SPECIAL NOTICE.

THIS is to inform my friends that I do not intend to raise the price on making

Coats, Pants, and Vests,

But I must request and demand the CASH DOWN for all my work, as I have to pay the Cash now for everything, and especially to my workmen.

What do you think of it my friends? *All right say all*—paying the cash down at the old prices, is better than paying more on time, as money is plentiful. I am in for that says the public generally. J. S. shall do my work and I will pay him the cash, for he has credited me many a time, and he must now have the cash, for I like old prices.

☞ Don't forget that little balance you owe, if you please, and when you want any cutting or making done, don't forget to call at the old stand opposite the Union Hotel.

Ayer's CATHARTIC PILLS.

Are you sick, feeble, and complaining? Are you out of order, with your system deranged, and your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills, and cleanse out the disordered humors—purify the blood, and let the fluids move on unobstructed in health again. They stimulate the functions of the body into vigorous activity, purify the system from the obstructions which make disease. A cold settles somewhere in the body, and obstructs its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering, and disease. While in this condition, oppressed by the derangements, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-seated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, cured by the same means. None who know the virtues of these Pills, will neglect to employ them when suffering from the disorders they cure.

Statement from leading physicians in some of the principal cities, and from other well-known public persons:

From a Forwarding Merchant of St. Louis, Feb. 5, 1856.

DR. AYER: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother has been long grievously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her. ASA MORGRIDGE

As a Family Physic.

From Dr. E. W. Cartwright, New Orleans.

Your Pills are the prince of purges. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily treatment of disease.

Headache, Sick Headache, Foul Stomach.

From Dr. Edward Boyd, Baltimore.

DEAR BRO. AYER: I cannot answer you *what* complaints I have *cured* with your Pills better than to say *all that we ever treat with a purgative medicine.* I place great dependence on that effectual cathartic in my daily contest with disease, and believing, as I do, that your Pills afford us the best we have, I of course value them highly.

PITTSBURG, Pa., May 1, 1855.

DR. J. C. AYER. Sir: I have been repeatedly cured of the worst *headache* any body can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once.

Yours with great respect, ED. W PREBLE.
Clerk of Steamer Clarion.

Bilious Disorders—Liver Complaints.

From Dr. Theodore Bell, of New York City.

Not only are your Pills admirably adapted to their purpose as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of *bilious complaints* than any one remedy I can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people.

DEPARTMENT OF THE INTERIOR, Washington, D. C., 7th Feb., 1856.

SIR: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of *bilious disease* so obstinate that it did not readily yield to them. Fraternally yours, ALONZO BALL, M. D.,
Physician of the Marine Hospital.

Dysentery, Diarrhea, Relax, Worms.

From Dr. J. G. Green, of Chicago.

Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best aperients I have ever found. Their alterative effect upon the liver makes them an excellent remedy, when given in small doses for *bilious dysentery and diarrhea.* Their sugar-coating makes them very acceptable and convenient for the use of women and children.

Dyspepsia, Impurity of the Blood.

From Rev. J. V. Himes, Pastor of Advent Church, Boston.

DR. AYER: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood, they are the very best remedy I have ever known, and I can confidently recommend them to my friends.

Yours, J. V. HIMES.

WARSAW, Wyoming Co., N. Y., Oct. 24, 1855.

DEAR SIR: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system and *purify the fountains of the blood.* JOHN G. MEACHAM, M. D.

Constipation, Costiveness, Suppression, Rheumatism, Gout, Neuralgia, Dropsy, Paralysis, Fits, etc.

From Dr. J. P. Vaughn, Montreal, Canada.

Too much cannot be said of your Pills for the cure of *costiveness.* Hothers of our fraternity have found them as efficacious as I have, they should join me in proclaiming it, for the benefit of the multitudes who suffer from that complaint, which, although bad enough in itself, is the progenitor of others that are worse. I believe *costiveness* to originate in the liver, but your Pills affect that organ and cure the disease.

From Mrs. E. Stuart, Physician and Midwife, Boston.

I find one or two large doses of your Pills, taken at the proper time, are excellent promotives of the *natural secretion* when wholly or partially suppressed, and also very effectual to *cleanse* the *stomach* and *expel worms.* They are so much the best physic we have that I recommend no other to my patients.

From the Rev. Dr. Hawkes, of the Methodist Episcopal Church.

PULASKI HOUSE, Savannah, Ga., Jan. 6, 1856.

HONORED SIR: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating *neuralgic pains,* which ended in *chronic rheumatism.* Notwithstanding I had the best of physicians, the disease grew worse and worse, until by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them, I am now entirely well.

SENATE CHAMBER, Baton Rouge, La., 5 Dec., 1855.

DR AYER: I have been entirely cured, by your Pills, of *Rheumatic Gout*—a painful disease that has afflicted me for years. VINCENT SLIDELL.

☞ Most of the Pills in market contain Mercury, which although a valuable remedy in skilful hands, is dangerous in a public pill, from the dreadful consequences that frequently follow its incautious use. These contain no mercury or mineral substance whatever.

Price, 25 cents per Box, or 5 Boxes for $1.

Poco-Metalic Paint.

THE experience of the past season warrants the conclusion that the above is the cheapest and best Paint for several purposes, and especially for the bottom and decks of Vessels.—It is said to be, by those who have tried it, fully equal, if not superior to the *celebrated Patent Paint,* for the bottoms of vessels, in preventing them from *fouling,* and in its durability it has no superior. Its cost is only about ¼ that of the Patent Paint, and in this particular it should recommend itself to vessel owners. We mention the names of vessel owners and masters below, all of whom have tried it, and who will take pleasure in giving any information with regard to it that may be desired. Circular No. 82.

The following Opinion of Col. Joseph Holt, Judge Advocate General, is published for the information and guidance of all officers of this Bureau.

In the case of drafted men who, having failed to report, are arrested, and then claim to pay commutation or furnish substitutes.

OPINION.

"Under the 13th section of the Enrolment act, it is clear that a party draited, and wishing to furnish a substitute or pay the commutation, must do so on or before the day fixed for his appearance.' The privilege expires with that day. If he fails to report himself and is arrested as a deserter, he has still the right to go before the Board of Enrolment, and prove that he is not liable to do military duty;' but if, on hearing his claim to exemption, he is held to be liable, he cannot escape personal service. He is, also, under such circumstances, subject to be proceeded against as a deserter."

Circular No. 44.

To answer inquiries made to this office, it is announced:

1st. Any drafted person paying $300, under section 13 of the Enrolment act, is thereby exempt from further liability *under that draft,* but not from any subsequent draft.

2d. Any drafted person furnishing an acceptable substitute, is exempt from military service for the period for which said substitute is mustered into the service.

3d. A substitute, once mustered into the service, cannot be drafted while in service.

5th. Men who, on the 3d of March, 1863, were in the military service of the United States, as substitutes, under the draft of 1862, and whose terms of service since expired, are not liable to the present draft; but the persons for whom they were substitutes are liable to draft the same as though they had not been drafted, and furnished substitutes under the draft of last year.

6th. In serving the notice as required by Circular No. 42, from this office, a *reasonable time* to report shall, in each case, be granted by the Board of Enrolment to men in *State service* who have been or may be drafted.

Circular, No. 53.

Any person claiming exemption, on the ground of alienage, shall file before the Board an affidavit stating

1st. That he is an alien, and setting forth the Government of which he claims to be a subject:

2d. The time when he came into the United States, and where he has resided since that date:

3d. That he has never declared his intention to become a citizen of the United States, and has never voted in any other State:

The affidavit to be supported by any proof the party may offer.

If the Board is satisfied that the party claiming exemption is fully entitled thereto, under the act of Congress, they will discharge him from draft. But if not satisfied, they shall refer the case, with the affidavit, through the Provost Marshal General, for decision by the Department of State, in the meantime suspending any action on the case until the decision of the State Department be made. The certificate of the State Department shall in such case be considered evidence of the fact whether the person is, or is not, subject to military duty.

Circular No. 78.

The following Opinions of Colonel Joseph Holt, Judge Advocate General, are published for the information and guidance of all officers of this Bureau:

With regard to the residence of a widow who is aged or infirm, and desires to have one of her two sons, subject to draft, exempted.

OPINION.

"The right of a widow who is aged or infirm, to have one of her two sons subject to draft, exempted, does not depend, under the law, on the place of her residence. The act imposes no such restriction. Such a mother's claim to be supported by one of her sons, and the moral obligation of the son to furnish such support, are recognized as resting on sympathies inseperable from the race and honorable to it, and which are to be respected irrespective of State or National lines. Should one of these two sons not be subject to draft, the other cannot be exempted unless his widowed mother is dependent on his labor for her support."

In the case of two or more sons of aged or infirm parents subject to draft, not of one household.

OPINION.

"Under the 4th clause of 2d section of the Enrolment act, it is not necessary that the two or more sons of aged or infirm parents subject to draft, should be of one household in order to entitle the parent or parents to elect one of them for exemption. The practical operation of this clause is certainly open to abuses and frauds, which the Boards should guard against as best they can. It would be a justifiable precaution in such cases to require the parent making the election to accompany it with an affidavit that no claim to exemption has been preferred by him or her, on behalf of either of the other sons. This would probably protect the Government from the fraud of having more than one exemption claimed where the sons reside in different States, or within the jurisdiction of different Boards of Enrolment."

Boards of Enrolment will, in this case referred to, require the affidavit suggested by the Judge Advocate General.

In the case of parents having one son in the army, and one at home, and are not dependent on the labor of the latter for their support.

OPINION.

"If parents have one son in the army, and one at home, and are not dependent on his labor for their support, the son at home cannot be exempted. The right of aged or infirm parents to elect which of two sons shall be exempt, exists only when both of these sons are subject to draft, which is certainly not the case when one is already in the service."

In the case of a drafted man who fails to report and is arrested as a deserter.

OPINION.

"The 13th section of the Enrolling act declares that a deserter of this class, when arrested, shall be sent to the nearest military post for trial by court-martial, unless upon proper showing that he is not liable to do military duty, the Board of Enrolment shall relieve him from the draft.' The language indicates clearly the disposition to be made of the party, and also recognizes his right, if he wishes it, to appear before the Board of Enrolment, and insist upon his exemption." A Complete Pcitorial History of the Times.

HARPER'S WEEKLY,

SPLENDIDLY ILLUSTRATED.

PRICE SIX CENTS A NUMBER; $3 A YEAR.

Critical Notices of the Press.

ITS fresh leaves, its clear type, its entertaining variety, its severe but just criticisms upon the follies of the times, its elegantly written and instructive articles, and its able correspondence, all combine to make it the model newspaper of our country, and one that every family must prize. Its condensed weekly summary of Foreign and Domestic Intelligence is altogether superior to that contained in any other journal.—Being published, too, in a form for preservation and binding, if taken care of as it deserves to be, it will be found in future years as welcome a companion for the family and fireside as the day on which it was perused.—*N. Y. Evening Post.*

We would not so often call attention to Harper's Weekly if we were not well satisfied that it is the best Family Paper published in the United States, and for that reason, and that alone, we desire to see it undermine and root out a certain kind of literature too prevalent, which blunts the morals of its readers, vitiates their taste for sensible reading and is already bad in its effects.—*New London Advertiser.*

Wherever we go—in rail-cars and steamboats—we find it seized with eagerness, because of its spirited sketches of passing events. We all like to look at the faces of the men we have read of, and at ships and forts that have figured in the bloody scenes of war. Of all such men, and places, and events, this paper furnishes the best illustrations. Our future historians will enrich themselves out of *Harper's Weekly* long after writers, and painters, and publishers are turned to dust.—*N. Y. Evangelist,*

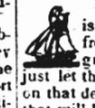
THE SCHOONER BUCEPHALUS,



HAVING been put in complete order, is now read to receive Grain and other freights. Every effort will be made to give satisfaction to my customers. So just let the grain come down in good order, as on that depends, in a great measure, the price that will be obtained for it. If your wheat is not in order do not send it away in that condition, as the result will be, you will be disappointed in the price obtained by the Commission Merchant, and I would not be proffited by having your custom. P. S.—If you have any of my Grain Bags please send them down at once, they are money to me N. E. N.
