DR. HOOFLAND'S

GERMAN BITTERS,

PREPARED BY

DR. C. M. JACKSON, Phila'd, Pa.

WILL effectually cure Liver complaints, Dyspepsia; Jaundice, Cronic or Nervous Debility, Disease of the Kidneys, and all diseases arising from a disordered liver or stomach, such as constipation, inward piles, fullness or blood to the head, acidity of the stomach, nausea, heartburn, disgust for food, fullness or weight in the stomach, sour eructations, sinking or fluttering at the pit of the stomach, swimming of the head, hurried and difficult breathing, fluttering at the heart, choking or suffocating sensations when in a lying posture, dimness of vission, dots or webs before the sight, fever and pull pain in the head, deficiency of perspiration, yellowness of the skin and eyes, pain in the side, back, chest limbs, &c., sudden flushes of heat, burning in the flesh, constant imaginings of evil, and great depression of spirits. And will positively prevent yellow fever, bilious fever, &c., they contain no Alcohol or Bad Whiskey! They will cure the above diseases in ninety-nine cases out of a hundred.

Induced by the extensive sale and universal popularity of Hoofland's German Bitters, [purely vegetable,] hosts of ignorant Quacks and unscrupulous adventurers, have opened upon suffering humanity the flood gates of Nostrums in the shape of poor whiskey, vilely compounded with injurious drugs; and christened Tonics, Stomachics and Bitters.

Beware of the innumerable array of Alcoholic preparations in plethoric bottles and big bellied kegs, under the modest appellation of Bitters which instead of carring, only aggravate disease, and leave the disappointed sufferer in despair.

HOOFLAND'S GERMAN BITTERS!

Are not a new and untried article, but have stood the test of fifteen years trial by the American public; and their reputation and sale are not rivalled by any similar preparation.

The propietors have thousands of letters from the most eminent Clergymen, Lawyers, physicians and Citizens, testifying of their own personal knowledge, to the beneficial effects and medical virtues of these Bitters.

Do you want something to strengthen you?
Do you want a good appetite?
Do you want to build up your constitution?
Do you want to feel well?
Do you want to get rid of nervousness?
Do you want energy?
Do you want to sleep well?
Do you want a brisk and vigorous feeling?
If you do, use HOOFLAND'S GERMAN BITTERS.

ATTENTION SOLDIERS,
AND THE FRIENDS OF SOLDIERS.

We call the attention of all having relations or friends in the army to the fact that "Hoofland's German Bitters" will cure nine-tenths of the diseases induced by exposure and privations incident to camp life. In the lists, published almost daily in the newspapers, on the arrival of the sick, it will be noticed that a very large proportion are suffering from debility. Every case of that kind can be readily cured by Hoofland's German Bitters. Diseases resulting from disorders of the digestive organs are speedily removed. We have no hesitation in stating that, if these Bitters were frequently used among our soldiers, hundreds of lives might be saved that otherwise will be lost.

We call particular attention to the following remarkable and well authenticated cure of one of the nation's heroes, whose life to use his own language, has been saved by the Bitters:"

PHILADELPHIA, August 23rd, 1862

Messrs Jones & Evans:—Well, gentlemen, your Hoofland's German Bitters has saved my life. There is no mistake in this. It is vouched for by numbers of my comrades, some of whose names are appended, and who were fully cognizant of all the circumstances of my case.—I am, and have been for the last four years, a member of Sherman's celebrated battery, and under the immediate command of Capt. R. B. Ayres. Through the exposure attendant upon my arduous duties, I was attacked in November last with inflamation of the lungs, and was for seventy days in the hospital. This was followed by great debility, heightened by an attack of dysentery. I was then removed from the White House, and sent to this city on board the Steamer "State of Maine," from which I landed on the 29th of June, Since that time I have been about as low as any one could be and still retain a spark of vitality. For a week or more I was scarcely able to swallow anything, and if I did force a morsel down, it was immediately thrown up again.

I could not even keep a glass of water on my stomach. Life could not last under these circumstances; and, accordingly, the physicians who had been working faithfully, though unsuccessfully, to rescue me from the grasp of the dread Archer, frankly told me they could do no more for me, and advised me to see a clergyman, and to make such disposition of my limited funds as best suited me. An acquaintance who visited me at the hospital, Mr. Frederick Steinbron, of Sixth below Arch street, advised me as a forlorn hope, to try your Bitters, and kindly procure a bottle. From the time I commenced taking them the gloomy shadow of death receded, and I am now, thank God for it, getting better. Though I have taken but two bottles, I have gained ten pounds, and I feel sanguine of being permitted to rejoin my wife and daughter, from whom I have heard nothing for eighteen months; for, gentlemen, I am a loyal Virginian from the vicinity of Front Royal. To your invaluable Bitters I owe the certainty of life which has taken the place of vauge fears—to your Bitters will I owe the glorious privilege of again clasping to my bosom those who are dearest to me in life.

Very truly yours. ISAAC MALONE.

We fully concur in the truth of the above statement, as we had despaired of seeing our comrade, Mr. Malone, restored to health.
