THE MIGHTY HEALER.
WORLD KNOWN AND WORLD TRIED

HOLLOWAY'S OINTMENT.

The free admissions of all Nations, as well as the verdict of the leading Hospitals of the Old as well as the New World stamp this powerful remidial Agent as the greatest healing preparation ever made known to suffering man. Its PENETRATIVE QUALITIES are more than MARVELLOUS, through the external orifices of the skin, invisible to the naked eye, it reaches the seat of the internal diseases; and in all external affections its anti-inflamatory and healing virtues surpass anything else on record, and is nature's great ally.

ERYSIPELAS AND SALT RHEUM

Are two of the most common and virulent disorders prevalent on this continent, to these the Ointment is especially antagonistic, its "EXODUS OPERANDI" is first to eradicate the venom and then complete the cure.

BAD LEGS, OLD SORES, AND ULCERS.

Cases of many years standing that have pertinaciously refused to yield to any other remedy or treatment; have invariably succumbed to a few applications of this powerful ungent.

ERUPTIONS ON THE SKIN,

Arising from a bad state of the blood or chronic disease are eradicated, and a clear and transparent surface regained by the restorative action of this Ointment. It surpasses many of the cosmetics and other toilet appliances in its power to dispel rashes and other disfigurements of the face.

PILES AND FISTULA.

Every form and feature of these prevalent and stubborn disorders is eradicated locally and entirely by the use of this emolient; warm fomentations should precede its application. Its healing qualities will be found to be thorough and invariable.

Both the Ointment and Pills should be used in the following cases:

Bunions,	Mecurial Eruptions,	Swelled Glands,
Sprains,	Burns,	Piles,
Sore Legs,	Stiff Joints,	Chapped Hands,
Rheumatism,	Sore Breasts,	Tetter,
Chilblains,	Ringworm,	Sore Heads,
Ulcers,	Fistula,	Salt Rheum,
Sore Throats,	Veneral Sores,	Gout,
Scalds,	Sores of all kinds,	Wounds of all kinds.
Lumbago,	Skin Diseases,	

☞ CAUTION!—None are genuine unless the words "HOLLOWAY, NEW YORK AND LONDON," are discernible as a Water-mark in every leaf of the book of directions around each pot or box; the same may be plainly seen by HOLDING THE LEAF TO THE LIGHT. A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious.

*** Sold at the Manufactories of Professor HOLLOWAY, 80 Maiden Lane, New York, and by all respectable Druggists and Dealers in Medicines throughout the United States and the civilized world, in pots at 25 cents, 62 cents, and $1.

☞ There is considerable saving by taking the larger sizes.

COURT, COURT.

ALL who are concerned in the Talbot county Court, are hereby notified that the subriber has fitted up, expressly for the public's convenience, in the basement of the Brick *Hotel,* a *RESTAURANT,* where they may supply themselves with all the delicacies of the season, at such moderate prices, that will allow the poorest man in the community to partake thereof without injury to his means The room is especially fitted up for that portion of the community who think the price of our regular dinner more than they can pay. Being divided into 4 rooms, each secured by curtains in front, furnished with neat table and seats, to accommodate 8 persons at a time, prepared and lighted with gas. The following articles can be obtained at all times, in quantities to suit:—Beef Steak and Coffee, Bread and Butter; stewed, fried, roasted, broiled an raw Oysters, from 6 cents worth up; soft Crabs, deviled Crabs, Frogs, Pig's Feet, Tripe, Sheep Tongues, &c. In addition to the convenience above named, he would respectfully announce that he has spared no pains to make the accommodation at the table in the room above, such as shall give satisfaction for the price, beyond a doubt, as every possible article of food in season will be obtained, or furnished. He has obtained a beef raised by Mr. Wm. Goldsborough, and fatted for the last 3 years, which will be furnished every day during Court I will now remark that I wish all to come and see for themselves, and if they are not satisfied that they have had the worth of their money, the money will be refunded. Come all, now, and help to establish what all admit to be a public convenience, by contributing your mite. If all who come to the House would feed their horses and themselves, we could afford, beyond all doubt, at all times, to give them such accommodations as would render perfect satisfaction. But if you say we want a good house, and at the same time refuse to patronize it, how, in the name of God, can a man keep it.

The public's obedient servant,
