TRUSTEE'S SALE
OF
VALUABLE PROPERTY
IN
TALBOT COUNTY.

HAVING had the time of payment extended and terms made easier by the recent Court, the undersigned will expose to public sale in the town of Easton, on

Tuesday, the 28th day of September,

at 2 o'clock P. M., all that farm and tract of Land whereon James H. Ridgaway formerly resided, and whereon Solomon T. Love now resides, situate on the public road leading from the Chapel to Three Bridges, in the Chapel District, and containing the quantity of

300 ACRES OF LAND,

more or less. This farm has an excellent red clay soil, abounds in resources, is well adapted to the growth of wheat and corn and is very productive. There is an abundance of Wood upon it for the uses of the farm. Also valuable Meadows, one heavily set in Timothy.

The buildings are in tolerably good repair—within a half mile of this farm are, a church, school house and steam saw mill, which render the property very desirable. The location is an elevated one and quite healthful. Water not surpassed by any in the county. Orchards flourishing.

The line of the Md. and Del. Rail Road runs through one corner of the farm—without any injury thereto. The location of this farm being half way between Easton and Hillsborough, and directly on the public road, the corner of the farm through which this Rail Road runs—will no doubt be selected as a Depot for the Rail Road. Persons desirous of purchasing will be shown the premises by Mr. Love, who resides on the farm. Also all that tract of Land situate on the public road leading from Hillsborough to the Chapel, whereon James Hemsley, free negro, resides, adjoining the lands of Mary Leonard, William Bishop and others—within 1½ miles of navigation, and containing

225 ACRES OF LAND,

more or less—buildings only ordinary—soil good—resources abundant. Small young peach and apple orchard on the farm. Wood and timber in the greatest abundance. Plats of the above farms will be shown on the day of sale.

TERMS:—One sixth cash, the balance in 6, 12 and 18 months.

N. B.—All persons having claims against said James H. Ridgaway are requested to file the same properly authenticated with the Clerk of the Circuit Court for Talbot County, or they may be excluded from any benefit of said estate.

Very Superior Talbot Co.
FARM FOR SALE.

ON **TUESDAY, the 28th of this month,** (September) I shall offer for sale at the Court House in Easton,

"FAUSLEY WOOD,"

containing **353 3-4 ACRES,**—176¼ being cleard Land, and 177 1-2 fine WHITE OAK Timber Land, 38 Acres of the latter being detached from, but near to the main body, and as it has never been cut upon it is particularly valuable.

FAUSLEY is situate upon a branch of Miles River and possesses a good Landing. It is distant by water about two miles from the Steam boat Wharf at Miles River Ferry, and a public road which passes by the Farm leads to the said wharf in about the same distance. Easton is 1½ mile and Easton Point Wharf 2½ miles distant by a public road which passes along the whole front of the farm. It is also within 1½ mile of the Steamboat Wharf on the Choptank at Dover Ferry.—Besides the very excellent Schools in Easton, there is a Primary School on either side of the Farm, each being about ¼ mile distant. There is a Steam Grist and Saw Mill in Easton and another, driven by water power, distant about 3 miles.

The location of this Farm in respect to the county Town, Churches, Schools, Steamboat landings and Mills cannot be excelled;—and for extensive fruit growing it has peculiar advantages in respect to soil,—the protection from storms by surrounding forests, and its proximity to the projected Rail Road from Easton, and to Steamboat Landings,—to one of which fruit from the Farm can be carried by water.

This farm has produced some of the heaviest crops of wheat and corn that have beed grown in this county, and as it has been cultivated for many years in the most approved manner by Jas. N. Goldsborough, Esq., and been Limed,—the fences, drains and low grounds being clean and in prime order, the whole condition of this farm is not excelled if equalled by that of any farm in this county.

The Dwelling is of Brick and suited for an overseer or tenant, the negro quarter which is of brick can be put in good order at small expense, and a first rate barn and corn house were erected on it last year.

THE TERMS of sale are 1-4 of the purchase money cash, the purchaser giving notes secured by mortgage on the property for the remainder of the purchase money payable in three equal instalments with interest from the day of sale, in 12, 18 & 24 months.

M. THGHMAN GOLDSBOROUGH,
