PROCLAMATION from Mayor Theodore R. McKeldin makes June-August officially Clean Block Campaign time in Baltimore. Mayor McKeldin presented proclamation to Mrs. Jeanette Leath, campaign director, as young workers looked on. Participating in ceremony, from left, are: Yvette Boone, Yvonne Marcus, Mrs. Leath, Mayor McKeldin, Angela Brooks, Clean Block assistant; Patricia McMillion and Charlotte Matthews.

McKeldin gives Clean Blockers proclamation, his book, prayer

Patricia McMillion, Yvonne Marcus, Yvette Boone and Charlotte Mathews, all Clean Blockers, representing West Baltimore, Northeast Baltimore and East Baltimore, along with Miss Angela Brooks, assistant, and AFRO Clean Block director, Mrs. Jeanette B. Leath, visited the mayor's office this week to witness the issuance of the Clean Block Proclamation.

Mayor Theodore R. McKeldin invited the Clean Blockers in his office who watched him receive a presentation and the swearing - in of Charles H. Dorsey, Jr. who has been appointed to the Welfare Commission.

He encouraged the workers and before issuing the his book, "No Mean City," proclamation, autographed his book, "No Mean City," and presented a copy to each of the visitors along with a prayer of St. Francis of Assissi.

It reads:

"Lord, make me an instrument of Thy peace; where there is hatred, let me sow love; where there is injury, pardon; where there is doubt, faith; where there is darkness, light; and, where there is sadness, joy.

"O Divine Master, grant that I may not so much seek to be consoled as to console; to be understood as to understand; to be loved, as to love; for it is in giving that we receive, it is in pardoning that we are pardoned, and it is in dying that we are born to eternal life."

Full text of Clean Block Proclamation

Mayor Theodore R. McKeldin issued this week his annual Clean Block Proclamation designating June 27 to August 22 as "AFRO-AMERICAN - Clean Block Campaign in Baltimore."

Complete text of the proclamation follows:

"The most obvious and persistent problem which confronts the people and public officials of Baltimore is that of the littered, untidy streets and alleys.

"Despite the expenditure of vast sums of money, and the round - the - clock efforts of thousands of employees, the Bureau of Sanitation, Building Inspection, Health and Police Departments, our streets and alleys continue to be eyesores, health and fire menaces, a reflection upon our people and a disgrace to the City.

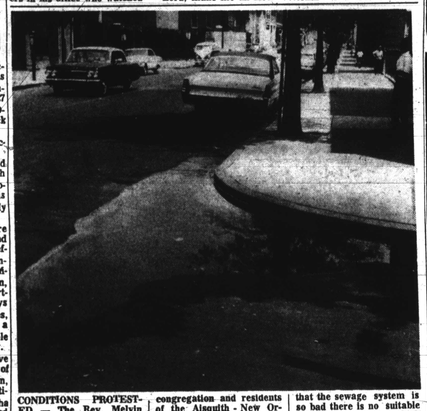
"One of the most effective methods for the solution of this problem is education, and in this effort the Baltimore AFRO-AMERICAN has for many years conducted annual "Clean Block Campaigns" which have achieved excellent and lasting results.

"Now, Therefore, I, Theodore R. McKeldin, Mayor of the City of Baltimore, in recognition of the good and lasting benefits bestowed upon our City by the AFRO-AMERICAN's annual campaigns, do hereby proclaim the period of June 24 through August 22, 1966, as "AFRO-AMERICAN CLEAN BLOCK CAMPAIGN" IN BALTIMORE, and urge all of all people to support and join in this effort to rid our city of litter, and to clean up and maintain their homes and areas as befits their dignity as citizens of the Nation's sixth largest City."

William Quirk named new prexy

William L. Quirk, director of probation, Supreme Bench, was elected president of the Middle Atlantic States Conference of Correction at the annual meeting of the association held recently in Atlantic City, N..J

The MASCC membership is comprised of probation, parole and institution personel in five states and the District of Columbia. Its purpose is to promote better standards and practices in the correctional field and participate in efforts to combat crime and rehabilitate offenders.



CONDITIONS PROTESTED — The Rev. Melvin Chester Swann, pastor of Waters AME Church, has complained on behalf of his congregation and residents of the Aisquith - New Orleans Street area, to Mayor McKeldin about the sewage condition. The complaint is that the sewage system is so bad there is no suitable drainage for water which drips from trucks at the Maryland Chicken Company. The minister complains that the stench thus created is unbearable and suggests area residents will take some steps on their own unless city action soon is forthcoming.

Autoferry service for Lake Michigan slated

In response to many requests from travelers, the affiliated Chesapeake and Ohio and Baltimore and Ohio railroads have put into effect daylight schedules for their autoferry service across Lake Michigan.

C and O/B and O announced, in addition, a low - cost, all - inclusive "Chessie Cruise" package for vacationers on their "navy" of seven ships which play daily across the lake.

"The daylight schedules were designed to provide passengers with the most favorable sailing times, and to permit sightseeing," Paul H. Reistrup, C and O/B and O director of passenger services, said. "And the Chessie Cruise is an ideal way for travelers to take a lake break on the autoferrie."

The Cheslie Cruises consist of round - trips from Milwaukee, Ludington or Manitowoc, at a cost of $9.95 per prson, which includes two meals, Staterooms are available for travelers at a small additional charge and children 5 to 15 pay half fare. There are five sailings a day from Ludington, three from Milwaukee and two from Manitowoc.

Auxiliary elects

The Auxiliary of the Clifton T. Perkins State Hospital had a membership meeting and luncheon recently where reports of various committees were given. Mrs. Philippa Pontier reported.

Newly elected officers for 1966 - 67 are: Mrs. Rhea Cross, president; Mrs. Reuben Moore, vice - president; Mrs. Mary Brueckman, secretary; and Mrs. Ella House, treasurer.
