THE MAY meeting for "the Organization" is always a delightful one-a time for reviving secret pals.

This year was no exception when Marian Amprey hostessed the group last Saturday. Strangely enough, Joseph Amprey, Marian's husband received the husband's gift of the month, a handsome pinned striped shirt with necks to pick up the color of the stripe.

At shower time Ernestine Lewis collected all kinds of pretties in pinks and yellows in dress up her bathroom. She was taken completely by surprise.

Then came the feature of the evening — revealing of secret pals and the final exchanging of gifts. And some gifts they were—of all kinds and descriptions: shirts, negligees, summer bags, blouse, sweaters, jewelry, and all kinds of fancy lingerie. It was really an exciting time, indeed.

The group simmered down long enough to draw names for new secret pals and to select a date for their annual party. Probably the quietest time of the whole evening came when Marian announced that dinner would be served and as always a delicious dinner it was. Marian had been assisted by her husband in making preparations for the evening an excellent assistant he is.

About to enjoy the evening were Mary Bacote, Mae Cornish, Leana Ferrell, Veronia Greene, Jeanette Johnson, Henrietta Jones, Ernestine Lewis, Jean Johnson, and Aurelia Lonesome.

And Mesdames Andrea West, Edith Davidson, Rebecca Davis, Anethia Williams, Jimmy Laforest and Esther Laforest, mother of the bride-elect, who recorded the event on film.

Mr. Giles, you know, is the mathematician at Ft. Meade. There are two Giles children Machelle, 7; and Van, 16.
