All of these beautiful Lots, for Building purposes, are in Church Hill, (which is incorporated by law,) and eligible for all kinds of public business, or trade. The proposed Eastern Shore Railroad, (which passed the Legislature at its last session) "via Crumpton, or the Air line route," will pass through, or near to these lots. They are 50 ft. by 140 ft *with a front and back street to each, and the whole regularly plotted in squares*, and (with very few exceptions,) every lot is "high and dry" and now ready for improvements. Daily communication to Baltimore and Philadelphia.—As these building lots must inevitably advance rapidly in value from date, no investment can be more advantageous or profitable, and certificates of shares should be secured as early as possible.

The distribution *will be positively made* in Philadelphia on the 1st Dec. 1857, and published, by committee appointed for the purpose. As soon as it is done, deeds will be prepared, and furnished, (free of charge) and possession given at once. The public may rest assured there is "no humbug" here, but a settled determination to improve my native place, beyond all competition.

Postmasters, and all others, acting as our agents, will forward orders for shares immediately (including the funds,) and deduct 5 per cent on sales. Address R. E. C. DOWNES,
Church Hill, Md.

N. B.—I have sold several building lots since Christmas, at private sale, at $300 and $400 per acre. After the distribution, all lots not disposed of will be sold on ground rent, or in fee simple.
