DEATHS.

BLAND.—At Drummondtown, Va., on Sunday last, of congestive fever, Geo. Bland, of Company E., 1st E. S. Home Guard Vol.

LECOMPTE.—In Bay Hundred, on Friday, May 16th, at the residence of her father, Mrs. Kate Lecompte, in the 26th year of her age.

The deceased, about two months prior to her death, had just recovered from an attack of the scarlet fever, and being reduced to a state of weakness, sought the pure air of the country at the residence of her parents in Bay Hundred district. Scarcely had her eyes beheld the lovely home of her earlier days, the distant fields o'er which she oftimes skipped in childish glee, the beautiful flowers, the tiny shrub nurtured in their infancy by her own hands; then that awful and fatal disease—dropsy, seized upon her frame; and she passed from earth away.

O how cheering; how consoling, to those who mourn after the deceased, when they recall the moments of conversation on the eve of her departure. "Mother, I am going to die, I fear not death, I can plainly see my way is clear, and I soon shall be with Jesus. Farewell my dear companion. My fatherand mother, my brothers and sisters, meet me in Heaven. My darling babe, one parting kiss, I give thee to my mother. Mother train up my child in the love and fear of God, tho' parting now, we meet again in Heaven; farewell."

And thus, she fell asleep in Jesus, to awake again on resutrection's morn, clothed with the wedding garment, to meet the bridegroom at his coming.

My child, thy babe thou gavest me,
I'll love, and teach it how to love
And fear, the God that calleth thee,
To live in peace with him above.

Sweet innocent! thy loving, laughing eyes
Ne'er griel or sorrow knew—
Thy mother lives beyond the skies
And lives and wans in joy for you.

Oh God! assist me to perform
The charge, my child bequeathed to me
Protect the babe from blast and storm,
And take him safe at home with thee.

DR. HOOFLAND'S

BALSAMIC CORDIAL,

FOR THE SPEEDY CURE OF

Coughs,
Colds, Influenza,
Croup, Hoarseness, Bronchitis,
Pneumonia, Disease of the Bowels,

arising from Cold, Incipient Consumption, and for the relief and (if at all possible) cure of Patients in advanced stages of the latter disease.

The Balsamic Cordial is entirely a Vegetable production, combining the healing properties of the Balsam, with the invigorating qualities of a Cordial, producing a combination so well adapted to the purposes intended, that there are but few cases of disease which will not, at an early period, succumb to its healing and life giving properties.

For ages, has the treatment of pulmonary diseases occupied the greater portion of the attention of the scientific of the medical world, but none acquired more eminence in his treatment of these diseases, than the celebrated Prussian Dr. Hoofland, the originator of the Balsamic Cordial. His life was devoted to the production of remedies that would stand unrivalled. How well he has succeeded, the American people are able to judge; and we positively assert, that no preparations that have ever been placed before them, have conferred the same amount of benefits on suffering humanity, or have elicited so many commendations from all classes of society as the remedies of Dr. Hoofland, prepared by Dr. C. M. Jackson & Co., of Philadelphia.

The Cordial is designed for a class of disease more general and more fatal than any other to which the people of this country are subject—those springing from a "*slight cold.*" That eminent authority, Dr. Bell, says: "I will not say that Colds are to our inhabitants what the *Plague* and *Yellow Fever* are to those of other countries; but I can aver confidently that they usher in disease of greater complicity and mortality than these latter."

Read what the eminent Glass Manufacturer, Jno. M. Whitall, says of the Balsamic Cordial.

DR. C. M. JACKSON—Respected Friend: Having for a long time been acquainted with the virtues of the Balsamic Cordial in Coughs, Colds Inflamation of the lungs, &c., I thus freely bear testimony to its efficacy. For several years I have never been without it in my family. It also gives me pleasure to state that I have used it with entire success in the treatment of Bowel Complaints. JOHN M. WHITALL,

Race Street, above 4th, Philadelphia.

Fifth Mo. 17, 1858.

Entirely Vegetable.

No Alcoholic Preparation.

DR. HOOFLAND'S

CELEBRATED

German Bitters,

PREPARED BY

Dr. C. M. Jackson & Co., Philad., Pa.

Will effectually cure

Liver Complaint, Dyspepsia, Jaundice,

Chronic or Nervous Debility, Diseases of the Kidneys, and all diseases arising from a disordered Liver or Stomach.

Such as a Constipation, Inward Piles, Fulness or Blood to the head. Acidity of the Stomach, Nausea, Heartburn, Disgust for Food, Fulness or Weight in the stomach, Sour Eructations, Sinking or Fluttering at the Pit of the Stomach, Swimming of the Head, Hurried and Difficult Breathing, fluttering at the heart, choking or suffocating sensations when in a lying posture, dimness of vision, dots of webs before the sight, fever and dull pain in the head, deficiency of perspiration, yellowness of the skin and eyes, pain in the side, back, chest, limbs, &c., sudden flushes of heat, burning in the flesh, constant imaginings of evil and great depressions of spirits, and will positively prevent YELLOW FEVER, BILIOUS FEVER, &c.

The Proprietor in calling the attention of the public to this preparation, does so with a feeling of the utmost confidence in its virtues and adaptation to she diseases for which it is recommended.

It is no new and untried article, but one that has stood the test of a twelve years' trial before the American people, and its reputation and sale are unrivalled by any similar preparations extant. The testimony in its favor given by the most prominent and well known physicians and individuals in all parts of the country is immense, and a careful perusal of the Almanac, published annually by the proprietors, and to be had gratis of any of their Agents, cannot but satisfy the most skeptical that this remedy is really deserving the great celebrity it has obtained.

From J. Newton Brown, D. D., Editor of the Encyclopedia of Religious Knowledge.

Although not disposed to favor or recommend Patent Medicine in general, through distrust of their ingredients and effects, I yet know of no sufficient reason why a man may not testify to the benefit he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others.

I do this the more readily in regard to "Hoofland's German Bitters," prepared by C. M. Jackson, of this city, because I was prejudiced against them for years, under the impresssion that they were chiefly an alcoholic mixture. I am indebted to my friend Robert Shoemaker, Esq., for the removal of this prejudice by proper tests, and for encouragement to try them, when suffering from great and long continued debility. The use of three bottles of these Bitters, at the beginning of the present year, was followed by evident relief, and restoration to a degree of bodily and mental vigor which I had not felt for six months before, and had almost despaired of regaining.—I therefore thank God and my friend for directing me to the use of them.

J. NEWTON BROWN.

Philad'a, June 23, 1860.

These medicines are for sale by all respectable Druggists and dealers in medicines in the United States, Canadas, British Provinces, and West Indies, at 75 cents per bottle. Be sure and get the genuine, with the signature of C. M. Jackson on the wrapper of each bottle; *all others are counterfeit.* Principal Office and Manufactory, 131 Arch Street, Philadelphia, Pa.

DR. HURD'S *MOUTH WASH, TOOTH POWDER and TOOTHACHE DROPS* cannot be sent by mail, but they can probably be obtained at your Drug or Periodical Stores. If they cannot, send to us for the Dental Treasury,—Price, One Dollar, which contains them.

NOW, ARE

Dr. Herd's Preparations Good?

The best evidence that they are is, that their firmest friends and best patrons are those who have used them longest. Dr. William B. Hurd is an eminent Dentist of Brooklyn, Treasurer of the New York State Dentist's Association, and these preparations have been used in his private practice for years, and no leading citizens of Brooklyn or Williamsburg questions their excellence, while eminent Dentists of New York recommend them as the best known to the profession.—Without the aid of advertising, dealers have sold them by the gross.

The Editor of the *Brooklyn Daily Times* says:—"We are happy to know that our friend, Dr. Hurd, is succeeding beyond all expectations with his MOUTH WASH and TOOTH POWDER. The great secret of his success rests with the fact *that his articles are precisely what they are represented to be, as we can testify from their long use.*"

The well-known T. B. Barnum writes:—"I found your TOOTH POWDER so good that my family have used it all up. We find it the best Powder for Tenth that we ever used. I shall feel obliged if you will send me another supply at the Museum at your convenience, with bill."

But their cost is so small that every one may test the matter for himself.

BEWARE of the ordinary Tooth Powders.—Dr. Hurd's Tooth Powder contains no acid, nor alkali, nor charcoal, and polishes without wearing the enamel. Use no other.

What will Dr. Hurd's Remedies Effect?

Dr. Hurd's Mouth Wash and Tooth Powder give an additional charm to courtship, and make husbands more agreeable to their wives and wives to their husbands. They should be used by every person having

Artificial Teeth,

which are liable to impart a taint to the mouth.

FARMERS and MECHANICS! you cannot well afford to neglect your teeth. For a trifling sum, you can now get preservatives, than which Rothschild or Astor can get nothing better.—Remember that *Dyspepsia and Consumption of the Lungs* often originate in Neglect of Teeth.—Send for the *Treatise on Teeth*, and read Dr. Fitch's observations on this subject. If too late to arrest decay in your own teeth, save your children's teeth.

Neuralgia Plasters.

Dr. Hurd's Neuralgia Non-Adhesive Plasters are the most pleasant and successful remedies ever prescribed for this painful disease. The patient applies one, soon becomes drowsy, falls asleep, and awakes free from pain, and no blister or other unpleasant or injurious consequences ensue. For Earache and Nervous Headache, apply according to directions, and relief will surely follow. Nothing can be obtained equal to Dr. Hurd's Compress for Neuralgia. Try them. They are entirely a novel, curious, and original preparation, and wonderfully successful. They are of two sizes, one small, for the face, price 16 cents, and the other large, for application to the body, price 37 cents. *Will be mailed on receipt of price and one stamp.*

What are the People Doing?

The American people are intelligent enough to appreciate preparations that contribute so much to the happiness of those using them, and they want them. Every mail brings us letters, some ordering the Treatise on Teeth, some the Neuralgia Plasters, and not a few enclosing 37 cents for the Mouth Wash, to be sent by mail; but to these we are compelled to reply that it is impossible to send a half pint bottle by mail.—The people want these remedies. *Who will supply them?*

Now is the

CHANCE FOR AGENTS.

Shrewd agents can make a small fortune in carrying these articles around to families. The Dental Treasury is the neatest article that a man or woman can carry around. Send for one and see, or, better, a dozen which will sell, as samples, for $7. Agents supplied liberally with circulars. NOW is the time to go into the business, to do good, and make a profit. We are spending thousands for the benefit of agents.—New England men or women! here is something nice, and a chance to take the tide at its flood.—Address,
