or retraction (shrinking) took place.

And most amazing of all — this improvement was maintained in cases where a doctor's observations were continued over a period of many months!

In fact, results were so thorough that sufferers were able to make such astonishing statements as "Piles have ceased to be a problem!" And among these sufferers were a very wide variety of hemorrhoid conditions, some of 10 to 20 years' standing.

All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne®) — the discovery of a world-famous research institution. Already, Bio-Dyne is in wide use for healing injured tissue on all parts of the body.

This new healing substance is offered in suppository or ointment form called Preparation H®. Ask for individually sealed convenient Preparation H Suppositories or Preparation H Ointment with special applicator. Preparation H is sold at all drug counters.
