GODEY'S LADY'S BOOK

FOR 1863.

Great Literary and Pictorial Year!

The publisher of Godey's Lady's Book, thankful to that public which has enabled him to publish a magazine for the last *thirty-three* years of a larger circulation than any in America, has made an arrangement with the most popular authoress in this country—

MARION HARLAND,

Authoress of "Alone," "Hidden Path," "Moss Side," "Nemesis," and "Miriam,"

who will furnish a story for every number of the Lady's Book for 1863. This alone will place the Lady's Book in a literary point of view far ahead of any other magazine. Marion Harland writes for no other publication. Our other favorite writers will all continue to furnish articles throughout the year.

THE BEST

Lady's Magazine in the World, and the Cheapest.

THE LITERATURE

is of that kind that can be read aloud in the family circle, and the clergy in immense numbers are subscribers for the Book.

THE MUSIC

is all orignal, and would cost 25 cents (the price of the Book) in the music stores; but most of it is copyrighted, and cannot be obtained except in "Godey."

OUR STEEL ENGRAVINGS.

All efforts to rival us in this have ceased, as we now stand alone in this department, giving, as we do, many more and infinitely better engravings than are published in any other work.

GODEY'S

Immense Double Sheet Fashion Plates.

CONTAINING

From five to seven full length Colored Fashions on each plate. Other Magazines give only two. FAR AHEAD OF ANY FASHIONS IN EUROPE OR AMERICA.

Godey's is the only work in the world that gives these immense plates, and they are such as to have excited the wonder of publishers and the public. The publication of these plates cost

$10,000 MORE

than Fashion-plates of the old style, and nothing but our wonderfully large circulation enables us to give them. Other magazines cannot afford it. We never spare money when the public can be benefitted.

These fashions may be relied on. Dresses may be made after them, and the wearer will not subject herself to ridicule, as would be the case if she visited the large cities dressed after the style of the plates given in some of our so-called fashion magazines.

OUR WOOD ENGRAVINGS,

of which we give twice or three times as many as any other magazine, are often mistaken for steel. They are so far superior to any others.

IMITATIONS.

Beware of them. Remember that the Ladys' Book is the original publication and the cheapest. If you take Godey, you want no other magazine.

Everything that is useful or ornamental in a house can be found in Godey.

DRAWING LESSONS.

No other magazine gives them, and we have given enough to fill several large volumes.

OUR RECEIPTS

are such as can be found nowhere else. Cooking in all its variety—Confectionery—the Nursery—the Toilet—the Laundry—the Kitchen.—Receipts upon all subjects are to be found in the pages of the Lady's Book. We originally started this department, and have peculiar feelings for making it most perfect. This department alone is worth the price of the Book.

LADIES' WORK TABLE.

This department comprises engravings and descriptions of every article that a lady wears.

MODEL COTAGES.

No other magazine has this department.

Terms, Cash in Advance.

One copy one year, $3. Two copies one year, $5. Three copies one year, $6. Four copies one year $7.

Five copies one year, and an extra copy to the person sending the club, $10.

Eight copies one year, and an extra copy to the person sending the club, $15.

Eleven copies one year, and an extra copy to the person sending the club, $20.

And the *only* magazine that can be introduced into the above clubs in place of the Lady's Book is Arthur's Home Magazine.

Special Clubbing With Other Magazines.

Godey's Lady's Book and Arthur's Home Magazine both one year for $3 50.

Godey's Lady's Book and Harper's Magazine both one year for $4 50.

Godey, Harper, and Arthur will all three be sent one year, on receipt of $6 00.

Treasury Notes and Notes of all solvent banks taken at par.

Be careful and pay the postage on your letter.
