We therefore petition your honorable body to appoint Commissioners to lay down two or more districts out of this and the adjacent district, and your petitioners will ever pray, &c.

A WALKING SKELETON.

Some years ago DR. SCHENCK was a WALKING SKELETON about the streets of Philadelphia, and finally was reduced so low that he was unable to move any longer, and was taken over to New Jersey TO DIE.

There he lay confined to his bed, and Dr. Thornton said his lungs were gone, and he would not live a week. In that low state he heard of, and obtained, some ROOTS AND HERBS, and made a medicine that soon made a change in his whole system. It expelled all the matter from the lungs, mucus from the stomach, started the liver, and, in fact, expelled all the morbid matter from the system. HIS APPETITE began to improve, and it was with difficulty he could be prevented from eating too much. He took the most nourishing food, and in a shor time, he began to IMPROVE RAPIDLY. Now he is a great, hearty man, weighing over two hundred and twenty pounds. His PULMONIC SYRUP, SEA WEED TONIC, and MANDRAKE PILLS, are a composition similar to the medicine that cured him. He is now traveling from one city to another, seeing patients and administering his medicines; and it is said he will take a person in the LAST STAGES OF CONSUMPTION, and in a few weeks they are about, in a tolerable good health. His medicines change the whole system, and the patient soon begins to have A GOOD APPETITE. As the food nourishes the system he finds that he is getty fleshy. Nature overpowers his disease; and he gets well. This is the great feature of DR. SCHENCK'S MEDICINES! they make new matter, new blood, and by keeping the digestive organs healthy, disease must be expelled.

A Card to our Customers.

NOW is the time to buy your Hardware.—Every thing is advancing at such a rate there is no telling where it will get to. As usual we are selling at the lowest rates the market will afford. We can and do sell lower than retailing in the city and therefore every one should deal at home.

Those indebted to us for long standing bills would do well to attend to them at once. We cannot practice the virtue of *forbearance* much longer, and you need not be surprised to see a stranger coming to see you pretty soon, unless you come to see us.

Hurry up and see how glad you can make us. Every little helps. Very respectfully,
