'Atlanta' Braves is the same team, but coach sees new day

By SAM LACY

MIAMI — Hank Bauer included, there is no bigger optimist in Florida than Bobby Bragan, manager of the Atlanta (nee Milwaukee) Braves.

"We're going to win it," says Bragan with no apparent fear of putting himself in the hot seat should his club fail to capture the 1966 National League pennant.

"EVERYBODY'S healthy, with no aches and pains. That's what I was hoping for through this initial phase of conditioning.

"Our guys have been throwing good and the hitting is coming around. We've got the winning attitude this spring. I know I have."

YES, BUT weren't the Braves considered to be one-two with San Francisco as pennant contenders last year? And isn't this basically the same team that finished 11 games behind the Dodgers last October?

"Sure we were," Bragan declares, "and we are pretty much the same club. But we're going to be different on the field.

"IF YOU'RE familiar with last year, you know we lost 21 games by one run, 22 by two runs. That's 43 games, more than half of all our (76) losses.

"We had four guys in our starting eight who didn't know what a bunt sign was. (Hank) Aaron never saw one; (Eddie) Mathews never saw one. Neither did (Joe) Torre nor (Rico) Carty.

"This year everybody moves a man up, everybody bunts when the occasion demands. We're gonna cut down on some of those one - run and two run losses. We're gonna try to win a few ourselves."

WHAT HAS been done to correct the bullpen deficiencies that plagued Bragan in 1965? And what about the condition of Rico Carty, upon whom the Braves seemed to depend so much last year, only to have him hurt most of the season?

"I'm sure we'll be okay in relief. We've got a couple of hard - throwing kids I think will help us.

"Dick Kelley, a 25 - year - old lefty who was 11-2 with a 2.08 at Atlanta, is one. Ken Nixon, who's just 22, won 19 at Austin with 13 strikeouts. He's another.

"BUT THE most cheerful thing in connection with our pitching," Bobby adds, "is the way Denny Lemaster is throwing. Everyone knows he's better than 7-13, where he finished last year.

Arm miseries had him down. Today he's throwing as hard as I've ever seen him throw.

"Carty? He's well again. And Rico's the second best hitter on this club, behind Aaron.

"Oh, we're ready."

Marichal inks $70,000 pact, rejoins Giants

LONG BEACH, Calif. (UPI) — Holdout pitcher Juan Marichal and the San Francisco Giants this week agreed on terms for a new contract.

The agreement was announced by Giants Vice President Charles Feeney who said it was negotiated by telephone from the Dominican Republic where Marichal lives. The pitcher will join the Giants today (Friday) in Phoenix, Ariz.

A Giants spokesman said Marichal, whose last year's record was 23 - 13, had asked for a salary of $80,000 - $20,000 more than he received a year ago. He said a compromise agreement will give him slightly over $70,000 this year.

MARICHAL'S signing left the Giants with one more holdout — pitcher Bob Shaw who is asking for a $50,000 contract.

Marichal led National League pitchers in 1965 with 10 shutouts and posted the circuit's second lowest earned run average — 2.14 compared to Sandy Koufax's 2.04.

He had a 19 - 9 record in 1964 when he became involved in a bat - swinging incident with the Dodgers' John Roseboro and was slapped with a league record fine of $1,700. When he came back in September, Marichal lost some of his effectiveness and won just three of his last seven decisions.

Chamberlain could make NBA the NCA

NEW YORK (UPI) —Maybe the name should be changed from National Basketball Association to National Chamberlain Association.

Wilt Chamberlain, the towering Philadelphia ace who has already won the NBA's MVP award and helped the 76ers break Boston's nine - year reign as Eastern Division champion, picked up more laurels when the final statistics for the regular season were released Thursday.

CHAMBERLAIN, whose name is already in the NBA record book more than a thousand times, set five league records while enjoying his finest season as a pro.

He led the NBA in scoring with a 33.5 average and also was No. 1 in field goal accuracy with a .540 percentage and in rebounding with a 24.6 average per game.

HIS FIELD goal percentage topped his own league mark of .528. Johnny Green of Baltimore also beat the old record by hitting .536.

Chamberlain's other four league records were for most consecutive games without being disqualified on personal fouls (543); most seasons with over 2,000 points scored (7); most consecutive seasons as leading scorer (7); most consecutive seasons as leading scorer (7) and all - time NBA career scoring champ (21,486) in seven seasons).

THE 76ERS were mired in third place in the Eastern Division before Chamberlain was traded to Philadelphia by the San Francisco Warriors midway through last season.

Although the 76ers still finished third in the regular standings, chamberlain led them to a victory over second - place Cincinnati in the playoffs.

Talent-laden field set for Bowie meet

BOWIE, Md. —Racing at Bowie Race Course begins on Monday for 39 days of racing Good Friday, April 8) and continuing through April 30.

Although spring racing at Bowie has not been conducted since 1956, indications point to a successful season according to John F. Loome, general manager, who singles out the continued growth of Maryland racing as a prime factor.

WHEATLEY STABLE and Ogden Phipps color bearers will play a strong role in three of five stakes to be added during the meeting.

Trainer Eddie Neloy pulled out all the stops in naming nine candidates for the three richest events to be contested at the Southern Maryland track.

Neloy who garnered all the laurels at Hialeah this winter has concentrated the strength of his stable in the $100,000 added Governor's Gold Cup in which he nominated five candidates — Buckpasser, Impressive, Bold and Brave, Stupendous and Poker.

The Gold Cup for 3-year-olds at one mile and one sixteenth on April 23 will conflict with the Wood at Aqueduct and it is apparent that Neloy will take a shot at both events leading to the Kentucky Derby.

Jazzman recovers

NEW YORK (NPI) — Jazz trumpeter Miles Davis was reported to be recovering from an operation that turned out not to be as serious as was thought. Davis was expected to be fully recovered by March 21, when he is to appear at the Showboat Jazz theatre. He underwent surgery to remove nodules from his vocal cords.

This is the most expensively made Bourbon in Kentucky... and probably in the world.

(And this is true of both Fitzgeralds, Bonded and 86.8 proof Prime Straight)

How can we say this?

Years back, leading Kentucky distillers were asked to report their costs to our State. Final figures revealed our Fitzgerald Bourbon to be the most expensively made—by a Bluegrass mile.

Year after year, the story has never changed. (Probably because in 116 years we've never changed, sticking to the painstaking demands of our original Sour Mash recipe.)

You'll find OLD FITZ priced among premium Bourbons—but not way above them. Have just one taste. Just a taste is all we ask... it's all we've ever needed.
