TO THE PUBLIC.

FARMERS' & MERCHANTS' BANK,
Greensborough, Dec. 7, 1857.

MY attention has been called to a notice in the Denton Journal of last week, in which one Charles Culbreth proposes paying "Twenty- five cents on the dollar, if presented within thir- ty days, for the Notes of this Bank."

The card was called forth from the fact, I infer, that this Bank was under the necessity of warran- ting him on a claim for the pitiful sum of $39,24, which he was *oblized* to supercede. The execu- tion on this claim was issued a few days since, and our late Constable this morning informed me is still unsatisfied. In addition to this, this Bank has a suit against him and his securities for a Note of $100, which was due Sept. 1, 1856, and upon which he was sued at Oct. Term of Caroline county Circuit Court, '57, and which is still un- paid.

The recent *successful* Mercantile career of the *individual*, in this place, has imbued him with a "Nick Biddle" ambition for financing, which is fully explained by his card. I will receive the same kind of money at 100 *cents to the dollar* in payment of claims against him, and presume I might *safely* say, that 180 days from this date, the *presentation for this purpose*, will be duly hon- ored.

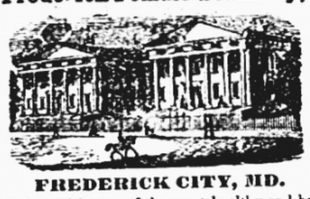
Frederick Female Seminary,



FREDERICK CITY, MD.

IS located in one of the most healthy and beau- tiful valleys in the State, and is accessible from all parts of the country by Railroad and Telegraph. Neither pains nor expense has been spared to make it in all respects a Seminary of the highest order, where the daughters of Maryland and other South- ern States could receive an education adapted to the advanced refinement and intelligence of the people and to the institutions of those States,—a School highly moral and religious in its character, but not sectarian.

The extensive and superb buildings; the spa- cious halls and professors rooms,—the commodi- ous lodging rooms elegantly furnished and well ventilated,—baths of the purest mountain water —extensive Chemical and Philosophical Appara- tus, excellent Musical Instruments, and all other desirable educational conveniences—a Faculty well known at home and abroad for refinement, profes- sional skill and learned ability, are some of the in- ducements which this Institution offers to the pub- lic.

The first of January would be a most appropri- ate time for scholars to commence.

For Board and Tuition, including furnished Rooms, Lights, Fuel, Washing, etc., 200 per. Scholastic year; payable half yearly in advance.

AYER'S
CHERRY PECTORAL,
FOR THE RAPID CURE OF
Colds, Coughs, and Hoarseness.

BERKFIELD, MASS., 20th Dec., 1855.

DR. J. C. AYER: I do not hesitate to say the best remedy I have ever found for Coughs, Hoarseness, Influenza, and the concomitant symptoms of a Cold, is your CHERRY PECTORAL. Its constant use in my practice and my family for the last ten years has shown it to possess supe- rior virtues for the treatment of these complaints. EBEN KNIGHT, M. D.

A. B. MORTLEY, Esq., of UTICA, N. Y., writes: "I have used your *Pectoral* myself and in my family ever since you invented it, and believe it the best medicine for its purpose ever put out. With a bad cold I should sooner pay twenty five dollars for a bottle than do without it, or take any other remedy."

Croup, Whooping Cough, Influenza.

SPRINGFIELD, MASS., Feb. 7, 1856.

BROTHER AYER: I will cheerfully certify your *Pectoral* is the best remedy we possess for the cure of whooping cough, croup, and the chest diseases of children. We of your fraternity in the South appreciate your skill, and commend your medicine to our people.

HIRAM CONKLIN, M. D.

AMOS LEE, Esq., MONTEREY, IA., writes, 3d Jan., 1856: "I had a tedious Influenza, which confined me in doors six weeks; took many medicines without relief; finally tried your *Pectoral* by the advice of our clergyman. The first dose relieved the soreness in my throat and lungs; less than one half the bottle made me completely well. Your medicines are the cheapest as well as the best we can buy, and we esteem you, Doctor, and your remedies, as the poor man's friend."

Asthma or Phthisic, and Bronchitis.

WEST MANCHESTER, PA., Feb. 4, 1856.

SIR: Your *Cherry Pectoral* is performing marvellous cures in this section. It has relieved several from alarm- ing symptoms of consumption, and is now curing a man who has labored under an affection of the lungs for the last forty years. HENRY L. PARKS, Merchant.

A. A. RAMSEY, M. D., ALBION, MONROE CO., IOWA, writes, Sept. 6, 1855: "During my practice of many years I have found nothing equal to your *Cherry Pectoral* for giving ease and relief to consumptive patients, or curing such as are curable."

We might add volumes of evidence, but the most con- vincing proof of the virtues of this remedy is found in its effects upon trial.

Consumption.

Probably no one remedy has ever been known which cured so many and such dangerous cases as this. Some no human aid can reach; but even to those the *Cherry Pectoral* affords relief and comfort.

ASTOR HOUSE, NEW YORK CITY, March 5, 1856.

DOCTOR AYER, LOWELL: I feel it a duty and a pleasure to inform you what your *Cherry Pectoral* has done for my wife. She had been five months laboring under the dan- gerous symptoms of Consumption, from which no aid we could procure gave her much relief. She was steadily fail- ing, until Dr. Strong, of this city, where we have come for advice, recommended a trial of your medicine. We bless his kindness, as we do your skill; for she has recovered from that day. She is not yet as strong as she used to be, but is free from her cough, and calls herself well.

Yours with gratitude and regard,
ORLANDO SHELBY, OF SELLSVILLE.

Consumptives, do not despair till you have tried AYER'S CHERRY PECTORAL. It is made by one of the best medical chemists in the world, and its cures all around us bespeak the high merits of its virtues.—*Philadelphia Ledger.*

Ayer's Cathartic Pills.

THE sciences of Chemistry and Medicine have been taxed their utmost to produce this best, most perfect purgative which is known to man. Innumerable proofs are shown that these PILLS have virtues which surpass in excellence the ordinary medicines, and that they win un- precedentedly upon the esteem of all men. They are safe and pleasant to take, but powerful to cure. Their pene- trating properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the foul humors which breed and grow distemper, stimulate sluggish or disor- dered organs into their natural action, and impart healthy tone with strength to the whole system. Not only do they cure the every-day complaints of every body, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are at the same time, in diminished doses, the safest and best physic that can be employed for children. Being sugar-coated, they are pleasant to take; and being purely vegetable, are free from any risk of harm. Cures have been made which surpass belief were they not sub- stantiated by men of such exalted position and character as to forbid the suspicion of untruth. Many eminent clergymen and physicians have lent their names to certify to the public the reliability of my remedies, while others have sent me the assurance of their conviction that my Preparations contribute immensely to the relief of my afflicted, suffering fellow-men.

The Agent below named is pleased to furnish gratis my American Almanac, containing directions for their use and certificates of their cures, of the following complaints:— Costiveness, Bilious Complaints, Rheumatism, Dropsy, Heartburn, Headache arising from a foul stomach, Nau- sea, Indigestion, Morbid Inaction of the Bowels and Pain arising therefrom, Flatulency, Loss of Appetite, all Ulcer- ous and Cutaneous Diseases which require an evacuant medicine, Scrofula or King's Evil. They also, by purify- ing the blood and stimulating the system, cure many complaints which it would not be supposed they could reach, such as Deafness, Partial Blindness, Neuralgia and Nervous Irritability, Derangements of the Liver and Kid- neys, Gout, and other kindred complaints arising from a low state of the body or obstruction of its functions.

Do not be put off by unprincipled dealers with some other pill they make more profit on. Ask for AYER'S PILLS, and take nothing else. No other they can give you compares with this in its intrinsic value or curative powers. The sick want the best aid there is for them, and they should have it.
