Oxford St. Association has beautifying contest

During the next three months the Oxford Street Improvement Association will sponsor a contest to beautify the neighborhood.

When the contest ends September 1, a $5 prize will be awarded for the prettiest yard in the area.

Meanwhile — all summer long—the assocation will provide free seeds and free lime for the planting and whitewashing that is expected to take place.

The contest is open to anyone living in the area bounded by Druid Hill Ave., Preston St., Pennsylvania Avenue and Dolphin St.

Chairman Mrs. Susie Young has announced that the judges will take into consideration cleanliness, use of paint, whitewashing, trees, planting of flowers and general good looks.

The free seeds and lime are available from the association's president, William Perkins, 544 Oxford St.

Hollins Center offers summer rec program

The Hollins Recreation Center, Carrollton Ave. and Hollins St., has announced that again this summer it will offer a free eight-week summer recreation program for children from ages 5 to 13.

The center will provide recreational facilites and professional leadership for five hours daily, five days a week, to all children who are enrolled.

The only rules are that children must be at the center on time, must remain until the 4 p.m. closing time and must enroll for no less than a four-week period.

Because of limited facilities, the center will enroll on a first come, first served basis beginning on June 1, at 10 a.m.

Parents are asked to provide their children with daily lunches and beverages.
