Ducks seek rebound after 50-45 upset by Southern

Coach Marsden Rawlings' Douglass High School swimmers are finding it hard to wait for this afternoon's Maryland Scholastic Association schedule to get under way.

Surprised by Southern on Tuesday, the Ducks are seeking to rebound against Patterson today (Friday) when they resume action. The loss to Southern was the first of the season for Rawlings and his promising young tank aggregation.

• • •

THE DEFEAT, however, was not without some consolation for Douglass partisans, since Frank and Wallis Lansey and Kenneth Mosley set new school records during the competition.

Frank captured the 100-yard backstroke in 1:11.5. Wallis, who is not related, took the breaststroke event in 1:10.1, and Mosley annexed the 200 - yard medley 2:35.5.

Adding tow hat little balm there was for the Ducks in defeat, was the "double" scored by Samuel Hicks, their freestyle specialist. Hicks took the 50 - yard race in 24.7 seconds and came back 40 minutes later to cop the 100-yard test in 58.1.

• • •

UNTIL the setback at the hands of Southern, Douglass had won four in a row in dual meet competition.

In successive weeks, the Ducks had disposed of Forest Park, Edmondson, Carver and Mervo, the first two of whom are recognized contenders for title honors.

• • •

FOLLOWING today's tiff with Patterson, Rawlings and his charges will have until January 27, to sharpen up, when they meet the Foresters for the second time around.

If the Ducks can get over the Pats, which promises to be no simple task, they feel they will be on the title road again. . . LACY.

Ice show sets open audition

Figure skaters will have an opportunity to audition for the Shipstads and Johnson Ice Follies when the annual tryouts are held at the Baltimore Civic Center next Thursday at 4 p.m.

Helen Maxson, performance director for the show, will conduct the auditions on the arena ice. Boys and girls who want to try out for a skating career must be 18 years of age or over and should be high schoql graduates.

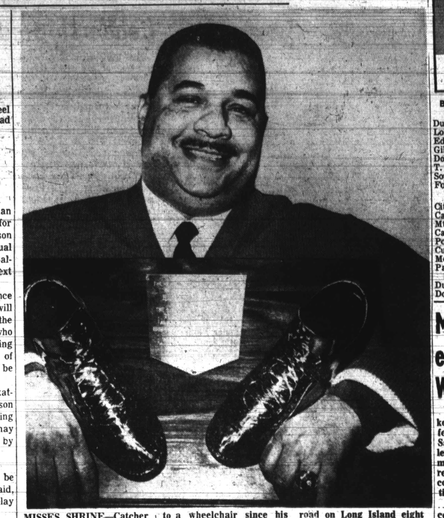
Girls must wear short skating costumes. Mrs. Maxson said. Skaters need not bring music. Appointments may by made for auditions by telephoning SA. 7-0703.

• • •

CANDIDATES should be strong skaters," she said, "but they need not display complicated routines."

Mrs. Maxson pointed out that many skaters have advanced to starring roles in the show. Skaters selected to join the company will tour some 25 cities in the United States and Canada during the year.

Ice Follies will be at the Civic Center from Tuesday, January 25 through Sunday, January 30.



MISSES SHRINE—Catcher Roy Campanella missed by nearly ten percent of the required vote, being elected to the Baseball Hall of Fame on Thursday. The former Dodger star, three times National League MVP whose career was cut short by a 1958 automobile accident, drew 65.2 percent of points needed on ballots of Baseball Writers Association members. He received 107 points to finish third to Ted Williams, who was elected, and Red Ruffing who drew 208 tallies and also was short of election. Campy has been confined to a wheelchair since his car overturned in an icy road on Long Island eight years ago.

S.C. town doffs hat to tan son

ANDERSON, S.C. (UPI)—George Webster, a 20-year-old colored athlete who became an All-America football star at Michigan State, was given a hero's welcome Tuesday in his hometown.

Mayor John Glenn proclaimed the day "George Webster Day."

A police-escorted motorcade then carried the youth down Anderson's Main Street to Westside High School.

There the student body, which Webster once served as president, turned out for a rousing welcome.

• • •

THE CEREMONY included the presentation to Webster of a key to the city by the mayor, a plaque from a Chamber of Commerce official and an All-America certificate from Anderson Daily Mail sports editor Johnny Anderson.

"Of all the things that have happened, this by far is the best," Webster later said. "This is more personal than anything in the past."

• • •

"I WAS particularly happy to see that not only my people but everyone in the city was behind me," he said.

Webster, a defensive back at Michigan State, hopes to work with youth organization when he graduates.

He is the first athlete from this city to gain national attention to say nothing of all-America stature.

Morgan mark evens after W. Salem loss

Morgan State College basketers, absorbing a 94-79 defeat at the hands of Winston-Salem (N.C.) Teachers College on Tuesday, went into th midterm break with an even record of 5-5 in Central Intercollegiate Athletic Association competition.

Errors spelled doom for coach Brutus Wilson and his Bears as they fell behind early and never posed a serious threat to Bighouse Gaines and his Tarheel invaders. Gains is an alumnus of the Hillen Road school and, since his reign at Winston, has made things rather miserable for his former collegues.

• • •

THE BRUINS were guilty of missed shots, errant passes and general offensive breakdowns. And their inadequacy at the free throw line was another telling factor.

Gaines, in the meantime, used alternating defenses to further confuse a Bear attack that was at its lowest ebb.

• • •

SOPHOMORE Howie Riddgill, with 36 points, led the winners. He covered the scoring gap left by All-CIAA sharpshooter Earl Monroe, who contented himself with 18.

Monroe, however, while leaving the point - getting to his younger teammate, played a spectacular role as playmaker.

• • •

FOR THE losing Bears, captain Bobby Gordon was high with 25 markers. Frank Hammond had 18, and Jimmy Hall 16.

The Wilson forces now have something of a respite. They are not scheduled to enter the play until next Saturday night, when they visit St. Paul's at Lawrenceville.

Following the tiff with the Tigers, who always have one victory over them, the Morganites moved to Durham for a Monday setto with North Carolina College.

TAMPERED WITH — American Football League commissioner Joe Foss nullified a trade that sent San Diego Charges defensive linesman Earl Faison (left) and Ernie Ladd to the Houston Oilers last week. The AFL boss ruled that Houston owner K. S. (Bud) Adams was guilty of tampering when he made a public evaluation of the worth of two players of an opposing team, each of whom was playing out his option in order to become a free agent.

Wilt retains title as NBA's most versatile

NEW YORK (UPI) — Wilt Chamberlain is proving again this season that he's the most versatile player in the National Basketball Association.

The 7 - foot - 1 pivotman was first in rebounding with 1,064 grabs, second in scoring with 1,447 points (A 34.4 per game average), and third in field goal percentage with a .514 mark, according to statistics released Tuesday.

Los Angeles' Jerry West was tops in scoring with 1,585 points, but his per game average (33.0) was less than Chamberlain's.

Oscar Robertson of Cincinnati, was third with 1,309 points for a 31.2 average.

• • •

BALTIMORE'S Johnny Green was the most accurate shooter from the floor, hitting at a .533 clip, and Happy Hairston of Cincinnati, was second at .524. West was best from the charity stripe with an .854 percentage, followed by rookie Rick Barry of San Francisco, with .848.

The Warriors' Nate Thurmond ranked behing Chamberlain in rebounding with 976 grabs, followed by Cincinnati's Jerry Lucas with 951.

Little Guy Rodgers, the smallest man in the league at 6 feet, was No. 1 in assists with 523, to top Robertson, who had 475.

Pitcher gets bid to Miami

A 21 - year - old catcher from Baltimore, who has displayed the durability of a boxer and the stamina of a Boston marathon runner and a colored pitcher are among six minor league players invited to spring training with the Baltimore Orioles, it was disclosed today by Oriole Director of Player Personnel Harry I. Dalton.

John Burrows, seemingly an iron man behind the plate after catching all 140 games for Stockton in the Class A California League last year, heads the list, which includes four pitchers and another catcher.

• • •

IN ADDITION to Burrows, the others are catcher George Farson and pitchers Billy Short, Delano Hill, Steve Cosgrove and Bobby Darwin.

Darwin, drafted three years ago from the California Angels' system, won nine and lost 10 last season for Elmira in the Class Double-A Eastern League. A 22 - year old righthander, he fanned 89 hitters in 111 innings for the Pioneers.

Sayers voted top pro star for December

NEW YORK (UPI)—Halfback Gale Sayers of the Chicago Bears, Tuesday was named December winner in the Hickok professional athlete of the month poll.

Sayers, the National Football League scoring champion and rookie of the year, was named on 34 first-place ballots for 135 points.

• • •

FULLBACK Jim Taylor of the NFL champion Green Bay Packers, received 24 first-place votes and 99 points, while his teammate, Paul Hornung, drew top billing on 17 ballots for 8 points.

Hockey star Bobby Hull of the Chicago Black Hawks was fourth in the final month of voting with three first-place nods and 42 points.

• • •

THE WINNER of the $10,000 diamond - studded gold-buckled belt will be named at the 16th annual Hickok award ceremony at Rochester, N.Y. on Sunday (Jan. 23)

Jimmy Brown of the Cleveland Brown, won the belt last year.

MSA cage races tight, City romps

Followers of Maryland Scholastic Association basketball saw the citywide races tighten considerably early this week as ties for first and second places were consummated in Division I, and deadlocks for second and third occurred in Division 2.

Only City College, with an unbroken string of 6 victories, appeared relatively safe as play prepares to resume today (Friday) on all fronts.

The Collegians boast a 2 - game lead over Carver and Mt. St. Joe, each of whom dropped its second decision in less than a week on Tuesday. The Cubs and Saints are snarled with 4-2 records, one game ahead of Poly and Carvert Hall at 3-3.

• • •

MEANWHILE, IN Division I, Dunbar, upended on Friday by Edmondson, came back to take the measure of Forest Park by the one-sided margin of 78-49.

The Poets, however, got small relief from the fact that they had pulled out of their tie for the lead with Edmondson. Loyola closed in to keep Dunbar locked in a share for the top slot.

• • •

DISHEARTENING, too, for coach Sugar Cain and his youngsters is the fact that Loyola's Tuesday triumph was over the same Edmondson quint which had, only three days earlier, wripped the Poets.

Adding to the Cain discomfiture, perhaps, is tre realization that today's (Friday) opponent could be trouble-some while Loyola and Edmondson do not figure to have problems with Southern and Forest Park, respectively.

• • •

THE HUNGER for points at Carver could be boding ill for coach Sodie White and his Cubs. Once considered a strong contender for Division 2 honors, Carver could manage only 38 points in losing to City on Friday, and did little better, with 50, in dropping a 54-50 verdict to Patterson, Tuesday.

That setback at the hands of Patterson, incidentally, could be a serious blow to the Cub hopes. In that one, the Writers were being beaten by a team which had not won one of its previous 5 outings LACY.

Baltimoreans cop pin prize money

Two Baltimore bowlers—George Lee and Paul Russell—were winners of cash prizes in the Eastern United States Bowling Association's Maryland stopover at Odenton.

Ankle hurt, Boston may skip boards

NASHVILLE, Tenn. (UPI) —Champion broad jumper Ralph Boston said Tuesday he may have to miss most of the indoor meets this winter because of aggravation of an ankle injury.

Boston and his wife have moved into a new apartment near the campus of Tennessee State University, where he is a graduate student.

"The injury has been bothering me since August," Boston said. "It's a strain of the left co-lateral ligament. I have been jumping regularly for two weeks and haven't done any better than 24 feet.

"The doctor who examined me Tuesday said I must rest it and get ultra-sonic treatment. I may have to miss most of the indoor meets this winter," Boston said.
