Stoves! Stoves! Stoves!!

THE subscriber would respectfully call the attention of all in want of a GOOD STOVE, either for cooking or heating, to their large assortment, which comprises the best *COOKING STOVES and RANGES, Parlor, Dining Room, Store, Office, Church*, and other Stoves.

Among our Cooking Stoves we name as the very best in the market the GLOBE and LEHIGH for Coal, and the MEDALLION for Wood. We have also the Old Dominion, Cook's Favorite, and other excellent Cooking Stoves.

Our *Bay State Range* is decidedly the best and most handsome flat top cooking range in the market. It is of beautiful design and elegant workmanship—the castings are very heavy and substantial, besides which it has more oven room than any other Range.

We have a beautiful assortment of *Parlor Stoves*, including a new and very handsome Fireplace Stove for heating two or more stories. Also Store, Office, Church and other Stoves, *all of which we warrant to work satisfactorily.*

We would particularly call the attention of our *country friends* to a new and beautiful PARLOR FRANKLIN STOVE for wood, which is so arranged that it can be made an air tight stove. It is supplied with a crane (which can only be seen when in use) by which a kettle can be boiled as readily as in a fire place. The castings of this stove are extra heavy.

We are prepared to put up Furnaces and Heaters of the most approved patterns.

A large and excellent assortment of *TIN-WARE* always on hand.
