And the W. line continues from the W. abutment of the  
 said Bridge passes about on the N. side of Center  
 Street 16 ft west of the wall on the Falls and 9 ft west of  
 the pier formerly Driven. On the N. side of Church St the said  
 line passes 12 ft 10 in. W. of the wall. At the foot bridge  
 10 ft W. of the N.E. of Roches Brick House. At the north  
 side of the City Market Space 8 ft 4 in. W. of the wall.  
 On the north side of Swan Street 3 ft 8 in. west of the wall.

And at Meeters Smoke House 1 ft 6 in.

On the E. side of the Falls along from railway road 17 1/2  
 to the E. wing wall of the Pratt Street Bridge passes about  
 82 ft E. from the N.E. corner of Roches brick house &  
 2 ft W. from the steps at the foot bridge & 4 ft W. from the  
 W. post of the fence on the S. side of George St.

From the abutment at the steps aforesaid to the E. wall of  
 Pratt St Bridge passes about 3 ft W. of the post aforesaid.  
 From the W. abutment of the Pratt St. Bridge to the E.
