To the Farmers of Maryland.

THE undersigned having reason to believe that certain commission merchants of Baltimore are using old orders of Farmers, exempting their grain from inspection under the law prior to the late amendment, for the purpose of withdrawing it from Inspection or Weighing under the amended law, contrary to the interest and the intention of the Farmers.

I respectfully suggest to the Farmers that the amended law being for their protection, and reducing the fee for Weighing and Inspection to one quarter of a cent per bushel, the amount heretofore charged by the unofficial weighers, it is advisable that they revoke the old orders, written before the amendment, as the best way to prevent their being deprived of the benefit of the law so essential to their security, by commission merchants disposed to embarrass its execution.

B. F. MAY,
Inspector General of Grain.

CIRCULAR
TO THE FARMERS OF MARYLAND.

WE, the undersigned, State Inspectors of Grain for the City of Baltimore, having entered upon the duties of our office, respectfully beg leave to submit to the special consideration of the Farmers generally, this our Circular, showing the advantages to be derived by them in submitting their Grain for sale under the provisions of the Law regulating the Weighing, Inspecting and Measuring of Grain sold in the City of Baltimore.

By ordering Grain inspected, the Farmers will have the advantage of the inspection gratis; have their Grain weighed and measured by sworn officers, who will be entirely independent and impartial, and pay no more for the whole than they usually do for weighing and measuring Grain when those duties are performed by parties (who are not sworn) provided by the purchaser.

In addition, if Grain is refused to be taken by the buyer, under the law, and for any cause it is rejected, ample provision is made to test the validity of his conduct.

If the value of the rejected Grain be less than $100, the case is to be tried in five days, before a Justice of the Peace, and if it exceed that amount, it shall be tried at the first term of the Court of Common Pleas, or the Superior Court of Baltimore City, and in either event the seller, if successful, shall recover double the damage sustained, with the addition of ten per cent for delay.

If Grain should not be inspected all these generous provisions are lost to the Farmer, and he is left to pursue the ordinary dilatory proceedings of Courts and Justices.

The Inspectors will make no Additional Charge for Inspecting Grain,

Their only charges will be ¼ per cent for Weighing, and ¼ per cent for Measuring; the cost of weighing, by the recent Act, is chargeable to the purchaser. Should the Farmer desire to waive the Inspection, as provided for under the Law, he can have us (and we claim the right) to weigh and measure his Grain.

But to promote the general interests of the Farmer, and to sustain a law so long desired by the people of the State, we respectfully ask that you direct the Captain who carries, or Agent who sells, to submit all Grain sold for you, to the Inspection Law.

We remain, with highest considerations of respect, your, &c.,

BENJ. F. MAY, Inspector General.

DR. HURD'S *MOUTH WASH, TOOTH POWDER and TOOTHACHE DROPS* cannot be sent by mail, but they can probably be obtained at your Drug or Periodical Stores. If they cannot, send to us for the Dental Treasury,—Price, One Dollar, which contains them.

NOW, ARE
Dr. Herd's Preparations Good?

The best evidence that they are is, that their firmest friends and best patrons are those who have used them longest. Dr. William B. Hurd is an eminent Dentist of Brooklyn, Treasurer of the New York State Dentist's Association, and these preparations have been used in his private practice for years, and no leading citizens of Brooklyn or Williamsburg questions their excellence, while eminent Dentists of New York recommend them as the best known to the profession.—Without the aid of advertising, dealers have sold them by the gross.

The Editor of the *Brooklyn Daily Times* says:—"We are happy to know that our friend, Dr. Hurd, is succeeding beyond all expectations with his MOUTH WASH and TOOTH POWDER. The great secret of his success rests with the fact *that his articles are precisely what they are represented to be, as we can testify from their long use.*"

The well-known T. B. Barnum writes:—"I found your TOOTH POWDER so good that my family have used it all up. We find it the best Powder for Tenth that we ever used. I shall feel obliged if you will send me another supply at the Museum at your convenience, with bill."

But their cost is so small that every one may test the matter for himself.

BEWARE of the ordinary Tooth Powders.—Dr. Hurd's Tooth Powder contains no acid, nor alkali, nor charcoal, and polishes without wearing the enamel. Use no other.

What will Dr. Hurd's Remedies Effect?

Dr. Hurd's Mouth Wash and Tooth Powder will give young Ladies that finest charm in woman—a sweet breath and pearly teeth. Try them, ladies.

Dr. Hurd's Mouth Wash and Tooth Powder will cleanse the mouth from all foul exhalations, and if used in the morning, will make the breakfast taste sweeter and the day begin more pleasantly. Hundreds of persons can testify to this. Try them, gentlemen.

Dr. Hurd's Mouth Wash and Tooth Powder are the best preparations in the world and for curing Bad Breath and giving firmness and health to the gums. Hundreds of cases of Diseased Bleeding Gums, Sore Mouth, Canker, etc., have been cured by Dr. Hurd's astringent wash.

Dr. Hurd's Mouth Wash and Tooth Powder give an additional charm to courtship, and make husbands more agreeable to their wives and wives to their husbands. They should be used by every person having

Artificial Teeth,

which are liable to impart a taint to the mouth.

Dr. Hurd's Toothache Drops cure Toothache arising from exposed nerves, and are the best friends that parents can have in the house to save their children from torture and themselves from loss of sleep and sympathetic suffering.

FARMERS and MECHANICS! you cannot well afford to neglect your teeth. For a trifling sum, you can now get preservatives, than which Rothschild or Astor can get nothing better.—Remember that *Dyspepsia and Consumption of the Lungs* often originate in Neglect of Teeth.—Send for the *Treatise on Teeth*, and read Dr. Fitch's observations on this subject. If too late to arrest decay in your own teeth, save your children's teeth.

Neuralgia Plasters.

Dr. Hurd's Neuralgia Non-Adhesive Plasters are the most pleasant and successful remedies ever prescribed for this painful disease. The patient applies one, soon becomes drowsy, falls asleep, and awakes free from pain, and no blister or other unpleasant or injurious consequences ensue. For Earache and Nervous Headache, apply according to directions, and relief will surely follow. Nothing can be obtained equal to Dr. Hurd's Compress for Neuralgia. Try them. They are entirely a novel, curious, and original preparation, and wonderfully successful. They are of two sizes, one small, for the face, price 16 cents, and the other large, for application to the body, price 37 cents. *Will be mailed on receipt of price and one stamp.*

What are the People Doing?

The American people are intelligent enough to appreciate preparations that contribute so much to the happiness of those using them, and they want them. Every mail brings us letters, some ordering the Treatise on Teeth, some the Neuralgia Plasters, and not a few enclosing 37 cents for the Mouth Wash, to be sent by mail; but to these we are compelled to reply that it is impossible to send a half pint bottle by mail.—The people want these remedies. *Who will supply them?*

Now is the

CHANCE FOR AGENTS.

Shrewd agents can make a small fortune in carrying these articles around to families. The Dental Treasury is the neatest article that a man or woman can carry around. Send for one and see, or, better, a dozen which will sell, as samples, for $7. Agents supplied liberally with circulars. NOW is the time to go into the business, to do good, and make a profit. We are spending thousands for the benefit of agents.—New England men or women! here is something nice, and a chance to take the tide at its flood.—Address,
