GIFTS FOR THE PEOPLE!

THE NEW YORK MERCURY,
THE
THE LARGEST TWO DOLLAR WEEKLY IN THE WORLD!

Fifty-Six Columns of choice Original Matter in each Number.

SPLENDIDLY ILLUSTRATED.

TWENTIETH YEAR OF PUBLICATION.

A GOLDEN ENTERPRISE.

No other paper can boast of such a talented galaxy of celebrated authors as the contributorial corps of the New York Mercury, who furnish its columns weekly, with the most absorbing and fascinating romances and stories ever perused.

Dr. J. H. Robinson,
Ned Buntline,
Lieut. J. Foster Brandon,
T. Hamilton Vanada and
K. H. Newell,

who are well known as the most successful and popular romancers of the age, constantly contribute their brilliant novelettes, for the mammoth pages of the Mercury. And each number also contains more complete original stories and sketches—to say nothing of an immense amount of news and general miscellany—than any other two newspapers in America, without exception. In short, the New York Mercury defies competition, invites the most searching comparison. Its immense superiority over the six by nine mushroom publications of the day will be apparent at the first glance.

We now offer, in addition to a paper truly one-third larger than any of its cotemporaries, and replete with an unprecedented variety of interesting reading matter, the following

MORSE'S INDIAN ROOT PILLS.

CAUTION.

Merchants and Traders will be on their guard and not be imposed upon by a Counterfeit of Morse's Indian Root Pills, signed *A B Moore*. All genuine Indian Root Pills have the name and signature of *A. J. White & Co.*, on each box.

DR. MORSE, the inventor of the INDIAN ROOT PILLS, has spent the greater part of his life in travelling; having visited Europe, Asia, and Africa, as well as North America—has spent three years among the Indians of our Western country—it was in this way that the Indian Root Pills were first discovered. Dr. Morse was the first man to establish the fact that all diseases arises from IMPURITY OF THE BLOOD—that our strength, health and life depend upon this vital fluid.

A. J. WHITE & Co.,
50 Leonard street, New York.

DR. MORSE, the inventor of Morse's INDIAN ROOT PILLS, has spent the greater part of his life in travelling, having visited Europe, Asia, and Africa as well as North America—has spent three years among the Indians of our Western country—it was in this way that the Indian Root Pills were first discovered. Dr. Morse was the first man to establish the fact that all diseases arise from IMPURITY OF THE BLOOD—that our strength, health and life depend upon this vital fluid.

When the various passages become clogged, and do not act in perfect harmony with the other functions of the body, the blood becomes stagnant, becomes thick, corrupted and diseased, thus causing all parts sickness and distress of every name; our strength is exhausted, our health we are deprived of, and if nature is not assisted in throwing off the stagnant humors, the blood will become clotted and cease to act, and thus our light of life will forever be blown out. How important then that we should keep the various passages of the body free and open. And how pleasant to us that we have it in our power to put a medicine in your reach, namely, Morse's Indian Root Pills, manufactured from plants and roots which grow around the mountainous cliffs in Nature's garden, for the health and recovery of diseased man. One of the roots from which these Pills are made is a Sudorific, which opens the pores of the skin, and assists Nature in throwing out the finer particles of the corruption within. The second is a plant which is an Expectorant, that opens and unclogs the passage of the lungs, and thus in a soothing manner, performs its duty by throwing off phlegm, and other humors from the lungs by copious spitting. The third is a Diuretic, which gives ease and double strength to the kidneys; thus encouraged, they draw large amounts of impurity from the blood, which is then thrown out beautifully by the urinary or water passage, and which could not have or could be forced in any other way. The fourth is a Cathartic, and accompanies the other properties the Pills while engaged in purifying the blood, the coarser particles of impurity which cannot pass by the other outlets, are thus taken up and conveyed off in great quantities by the bowels.

From the above, it is shown that Dr. Morse's Indian Root Pills not only cover the stomach, but become mixed with the blood, for they find way to every part, and completely root out and cleanse the system from all impurity, and the blood of the body, which is the blood, become perfectly healthy; consequently all sickness and pain is driven from the system, for they cannot remain when the body becomes perfectly healthy; consequently all sickness and pain is driven from the system, for they cannot remain when the body becomes so pure and clear.

The reason why people are so distressed when sick, and why so many die, is because they do not get a medicine which will pass to the affected parts, and which will open the natural passage for the disease to be cast out; hence a large quantity of foul and other matter is lodged, and the stomach and intestines are literally overflowing with the corrupted mass; thus undergoing disagreeable fermentation, constantly mixing with the blood, which throws the corrupted matter through every vein and artery, until the is taken from the body of disease. Dr. Morse's PILLS have added to themselves victory upon victory, by restoring millions of the sick to blooming health and happiness. Yes, thousands who have been racked or tormented with sickness, pain and anguish, and whose feeble frames have been scorched by the burning elements of raging fever, and who have been brought, as it were, within a step of the silent grave, now stand ready to testify that they would have been numbered with the dead, had it not been for this great and wonderful medicine, Morse's Indian Root Pills. After one or two doses had been taken, they were astonished, and absolutely surprised, in witnessing their charming effects. Not only do they give immediate ease and strength, and take away all sickness, pain and anguish but they at once go to work at the foundation of the disease, which is the blood.—Therefore, it will be shown, especially by those who use these Pills, that they will so cleanse and purify, that disease—that deadly enemy—will take its flight, and the flush of youth and beauty will again return, and the prospect of a long and happy life will cherish and brighten your days.

CAUTION.—Be wary of a counterfeit signed *A. B. Moore*. All genuine have the name of A. J. White & Co. on each box. Also the *signature of A. J. White & Co.* All others are spurious

A. J. WHITE & CO., *sole Proprietors*,
50 Leonard Street, New York.

Dr. Morse's Indian Root Pills are sold by all dealers in medicines. Agents wanted in every town and hamlet in the land. Parties desiring the agency will address as above for terms.
