Household Hints

To remove stains from rubber sink or tub mats, rub them briskly with rubbing alcohol, rinse thoroughly and scrub with a cleansing powder. Rinse.

• • •

A teaspoon of lemon juice in the water in which rice is cooked helps to whiten and fluff the rice.

• • •

When sheets become worn in the centers, use the outsides to make pillow-cases. Trim them with pretty borders made on the zig - zag machine attachment.

Mayonnaise thinned with pickle juice goes well on vegetable salads.

Turn pockets inside out and give them a good brushing before storing winter clothes. Also brush out cuffs and any open seams on the inside.

Lemon Taffy Chiffon Pie

A delicious dessert to make a summer meal perfect is Lemon Taffy Chiffon Pie.

The crust for this pie is made of crisp flaked coconut, its filling is of unflavored gelatine tanged with lemon juice and sweetened with molasses.

The pie requires one-fourth cup butter, melted, two cups flaked coconut, one envelope unflavored gelatine, one-half cup sugar, divided, one-eighth teaspoon salt, two-thirds cup water, one-third cup lemon juice, one-fourth cup molasses, 4 eggs, separated, one tablespoon gratde lemon rind, one cup heavy cream, whipped, divided; and nutmeg.

Combine melted butter and coconut. Press on bottom and sides of a 9 - inch pie plate. Chill until firm. Mix together, gelatine, one-fourth-cup of sugar, and the salt in a saucepan.

Beat together water, lemon juice, molasses and egg yolks; add to the gelatine mixture. Cook over medium heat stirring constantly, until gelatine is dissolved, about 4 minutes.

• • •

REMOVE FROM heat; stir in lemon rind. Chill until mixture mounds slightly when dropped from a spoon. Beat egg whites until stiff but not dry. Gradually add remaining one-fourth cup of sugar and beat until very stiff.

Fold in gelatine mixture and half the whipped cream. Turn into the chilled coconut shell and chill several hours until firm. Garnish with remaining whipped cream and sprinkle with nutmeg. Yield: One 9 - inch pie.

Hints

Cook any thawed fruit left over. Cooking helps the fruit to retain color and prevents spoiling.

• • •

For a tangy appetizer, serve apple juice to which a spoonful of ice cream or sherbert has been added.

• • •

To add to the life of a garbage pail, seal the bottom from moisture with melted paraffin.

• • •

Most odors in jars or bottles can be removed with a strong solution of dry mustard and water.
