Morgan, Md. track teams in title meet

NEW YORK—Both Morgan and Maryland State College have entered teams in the Track and Field Federation indoor championships, slated for the Madison Square Garden boards tonight (Friday).

The two Maryland contingents, however, figure to show a distinct limp as they vie for honors in the Eastern view of the national championships.

The National AAU indoor games are scheduled this year for Albuquerque, New Mexico.

• • •

MORGAN HAS entries in the mile relay and the 60-yard dash. In the former, the Bears will go without their anchor man, Tim Johnson. Tim suffered injury to his left ankle in the Inquirer Games at Philadelphia last week, and may be lost for the remainder of the season. In the dash, sophomore flash Ray Pollard will be trying to repeat his win of a week ago over Sam Perry, the national champ from Fordham.

• • •

MARYLAND STATE, likewise, will be hurting in her mile relay effort. The Hawks' Bob Brown is hurt and feared lost for "about 2 - 3 weeks," according to coach Cliff Anderson.

Maryland State, incidentally, is tackling an herculean task for the weekend. Following tonight's meet here, the Hawk contingent will motor to Washington tomorrow and board a plane for Louisville.

There they will compete in a race designed to smash the 2-mile college relay record, the chief opponent in which will be Georgetown, whom the Hawks whipped last week in the Garden.

This is the most expensively made Bourbon in Kentucky . . . and probably in the world.
(And this is true of both Fitzgeralds, Bonded and 86.8 proof Prime Straight)
How can we say this?
Years back, leading Kentucky distillers were asked to report their costs to our State. Final figures revealed our Fitzgerald Bourbon to be the most expensively made — by a Bluegrass mile.
Year after year, the story has never changed. (Probably because in 116 years we've never changed, sticking to the painstaking demands of our original Sour Mash recipe.)
You'll find OLD FITZ priced among premium Bourbons — but not way above them. Have just one taste. Just a taste is all we ask . . . it's all we've ever needed.
