DR. HOOFLAND'S
BALSAMIC CORDIAL,

FOR THE SPEEDY CURE OF

Coughs,
Colds, Influenza,
Croup, Hoarseness, Bronchitis,
Pneumonia, Disease of the Bowels,
arising from Cold, Incipient Consumption, and for the relief and (if at all possible) cure of Patients in advanced stages of the latter disease.

The Balsamic Cordial is entirely a Vegetable production, combining the healing properties of the Balsam, with the invigorating qualities of a Cordial, producing a combination so well adapted to the purposes intended, that there are but few cases of disease which will not, at an early period, succumb to its healing and life giving properties.

For ages, has the treatment of pulmonary diseases occupied the greater portion of the attention of the scientific of the medical world, but none acquired more eminence in his treatment of these diseases, than the celebrated Prussian Dr. Hoofland, the originator of the Balsamic Cordial. His life was devoted to the production of remedies that would stand unrivalled. How well he has succeeded, the American people are able to judge; and we positively assert, that no preparations that have ever been placed before them, have conferred the same amount of benefits on suffering humanity, or have elicited so many commendations from all classes of society as the remedies of Dr. Hoofland, prepared by Dr. C. M. Jackson & Co., of Philadelphia.

The Cordial is designed for a class of disease more general and more fatal than any other to which the people of this country are subject—those springing from a "*slight cold.*" That eminent authority, Dr. Bell, says: "I will not say that Colds are to our inhabitants what the *Plague* and *Yellow Fever* are to those of other countries but I can aver confidently that they usher in disease of greater complicity and mortality than these latter."

Read what the eminent Glass Manufacturer, Jno. M. Whitcall, says of the Balsamic Cordial.

DR. C. M. JACKSON—Respected Friend: Having for a long time been acquainted with the virtues of the Balsamic Cordial in Coughs, Colds Inflamation of the lounge, &c., I thus freely bear testimony to its efficacy. For several years I have never been without it in my family. It also gives me pleasure to state that I have used it with entire success in the treatment of Bowel Complaints. JOHN M. WHITALL.

Race Street, above 4th, Philadelphia.

Entirely Vegetable.
No Alcoholic Preparation.

DR. HOOFLAND'S
CELEBRATED
German Bitters.

PREPARED BY
Dr. C. M. Jackson & Co., Philad., Pa.
Will effectually cure
Liver Complaint, Dyspepsia, Jaundice,
Chronic or Nervous Debility, Diseases of the Kidneys, and all diseases arising from a disordered Liver or Stomach.

Such as a Constipation, Inward Piles, Fullness or Blood to the head. Acidity of the Stomach, Nausea, Heartburn, Disgust for Food, Fullness or Weight in the stomach, Sour Eructations, Sinking or Fluttering at the Pit of the Stomach, Swimming of the Head, Hurried and Difficult Breathing, fluttering at the heart, choking or suffocating sensations when in a lying posture, dimness of vision, dots of webs before the sight, fever and dull pain in the head, deficiency of perspiration, yellowness of the skin and eyes, pain in the side, back, chest, limbs, &c., sudden flushes of heat, burning in the flesh, constant imaginings of evil and great depressions of spirits, and will positively prevent YELLOW FEVER, BILIOUS FEVER, &c.

The Proprietor in calling the attention of the public to this preparation, does so with a feeling of the utmost confidence in its virtues and adaptation to the diseases for which it is recommended.

It is no new and untried article, but one that has stood the test of a twelve years' trial before the American people, and its reputation and sale are unrivalled by any similar preparations extant. The testimony in its favor given by the most prominent and well known physicians and individuals in all parts of the country is immense, and a careful perusal of the Almanac, published annually by the proprietors, and to be had gratis of any of their Agents, cannot but satisfy the most skeptical that this remedy is really deserving the great celebrity it has obtained.

From J. Newton Brown, D. D., Editor of the Encyclopedia of Religious Knowledge.

Although not disposed to favor or recommend Patent Medicine in general, through distrust of their ingredients and effects, I yet know of no sufficient reason why a man may not testify to the benefit he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others.

I do this the more readily in regard to "Hoofland's German Bitters," prepared by C. M. Jackson, of this city, because I was prejudiced against them for years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend Robert Shoemaker, Esq., for the removal of this prejudice by proper tests, and for encouragement to try them, when suffering from great and long continued debility. The use of three bottles of these Bitters, at the beginning of the present year, was followed by evident relief, and restoration to a degree of bodily and mental vigor which I had not felt for six months before, and had almost despaired of regaining.—I therefore thank God and my friend for directing me to the use of them.

J. NEWTON BROWN.

Philad'a, June 23, 1859.

These medicines are for sale by all respectable Druggists and dealers in medicines in the United States, Canadas, British Provinces, and West Indies, at 75 cents per bottle. Be sure and get the genuine, with the signature of C. M. Jackson on the wrapper of each bottle; *all others are counterfeit.* Principal Office and Manufactory, 131 Arch Street, Philadelphia, Pa.

DR. HURD'S *MOUTH WASH, TOOHT POWDER and TOOTHACHE DROPS* cannot be sent by mail, but they can probably be obtained at your Drug or Periodical Stores. If they cannot, send to us for the Dental Treasury.—Price, One Dollar, which contains them.

NOW, ARE
Dr. Herd's Preparations Good?

The best evidence that they are is, that their firmest friends and best patrons are those who have used them longest. Dr. William B. Hurd is an eminent Dentist of Brooklyn, Treasurer of the New York State Dentist's Association, and these preparations have been used in his private practice for years, and no leading citizens of Brooklyn or Williamsburg questions their excellence, while eminent Dentists of New York recommend them as the best known to the profession.—Without the aid of advertising, dealers have sold them by the gross.

The Editor of the *Brooklyn Daily Times* says:—"We are happy to know that our friend, Dr. Hurd, is succeeding beyond all expectations with his MOUTH WASH and TOOTH POWDER. The great secret of his success rests with the fact *that his articles are precisely what they are represented to be, as we can testify from their long use.*"

The well-known T. B. Barnum writes:—"I found your TOOTH POWDER so good that my family have used it all up. We find it the best Powder for Teeth that we ever used. I shall feel obliged if you will send me another supply at the Museum at your convenience, with bill."

But their cost is so small that every one may test the matter for himself.

BEWARE of the ordinary Tooth Powders.—Dr. Hurd's Tooth Powder contains no acid, nor alkali, nor charcoal, and polishes without wearing the enamel. Use no other.

What will Dr. Hurd's Remedies Effect?

Dr. Hurd's Mouth Wash and Tooth Powder will give young Ladies that finest charm in woman—a sweet breath and pearly teeth. Try them, ladies.

Dr. Hurd's Mouth Wash and Tooth Powder will cleanse the mouth from all foul exhalations, and if used in the morning, will make the breakfast taste sweeter and the day begin more pleasantly. Hundreds of persons can testify to this. Try them, gentlemen.

Dr. Hurd's Mouth Wash and Tooth Powder are the best preparations in the world and for curing Bad Breath and giving firmness and health to the gums. Hundreds of cases of Diseased Bleeding Gums, Sore Mouth, Canker, etc., have been cured by Dr. Hurd's astringent wash.

Dr. Hurd's Mouth Wash and Tooth Powder give an additional charm to courtship, and make husbands more agreeable to their wives and wives to their husbands. They should be used by every person having

Artificial Teeth,

which are liable to impart a taint to the mouth.

Dr. Hurd's Toothache Drops cure Toothache arising from exposed nerves, and are the best friends that parents can have in the house to save their children from torture and themselves from loss of sleep and sympathetic suffering.

FARMERS and MECHANICS! you cannot will afford to neglect your teeth. For a trifling sum, you can now get preservatives, than which Rothschild or Astor can get nothing better.—Remember that *Dyspepsia and Consumption of the Lungs* often originate in Neglect of Teeth.—Send for the *Treatise on Teeth*, and read Dr. Fitch's observations on this subject. It too late to arrest decay in your own teeth, save your children's teeth.

Neuralgia Plasters.

Dr. Hurd's Neuralgia Non-Adhesive Plasters are the most pleasant and successful remedies ever prescribed for this painful disease. The patient applies one, soon becomes drowsy, falls asleep, and awakes free from pain, and no blister or other unpleasant or injurious consequences ensue. For Earache and Nervous Headache, apply according to directions, and relief will surely follow. Nothing can be obtained equal to Dr. Hurd's Compress for Neuralgia. Try them. They are entirely a novel, curious, and original preparation, and wonderfully successful. They are of two sizes, one small, for the face, price 16 cents, and the other large, for application to the body, price 37 cents. *Will be mailed on receipt of price and one stamp.*

What are the People Doing?

The American people are intelligent enough to appreciate preparations that contribute so much to the happiness of those using them, and they want them. Every mail brings us letters, some ordering the Treatise on Teeth, some the Neuralgia Plasters, and not a few enclosing 37 cents for the Mouth Wash, to be sent by mail; but to these we are compelled to reply that it is impossible to send a half pint bottle by mail.—The people want these remedies. *Who will supply them?*

Now is the
CHANCE FOR AGENTS.

Shrewd agents can make a small fortune in carrying these articles around to families. The Dental Treasury is the neatest article that a man or woman can carry around. Send for one and see, or, better, a dozen which will sell, as samples, for $7. Agents supplied liberally with circulars. NOW is the time to go into the business, to do good, and make a profit. We are spending thousands for the benefit of agents.—New England men or women! here is something nice, and a chance to take the tide at its flood.—Address,

PHILEMON FLOYD.

To the Farmers of Maryland.

THE undersigned having reason to believe that certain commission merchants of Baltimore are using old orders of Farmers, exempting their grain from inspection under the law prior to the late amendment, for the purpose of withdrawing it from Inspection or Weighing under the amended law, contrary to the interest and the intention of the Farmers.

I respectfully suggest to the Farmers that the amended law being for their protection, and reducing the fee for Weighing and Inspection to one quarter of a cent per bushel, the amount heretofore charged by the unofficial weighers, it is advisable that they revoke the old orders, written before the amendment, as the best way to prevent their being deprived of the benefit of the law so essential to their security, by commission merchants disposed to embarrass its execution.

B. F. MAY,
Inspector General of Grain.

CIRCULAR
TO THE FARMERS OF MARYLAND.

WE, the undersigned, State Inspectors of Grain for the City of Baltimore, having entered upon the duties of our office, respectfully beg leave to submit to the special consideration of the Farmers generally, this our Circular, showing the advantages to be derived by them in submitting their Grain for sale under the provisions of the Law regulating the Weighing, Inspecting and Measuring of Grain sold in the City of Baltimore.

By ordering Grain inspected, the Farmers will have the advantage of the inspection gratis; have their Grain weighed and measured by sworn officers, who will be entirely independent and impartial, and pay no more for the whole than they usually do for weighing and measuring Grain when those duties are performed by parties (who are not sworn) provided by the purchaser.

In addition, if Grain is refused to be taken by the buyer, under the law, and for any cause it is rejected, ample provision is made to test the validity of his conduct.

If the value of the rejected Grain be less than $100, the case is to be tried in five days, before a Justice of the Peace, and if it exceed that amount, it shall be tried at the first term of the Court of Common Pleas, or the Superior Court of Baltimore City, and in either event the seller, if successful, shall recover double the damage sustained, with the addition of ten per cent for delay.

If Grain should not be inspected all these generous provisions are lost to the Farmer, and he is left to pursue the ordinary dilatory proceedings of Courts and Justices.

The Inspectors will make no Additional Charge for Inspecting Grain.

Their only charges will be ¼ per cent for Weighing, and ¼ per cent for Measuring; the cost of weighing, by the recent Act, is chargeable to the purchaser. Should the Farmer desire to witness the Inspection, as provided for under the Law, he can have us (and we claim the right) to weigh and measure his Grain.

But to promote the general interests of the Farmer, and to sustain a law so long desired by the people of the State, we respectfully ask that you direct the Captain who carries, or Agent who sells, to submit all Grain sold for you, to the Inspection Law.

We remain, with highest considerations of respect, your, &c.,

BENJ. F. MAY, Inspector General.
