MIAMI, Fla. — If Lee Elder of Washington continue his pace, they may have to re - name the North - South Golf Tournament after him.

Elder won his third North-South pro title in the last four years in the event, Feb. 23 - 27, at the City of Miami Country Club.

Harvey Breaux (222) of Homestead, Fla. was best in the amateur division while Ann Gregory of Gary, Ind., successfully defended her women's title with a 279 mark.

ELDER, WHO previously triumphed in 1963 and '64, had a 54 - hole total of 213 to win by three strokes, compiling a one under par 70 on the final day.

On the opening day, Elder suffered a two - stroke penalty (to hike his score from a par 71 to 73) for an unintentional rule infraction. He started the final day tied for the lead but pulled away to win.

• • •

"WINTER RULES" (improving lie in the fairway) were invoked by tournament officials because of the sort near the green on hole number six, his action was After rolling his ball over condition of the fairways, challenged and a tournament official ruled against him.

"I thought it had to be fairway being the close to the green," Elder said.

BOB SHAVE, JR., the first-round leader, wound up tied for second with Sam Harvey, last year's PGA Club champion, at 216. James Black, who was tied with Elder going into the final round, was fourth.

Breaux's son, Jerry, was third in the amateur division.

Some 335 golfers participated in this 13th annual event and other activities connected with the tournament.

City recreation lot on Brunt St. okayed

The Board of Estimates gave approval Wednesday for funds to establish a recreation lot in the 2100 block of Brunt St., on a vacant tract previously privately owned.

The board okayed the creation of a fund of $12,000 by the Bureau of Recreation for the necessary improvements of the property.

Alfred L. Cottrill, assistant superintendent, told the AFRO the agency hopes to have the recreation lot ready for operation by early summer.

The Robert Brown Elliott Elementary School is in the area at Carey and School Sts.

In a communication to the Board of Estimates requesting the funds, John G. Williams, superintendent of recreation said the playlot would be "in an extremely needed area of the city."

The board also approved a proposed ordinance for the construction of a community building at 730-40 George St. as part of the George Murphy Homes project.

Brookfield group gives $116 to new cage team

"We are happy to help the boys in our neighborhood," said Mrs. Gladys Tyler, president of the Brookfield Neighborhood Association, 2215 Linden Ave., when she presented $116 to the Junior Crusader basketball team for the purchase of basketball uniforms.

Co-captains, Larry Chappell and Edward Welch, accepted the cash gift for the team which was organized under the auspices of the Bureau of Recreation Street Club Worker Service.

Mrs Tyler said that the Association is developing a program to help youths and young people in the neighborhood and that the funds donated to the Junior Crusaders is an initial effort for the project.

The money was raised partly through a rummage sale organized by Mrs. Izola Griffin and Mrs. Mary L. Evans. Money was also channeled through the association's banking committee, which is headed by Mrs. Pearl Butler and Almac Cutler.

MEMBERS OF the Junior Crusaders are Larry Chappell, Edward Welch, Winston Michael Shaw, James Smith, Rarlin McDuffy, Henry Smith, Caroline Fisher, Dean Barksdale, Milton Toliver and Roger McFadiin. Walter R. Dean, Street Club worker, is manager.

Funds for the Street Club Worker Service are provided, in part, by the Office of Economic Opportunity under the Economic Opportunity Act of 1964.

Plymouth wins Daytona "500".

Richard Petty takes 1st... repeats his smashing '64 win.

Plymouth roared to a convincing victory in the Daytona, Florida, "500" on Sunday, February 27, in the banner event of the 1966 NASCAR Grand National racing season.

The winner was a specially equipped Plymouth Belvedere, powered with a 405-cubic-inch version of Plymouth's famous "Hemi" V-8 engine.

We're not advocating that you rush right down to your Plymouth Dealer's and buy one of these cars. You couldn't, even if you tried. This Daytona winner was specially prepared just for racing and racing alone.

But we would like to remind you that the engineering know-how that made Plymouth's racing "Hemi" so great goes into every '66 Plymouth you can buy off your Plymouth Dealer's showroom floor.

Test-drive a new Plymouth at your Plymouth Dealer's today.

There are four kinds for you to choose from—Fury, Belvedere, Valiant, Barracuda—58 models in all. With Plymouth's quality engineering and beautiful styling, it's no wonder sales have more than doubled in the last three years. Isn't it time you let yourself go Plymouth, today?
