GRAND LOT DISTRIBUTION AT

To be made at Philadelphia, Dec. 1, 11857.

1100 Port Monaies $1	1,100
2,850 Shares,	$32,700

Shares $10 each.

One in every ten shares must draw a lot ranging from $50 to $734 in value; and there is not one blank in the whole enterprise. There is no better building site for a large town or city on the Eastern Shore.

All of these beautiful Lots, for Building purposes, are in Church Hill, (which is incorporated by law,) and eligible for all kinds of public business, or trade. The proposed Eastern Shore Railroad, (which passed the Legislature at its last session) "via Crompton, or the Air line route," will pass through, or near to these lots. They are 30 ft by 140 ft *with a front and back street to each, and the whole regularly plotted in squares*, and (with very few exceptions,) every lot is "high and dry" and now ready for improvements. Daily communication to Baltimore and Philadelphia.—As these building lots must inevitably advance rapidly in value from date, no investment can be more advantageous or profitable, and certificates of shares should be secured as early as possible.

The distribution *will be positively made* in Philadelphia on the 1st Dec. 1857, and published, by committee appointed for the purpose. As soon as it is done, deeds will be prepared, and furnished, (free of charge) and possession given at once. The public may rest assured there is "no humbug" here, but a settled determination to improve my native place, beyond all competition.

Postmasters, and all others, acting as our agents, will forward orders for shares immediately (including the funds,) and deduct 5 per cent on sales. Address R. E. C. DOWNES,

Church Hill, Md.

N. B.—I have sold several building lots since Christmas, at private sale, at $300 and $400 per acre. After the distribution, all lots not disposed of will be sold on ground rent, or in fee simple.

A Farm for Sale

In the Chapel District of Talbot Co.

THE undersigned will sell at private sale a farm which contains about 221 Acres of land. This farm is situated about 2½ miles from the Chapel, and is convenient to Churches, Mills and Schools. This land is naturally very kind for the growing of corn, wheat and oats and might be made one among the best farms in the county—there is plenty of resources on the farm, which is very easily got at to make it produce largely.—

The improvements are a Dwelling some what out of order, (but with a small expense might be made good) granary, smoke house and stable—there is Wood enough for the use of the farm. Fast farm is within 3 miles of Easton—the Md & Del Railroad passes directly thro' the center of the farm, dividing it about equal; both parts will be directly on the road. The road takes upwards of 5 acres, in passing through, to which the right of way has been given and a deed for the same. One half of said farm will be sold or all of it. It is thought unnecessary to go into a full description of the many advantages this farm has, as none that wishes to purchase will do so without examining the premises for themselves. Any one that wants a small farm on the Railroad cannot think but be pleased with it—There will be about 110 Acres more or less, on either side of the Railroad—persons wishing to purchase can call on Mr Robert H. Callahan, who resides thereon, and he will show the land.

Possession will be given 1st January, 1858

COLLECTOR'S NOTICE.

THE subscriber informs the tax payers of Talbot county that he is prepared to receive their State and County Taxes for the year 1856. Hoping they will be promptly paid, as I shall annoyed to levy the taxes within the time prescribed by law. The compensation paid for collecting the taxes are not sufficient to justify me in riding the county to make repeated calls on delinquents, therefore I shall expect tax payers to call on me at once, and settle their taxes. To enable persons to save the *four per cent* discount on their State tax, which the law allows for paying their taxes during this month (September,) I shall be in Easton every Tuesday, at Trappe every other Saturday, beginning with to-day, and at St Michaels when not on a crouse in other parts of the county. Mr. Charles Robinson, in Easton, will receive and receipt for taxes for me during any day in the week for the Easton, Trappe and Chapel Districts.

To Farmers and Gardners.

THE subscribers offer for sale **10,000** barrels of their New and Improved

POUDRETTE.

Manufactured from the night soil of New York city, in lots to suit purchasers. This article (greatly improved within the last two years) has been in the market for upwards of years, and still defies competition, as a manure for Corn and Garden Vegetables, being *the very, more powerful than any other*, and at the same time *free from disagreeable odor*. Two barrels ($1 worth) will manure an acre of corn in the hill, will save two thirds in labor, will cause it to come up quicker, to grow faster, ripen earlier, and will bring a larger crop on poor ground than any other fertilizer, and is also a preventative of the cut worm, also it does not injure the seed to be put in contact with it.

The L. M. Company enjoy their long-standing reputation, and the large capital ($100,000) invested in their business, as a guarantee that the article they make shall always be of such quantity as to command a ready sale.

Price, delivered in the city free of charge and other expense—

One barrel,	$2.00
Two barrels,	3.50
Five barrels,	8.00
