FROM PURCHASE UNTO ETERNITY YOUR HOME WILL BE YOUR CASTLE IF YOU KNOW HOW TO TREAT IT - ALL ABOUT IT - AS A RESULT THEREOF, YOUR HOME AND ITS ENVIRONMENT WILL BE IMPROVED.

QUESTION: CAN I BUY MY GROUND RENT?

Answer: Generally, yes, if it has been 5 years since it was last created. You don't have to live in the house 5 years to buy the ground rent. Check with the savings and loan association or the bank where the mortgage loan is held and they can tell you the year in which your ground rent was created. Generally, to determine the cost of purchasing the ground rent, simply divide .06 into the ground rent: (example) 1600.00 .06) 96.00.00 If your home was built before the turn of the century, you may have a special problem using the above information. We will give you any further information which you will need if you will drop us a card in the mail with your name, address and any ground rent questions or any other questions you have concerning real estate.
