An Ordinance to condemn and open a street to be called Viaduct Avenue, and to be sixty-six feet wide, extending from the north side of Twenty-eighth street to the south side of Cedar avenue, and so located as to include as part of the proposed street, the viaduct over Stony Run, and connection with said opening of said proposed street, also to condemn and open that part of Twenty-eighth street about 23.07 feet in width and sixty-six feet in depth, lying southwest of the southwest line of Mount Vernon Avenue, as laid down on the Topographical Survey of the City.

SECTION 1. Be it ordained by the Mayor and City Council of Baltimore, That the Commissioners for Opening Streets be and they are hereby authorized and directed to condemn and open a street sixty-six feet wide, extending from the north side of Twenty-eighth street to the south side of Cedar avenue and to include as part of the proposed street the Viaduct over Stony Run. Said proposed street beginning at a point on the northwest side of Twenty-eighth street, at a distance of 89.07/100 feet from the corner formed by the intersection of the northwest side of Twenty-eighth street and the northeast side of Mount Vernon avenue, as laid down on the Topographical Survey of the City, and running thence along a line parallel with and thirty feet southwest from the centre line of the viaduct there situated, northwesterly 1,217.6 feet more or less, to the southeast side of Cedar avenue, as now laid out, thence following the line of Cedar avenue on a curve of 116 feet radius northeasterly 68.6 feet more or less, to a point formed by the intersection of the said curve, and a line parallel with and sixty-six feet northeasterly from the line described as running northwesterly 1,217.6 feet more or less, thence southeasterly on that line 1,238.6 feet more or less to the northwest side of Twenty-eighth street, thence along the northwest side of Twenty-eighth street southwesterly 66.35/100 feet to the beginning. And also to condemn and open all that part of Twenty-eighth street sixty-six feet wide running southwesterly 23.07 feet from the southwest side of Mount Vernon avenue aforesaid, as contained within the letters A, B, C and D on the preliminary plat of this proposed street opening, now on file in the office of the Commissioners for Opening Streets.

SECTION 2. And be it further ordained, That any person or persons, or body corporate, who may be dissatisfied with the assessment of damages or benefits, which shall be made by the said Commissioners, may appeal therefrom to the Baltimore City Court, at the time, in the manner and after like notice by the City Register, as provided for in Section 179 of the Baltimore City Charter, and that the Collector and Register of Baltimore City shall also perform such duties in relation to said street, as are required of them by the provisions of said Baltimore City Charter.

SECTION 3. And be it further ordained, That in condemning the land, or any part of it aforesaid, necessary to be acquired for said proposed street, nothing herein contained shall be construed to abridge or impair in any way whatever the obligation and contract of The United Railways and Electric Company of Baltimore, incurred in and by Ordinance Number 103, approved January 16th, 1901, or any section or clause thereof, but the said Ordinance shall remain in full force and effect.

Approved: May 19th, 1902.  
Thomas G. Hayes,  
Mayor.
