NOTICE.

IN view of the changes made by the city merchants, in the terms upon which they propose to sell goods to the country merchants, we are compelled to announce to the public, that on and after the first day of January, 1862, we shall do business for the cash.

Having had to pay nett cash, for the larger portion of our goods this past season and as we shall be required to do so in the future, it will be utterly out of our power, to do business in the future as we have done in the past.

We are determined however, to spare no pains to keep up our stocks and hope to be able to offer sufficient inducements, to secure a continuance of the trade.

4. *The Westminster Review* (Liberal.)
5. *Blackwood's Edinburg Magazine* (Tory.)

The present critical state of European affairs will render these publications unusually interesting during the forthcoming year. They will occupy a middle ground between the hastily written news items, crude speculations, and flying rumors of the daily Journal, and the ponderous Tome of the future historian, written after the living interest and excitement of the great political events of the time shall have passed away.—It is to these Periodicals that readers must look for the only really intelligible and reliable history of current events, and as such, in addition to their well-established literary, scientific, and theological character, we urge them upon the consideration of the reading public.

The receipt of **Advance Sheets** from the British publishers gives additional value to these Reprints, inasmuch as they can now be placed in the hands of subscribers about as soon as the original editions.

MARYLANDERS, RALLY!

VOLUNTEERS WANTED

FOR THE

1st Eastern Shore Regiment

OF

HOME GUARD.

I HAVE been authorized by the War Department at Washington to have enrolled and mustered into the service of the United States a Regiment of Infantry to act as a

HOME GUARD,

AND TO BE STATIONED ON THE

Eastern Shore of Maryland.

The purpose of the movement is to repel invasion, to preserve the peace and good order in our midst and to protect the rights of all, and aid in the enforcement of the laws.

As it has been asserted, with a view of defeating the movement, that the Administration intend ordering the troops away from home as soon as they are mustered in, I would remark that the Secretary of War expressly pledges that they "shall be stationed on the Eastern Shore of Maryland" and used only for "Home Protection." I state this fact for the benefit of those who are willing to do all they can for their country in its present peril, but whose circumstances are such as prevents their going abroad. The necessity of this movement must be apparent to every candid and considerate mind. We are already threatened by the enemies of the country. At any moment we are liable to have civil war in our midst. In times of Revolution no one can tell into what peril a single day may place us. It behooves us to prepare, and be ready for any emergency, ere it be too late. It is high time that Marylanders were armed and prepared to protect themselves against adventuring Rebels.

The time of Enlistment will be three years, or until the end of the War.

A COMPANY

consists, when full, of one Captain, Two Lieutenants, One First Sergeant, Four Sergeants, Eight Corporals, Two Musicians, One Waggoner, and Eighty-two Privates.

Each Company will select its own officers, subject to the approval of the War Department.

The Company will be mustered into service as soon as it numbers Eighty-six men. But must afterwards be raised to One Hundred.

THE PAY

allowed for a Captain is Sixty dollars, four rations (or $36,00) per month and one servant.—Of First Lieutenant is Fifty dollars, four rations, per month and one servant. Of Second Lieutenant is Forty-five dollars, four rations per month, and one servant. Cadet, Twenty-four dollars per month. First Sergeant, Twenty dollars per month. Sergeant, Seventeen dollars per month. Corporal, Fifteen dollars per month.—Those officers who have no rations mentioned above in their pay, are allowed one ration, or nine dollars per month for board, and three dollars per month for clothing. The same allowances are also made to Privates.

Each soldier is entitled to a bounty of One Hundred dollars when discharged from service.

THE DISPOSITION OF THE TROOPS.

As many inquiries have been made concerning the disposition of the companies, I would remark that the Government pays each man for his full time, and assumes that he will give the whole of his time to the service. But it is the evident and written intention of the Government to afford security to the homes of us all. To accomplish this it would appear to be necessary to keep each company stationed in the neighborhood in which it was organized, as much as possible. Each company must be on muster every day. The whole force, it is contemplated, will be brought together at stated periods—say once in a month or oftener, as the exigency of the times and the public service may require. It is designated, I presume to let each company protect its own homes and neighborhood, in the main.

Such is the outline of the plan and its object. It will be modified as events and welfare of our people may demand. The details of the movement will be left to the commanding officer of the forces upon the Shore. For further particulars address, JAMES WALLACE,

Col. 1st Eastern Shore Regiment of Home Guard, Cambridge, Md. [sep 14-tf
