Hometowners in Cleveland AKA Job Corp training

Mrs. Flossie Dedmond, member of the Coppin State College Faculty and national official of the Alpha Kappa Kappa Alpha Sorority, was in Cleveland, Ohio recently attending a sorority executive session.

During the stay there she visited the Cleveland Job Corps Center for Women and talked with enrolees from Baltimore.

The Alpha Kappa Alpha Sorority is the prime contractor for the $4 million government - financed project where 350 high school young women drop-outs are trained in 34 career occupations.

Among those Mrs. Dedmond talked with were:

Misses Rose Cadle 19, is studying data processing; Evelyn Joseph 18, who is studying to be a practical nurse; Gwendolyn Cunningham 19, who plans to be a ward clerk in a hospital; also Misses Ethel Cadle 17, who wants to be a key punch operator; and Faith Brogdon 18, is working hard to become a v...

These girls and others from Baltimore were home recently. The holidays were made festive for them by the "Mondawmin Wics" who entertained with a luncheon and presented gifts to all enrollees from the various centers in the United States.

The girls were flown back to their respective locations the Tuesday after New Year's Day.

Mrs. Mary B. Chambers is director of the Cleveland Center.

Mrs. Julia B. Purnell of Baton Rouge, La. is general president of the sorority.

Versalles, Grant pose pay trouble for twins

BLOOMINGTON, Minn. — Zoilo Versalles and Jim (Mudcat) Grant, without whom the Minnesota Twins would have been little more than also-ran in the American League pennant race last year, are posing a serious salary problem for the champion front office.

Both the shortstop and the leading pitcher are demanding pay increases, the like of which Twins owner Calvin Griffith says he won't even consider.

Versalles was the 1965 most valuable player in the AL, and was one of the bright spots in the Minnesota picture during the World Series. Grant won 21 games during the regular season, one of only two pitchers in the league to win more than 20, and added two more over the Series. Jim hurled 6 shutouts.

• • •

ZOILO REPORTEDLY has rejected a $10,000 raise, and told Griffith it should be at least twice that much. Versalles is said to have received $22,000 last season. He apparently is aiming for $50,000.

Also determined to reach the $50,000 plateau — and decidedly more vocal about it than his Cuban teammate—Grant insists that his $25,000 salary of last year must be doubled or he "may remain in the entertainment field."

• • •

BOTH VERSALLES and Grant contend that they are far more independent now than when they signed what they considered to be subvalue contracts.

Griffith, meanwhile, asserts that these are normal beefs which have to be expected by a club winning a pennant. Earlier, in commenting on Grant's demand, the piqued Twins owner cracked: "Let's see how far he can go as an entertainer if he gets out of baseball."

Carver, Dunbar 5's face top rivals

Carver High School and Dunbar, considered by many to be the most likely successors to themselves as division basketball champions, meet their most serious challenge to date, this afternoon (Friday.)

Both the Cubs and the Poets are unbeaten for the season and lead their respective divisions with 4-0 records. And both will be taking on tough assignments in today's Maryland Scholastic Association schedule.

Carver clashes with undefeated City College at City, and Dunbar meets head - on with once - beaten Edmondson.

• • •

COACH SODIE White of the Cubs, and Sugar Cain, his counter-part at Dunbar, are agreed that "things may appear brighter" if City and Edmondson can be disposed of satisfactorily. The feeling, obviously, is based on the fact that their next meetings with these particular rivals will be at - home affairs.

City won her 8th game in a row Tuesday, downing Poly in a tight fit, 66-64. And the Collegians seem to be bent on regaining the stature they held in the early 60's when they put MSA cage titles back to back.

But Carver also continued her winning ways Tuesday. The Whitemen took the measure of a rugged Calvert Hall five, 64-58, and show equal determination to go all the way.

• • •

DUNBAR EMERGED from her tiff with Douglass a relatively easy 83-65 victor, but Cain has been trying to rout and hint of complacency by drilling his youngsters in the thinking that the Ducks were only the first of a parade of teams that, as always, are anxious to dump the champion. .

Edmondson, by the same token, is still smarting from the upending given her by an improved Cardinal Gibbons quint on Tuesday.

This unexpected reversal figures to serve as increased incentive, inasmuch as a triumph over the Poets would put them right back into the Division I scramble. . LACY.
