MSC institute aiding inner city teachers

Thirty participants, most of whom are from the Baltimore inner city schools, are attending the first Summer Institute for Teachers of Disadvantaged Youth at Morgan State College.

The Institute, directed by Dr. Regina Goff, head of the education department at Morgan, has classes all day from June 21 — Aug 4.

Among the lecturers to be heard during the six - week period are Dr. Albert N. Whiting, De. Donald Bullock, Dr. Samuel Shephard, Dr. Daniel Schreiber, Mr. Vernon S. Vavrina, Alonzo F. Moss, Mrs. Marcella Avnet, Jacob Epstein, R. Meredith Hall and Dr. Harvey Block.

Block.

The institute group includes participants from Cleveland, St. Louis, Washington and Maryland Counties. One forth of the group holds either the M.A. or M.S. degree.

Mrs. Camilla Williams directs the learning activities of 20 inner city children preparatory to their first grade entrance. Mrs. Paulhe Altman, reading specialist, lectures and provides demonstrations using third grade inner city children who have reading problems.

Among the many interesting participants is Miss Charlotte Cassell who, after England, Belgium, Germany, Guam and a 31 - year interim between the A.B. and the decision to turn to teaching and earn an M.A. found a deep - seated interest and concern for disadvantaged pupils and is currently teaching in such an urban school.

Members of the staff include Mrs. Leonora Cohn, curriculum specialist; Dr. Maxwell Brooks, sociologist; Dr. Janice Goldberg, psychologist; Mrs. Cielle Block, coordinator and Mrs. Harriette Bernstein, administrative assistant.

Pep rally report: it's not all easy

By JEANETTE LEATH
Clean Block Director

Each year there are always a number of problems Clean Blockers encounter. Sometimes, sad as it is to say, flowers are just pulled from flower boxes and pots by roots, flower boxes are turned over, in some cases tires used as planters are stolen and paint is smeared.

Some people go as far as to turn trash cans over, spilling out the rubbish. This I'm told is what they call fun.

They say it takes all kinds of people to make a world but some folks, I'm afraid, we just don't need. If you just take a glance at a few blocks and see where grass used to grow and now all you see is mud holes you wonder why there are such people.

Many people would rather sit and look all day, than get a broom and sweep off his or her sidewalk or the steps upon which they sit. These are the kind of things Clean Blockers are often up against.

Sometimes they are almost ready to give up but they continue to try to shame this type.

In another block, the captain called the office to say "no one will cooperate with me. I am going to turn my Clean Block material in to you." Then on Friday during the meeting he approached me with tears streaming down his face all filled up inside to say, "I hate to have to turn in my material but no one in my block wants to work and my advisor said she didn't have time to be bothered."

Now how can you help from feeling sorry for a little fellow who's trying to beautify his surroundings and in a block of 35 to 30 houses when he can't find others interested in helping to improve not only his but their area—and isn't it?

You can see why I am so proud of the young people who are able to carry out their aims and desires to the close of the campaign.

It's not always easy to accomplish a task, most times it's a lot of hard work, many accomplish a lot during the campaign others try but for no reason of their own they can not reach what they strived so hard to accomplish. It is necessary to have block cooperation.

* * *

KITTY BROADY and Sir Johnny O of radio station WWIN attended the Friday morning meeting at the Masonic Temple. Johnny spun a few records while Clean Blockers gathered their supplies. Both gave words of encouragement to the children. These two personalities are always welcome to our meetings. Last year they attended regularly and kept encouraging the youngsters in their work.

So if you see the children out sweeping, go to them and say a kind word, encourage them because they do a fine job of improving many neighborhoods.

Science Shrinks Piles New Way Without Surgery Stops Itch—Relieves Pain
New York, N. Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids, stop itching and relieve pain—without surgery.
In one hemorrhoid case after another, "very striking improvement" was reported and verified by a doctor's observations.
Pain was relieved promptly. And, while gently relieving pain, actual reduction or retraction (shrinking) took place.
And most amazing of all—this improvement was maintained in cases where a doctor's observations were continued over a period of many months!
In fact, results were so thorough that sufferers were able to make such astonishing statements as "Piles have ceased to be a problem!" And among these sufferers were a wide variety of hemorrhoid conditions, some of 10 to 20 years' standing.
All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne®) — the discovery of a world-famous research institution. Already, Bio-Dyne is in wide use for healing irritations on all parts of the body.
This new healing substance is offered in suppository or ointment form called Preparation H®. Ask for individually sealed convenient Preparation H Suppositories or Preparation H Ointment with special applicator. Preparation H is sold at all drug counters.

Herbert Flemming, 1100 Whitelock St., was declared the winner in the presence of Francine's mother, several clerks and the owner of one of the PALMA stores.

The trip, planned by Mr. Flemming and given to him by the PALMA merchants in the 1500 to 1800 blocks Pennsylvania Ave., has been set up to include round trip fare for two from Baltimore to New York, hotel room for two nights at the New Yorker Hotel, tickets to the World's Fair plus cocktails, dinner and a chance to see the star-studded revue at the famous Latin Quarter and tickets to the Radio City Music Hall featuring a first run movie, plus an elaborate stage show.

The date for Mr. Flemming's trip will be set at his convenience.

* * *

IN ADDITION to the prize given to Mr. Flemming, fourteen other awards in the form of PALMA World Green Stamps, redeemable for nationally advertised merchandise and a number of sixtransistor radios were awarded.

The fourth annual vacation-for-two contest was sponsored by the merchants of the Pennsylvania Avenue - Lafayette Market Association in appreciation for the patronage of their many customers. PALMA stores are located in the 1500 to 1800 blocks Pennsylvania Ave., and in the Lafayette Market.

Winners of World Green Stamps are:

Two AFRO boys robbed by thug

Two AFRO news carriers were assaulted and robbed of nearly $4 Tuesday as they were delivering papers in the 500 block Mosher St.

The incident took place at about 2:40 p.m., said police.

A youth between 13 and 15 years of age is being sought in connection with the robbery.

The youngsters, Larry Harrison, 10, of the 1100 block Wilmer Ct., and Wayne Day, 11, of the 600 block W. Lanvale St., reported their assailant asked for a quarter and when they reached into their pockets to comply with his demands, Harrison was struck in the mouth and knocked to the ground.

Day said he also was struck and both news carriers surrended their money rendered their money to the young thug.

point a receiver, (3) complaint action to discover and account, (4) a bill to expunge from the records, (5) a temporary restraining order, (6) a preliminary injunction, (7) a permanent injunction, (8) and a show cause order.

They contend that Mr. Doswell made an oral agreement to sell 50 percent of the tavern business to them for $4,000. They claim this agreement was put in writing on April 20.

The sum of $2,150, the plaintiffs argue, was paid in advance, and the remaining $1,850 was to be paid at the rate of $35 per week for a 52 week period.

The petition explained that Mr. Morgan and the seven plaintiffs were members of the Pharaohs Social Club, which had entered into the alleged contract as an organization. Mr. Morgan was the president.

The plaintiffs allege that later Mr. Morgan aligned himself with Mr. Doswell to "fraudulently" deny that a contract existed wherein they had been sold half of the business.

* * *

IN A STATEMENT sworn before a notary public on May 26, Mr. Morgan declared that the social club agreed to advance the sum of $4,000 to Mr. Doswell in return for 50 percent interest in the Krazy Kat.

He said, "We (the Pharaohs) raised $350 of the amount and paid it to Paul Cockrell for Mr. Doswell.

"We could not raise more money and Mr. Cockrell asked us to release Mr. Quinton Doswell from the 50 percent commitment.

"Our $350 was returned to us, and the agreement was returned to Mr. Doswell for the purpose of cancelling the agreement.

"To my knowledge neither I nor the Pharaohs now have any interest in the Krazy Kat Cocktail Club nor have I personally or up until Saturday, May 22, 1965, in my capacity as president of the Pharaohs, authorized Mr. Paul Cockrell to make any claim against Mr. Doswell or the Krazy - Kat on my behalf."

Mr. Morgan was later asked to resign and did, according to the petitioners, who claim his statement was false.

* * *

THE PLAINTIFFS further contend that Mr. Doswell later contracted to sell the entire club to Mobley, Mercer and Ashby for the sum of $10,000, without their consent as, part - owners.

Mr. and Mrs. Zafiris, owners of the property, the petitioners maintain, had knowledge of Mr. Doswell's agreement with the social club and in spite of this knowledge agreed to transfer the ownership of the business to the new buyers.

The Liquor Board on May 12, the suit states, was informed of the contract between Mr. Doswell and the plaintiffs.

The plaintiffs are asking the court to injoin the Board from transferring ownership of the club to Mobley, Mercer and Ashby, in view of their contentions.

* * *

IN ANSWERS filed Thursday by all of the respondents, except Mr. and Mrs. Safiris, who are not required to answer until August 1, deny the accusations made by the plaintiffs.

Mr. Doswell states that an oral agreement was made between himself and the plaintiffs but had been cancelled when they were unable to raise the money agreed upon.

His answer to the suit was filed by William H. Murphy, who also represents Mr. Morgan. Doswell claims that the plaintiffs' action is:

"Designed purely to harass the respondent and to take unfair advantage of him."

Mr. Murphy said the suit has prevented the transfer of the liquor license to th new owners, who are represented in the case by Milton B. Allen.
