Ayer's Sarsaparilla,

A compound remedy, in which we have labored to produce the most effectual alterative that can be made. It is a concentrated extract of Para Sarsaparilla, so combined with other substances of still greater alterative power as to afford an effective antidote for the diseases Sarsaparilla is reputed to cure. It is believed that such a remedy is wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove of immense service to this large class of our afflicted fellow-citizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found of the following complaints:—

SCROFULA AND SCROFULOUS COMPLAINTS, ERUPTIONS AND ERUPTIVE DISEASES, ULCERS, PIMPLES, BLOTCHES, TUMORS, SALT RHEUM, SCALD HEAD, SYPHILIS AND SYPHILITIC AFFECTIONS, MERCURIAL DISEASE, DROPSY, NEURALGIA OR TIC DOULOUREUX, DEBILITY, DYSPEPSIA AND INDIGESTION, ERYSIPELAS, ROSE OR ST. ANTHONY'S FIRE, and indeed the whole class of complaints arising from IMPURITY OF THE BLOOD.

This compound will be found a great promoter of health, when taken in the spring, to expel the foul humors which fester in the blood at that season of the year. By the timely expulsion of them many rankling disorders are nipped in the bud. Multitudes can, by the aid of this remedy, spare themselves from the endurance of foul eruptions and ulcerous sores, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the vitiated blood whenever you find its impurities bursting through the skin in pimples, eruptions, or sores; cleanse it when you find it is obstructed and sluggish in the veins; cleanse it whenever it is foul, and your feelings will tell you when. Even where no particular disorder is felt, people enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with this pabulum of life disordered, there can be no lasting health. Sooner or later something must go wrong, and the great machinery of life is disordered or overthrown.

Sarsaparilla has, and deserves much, the reputation of accomplishing these ends. But the world has been egregiously deceived by preparations of it, partly because the drug alone has not all the virtue that is claimed for it, but more because many preparations, pretending to be concentrated extracts of it, contain but little of the virtue of Sarsaparilla, or any thing else.

During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative properties whatever. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself is justly despised, and has become synonymous with imposition and cheat. Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. And we think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intended to cure. In order to secure their complete eradication from the system, the remedy should be judiciously taken according to directions on the bottle.

PREPARED BY
DR. J. C. AYER & CO.
LOWELL, MASS.
Price, $1 per Bottle; Six Bottles for $5.

Ayer's Cherry Pectoral

has won for itself such a renown for the cure of every variety of Throat and Lung Complaint, that it is entirely unnecessary for us to recount the evidence of its virtues, wherever it has been employed. As it has long been in constant use throughout this section, we need not do more than assure the people its quality is kept up to the best it ever has been, and that it may be relied on to do for their relief all it has ever been found to do.

Ayer's Cathartic Pills,

FOR THE CURE OF

Costiveness, Jaundice, Dyspepsia, Indigestion, Dysentery, Foul Stomach, Erysipelas, Headache, Piles, Rheumatism, Eruptions and Skin Diseases, Liver Complaint, Dropsy, Tetter, Tumors and Salt Rheum, Worms, Gout, Neuralgia, as a Dinner Pill, and for Purifying the Blood.

They are sugar-coated, so that the most sensitive can take them pleasantly, and they are the best aperient in the world for all the purposes of a family physic.

Price, 25 cents per Box; Five boxes for $1.00.

Great numbers of Clergymen, Physicians, Statesmen, and eminent personages, have lent their names to certify the unparalleled usefulness of these remedies, but our space here will not permit the insertion of them. The Agents below named furnish gratis our AMERICAN ALMANAC, in which they are given; with also full descriptions of the above complaints, and the treatment that should be followed for their cure.

Do not be put off by unprincipled dealers with other preparations they make more profit on. Demand AYER'S, and take no others. The sick want the best aid there is for them, and they should have it.

MARYLANDERS, RALLY!

VOLUNTEERS WANTED

FOR THE

1st Eastern Shore Regiment

OF

HOME GUARD.

I HAVE been authorized by the War Department at *Washington* to have enrolled and mustered into the service of the United States a Regiment of Infantry to act as a

HOME GUARD,

AND TO BE STATIONED ON THE
Eastern Shore of Maryland.

The purpose of the movement is to repel invasion, to preserve the peace and good order in our midst and to protect the rights of all, and aid in the enforcement of the laws.

As it has been asserted, with a view of defeating the movement, that the Administration intend ordering the troops away from home as soon as they are mustered in, I would remark that the Secretary of War expressly pledges that they "shall be stationed on the Eastern Shore of Maryland" and used only for "Home Protection." I state this fact for the benefit of those who are willing to do all they can for their country in its present peril, but whose circumstances are such as prevents their going abroad. The necessity of this movement must be apparent to every candid and considerate mind. We are already threatened by the enemies of the country. At any moment we are liable to have civil war in our midst. In times of Revolution no one can tell into what peril a single day may place us. It behooves us to prepare and be ready for any emergency, ere it be too late. It is high time that Marylanders were armed and prepared to protect themselves against adventuring Rebels.

The time of Enlistment will be three years, or until the end of the War.

A COMPANY

consists, when full, of one Captain, Two Lieutenants, One First Sergeant, Four Sergeants, Eight Corporals, Two Musicians, One Waggoner, and Eighty-two Privates.

Each Company will select its own officers, subject to the approval of the War Department.

The Company will be mustered into service as soon as it numbers Eighty-six men. But must afterwards be raised to One Hundred.

THE PAY

allowed for a Captain is Sixty dollars, four rations (or $36,00) per month and one servant.—Of First Lieutenant is Fifty dollars, four rations, per month and one servant. Of Second Lieutenant is Forty-five dollars, four rations per month, and one servant. Cadet, Twenty-four dollars per month. First Sergeant, Twenty dollars per month. Sergeant, Seventeen dollars per month. Corporal, Fifteen dollars per month.—Those officers who have no rations mentioned above in their pay, are allowed one ration, or nine dollars per month for board, and three dollars per month for clothing. The same allowances are also made to Privates.

Each soldier is entitled to a bounty of One Hundred dollars when discharged from service.

THE DISPOSITION OF THE TROOPS.

As many inquiries have been made concerning the disposition of the companies, I would remark that the Government pays each man for his full time, and assumes that he will give the whole of his time to the service. But it is the evident and written intention of the Government to afford security to the homes of us all. To accomplish this it would appear to be necessary to keep each company stationed in the neighborhood in which it was organized, as much as possible. Each company must be on muster every day. The whole force, it is contemplated, will be brought together at stated periods—say once in a month or oftener, as the exigency of the times and the public service may require. It is designated, I presume to let each company protect its own homes and neighborhood, in the main.

Such is the outline of the plan and its object. It will be modified as events and welfare of our people may demand. The details of the movement will be left to the commanding officer of the forces upon the Shore. For further particulars address, JAMES WALLACE,

Col. 1st Eastern Shore Regiment of Home Guard, Cambridge, Md. [sep 14-tf
