By actual experiment it has proven that it will increase the quantity of Milk and Cream twenty per cent., and make the Butter firm and sweet. In fattening Cattle, it gives them an appetite, loosens their hide and makes them thrive much faster.

HOGS.

In all Diseases of the Swine, such as Coughs, Ulcers in the Lungs, Liver, &c. By putting from half a paper to a paper of these Powders in a barrel of Swill, the above Diseases can be cured or entirely prevented. By using these Powders the Hog Cholera can be prevented.

U. S. 7-30 LOAN.

The sale of the first series of $300,000,000 of the 7-30 Loan was completed on the 31st of March, 1865. The sale of the second series of Three Hundred Millions, payable three years from the 15th day of June, 1865, was begun on the 1st of April. *In the short space of thirty days, over One Hundred Million of this series have been sold*—leaving this day less than Two Hundred Millions to be disposed of. The interest is payable semi-annually in currency on the 15th of June by Coupons attached to each note, which are readily cashed anywhere. It amounts to

One cent	per day	on a	$50	note.	
Two cents	"	"	"	100	"
Ten	"	"	"	600	"
20	"	"	"	1000	"
$1	"	"	"	5000	"

More and More Desirable.

The Rebellion is suppressed and the Government has already adopted measures to reduce expenditures as rapidly as possible to a peace footing, thus withdrawing from market as borrower and purchaser.

This is the ONLY LOAN IN THE MARKET now offered by the Government, and constitutes the GREAT POPULAR LOAN OF THE PEOPLE.

The Seven-Thirty Notes are convertable on their maturity, at the option of the holder, into

U. S. 5-20 SIX PER CENT.
Gold-Bearing Bonds
Which are always worth a premium.
FREE FROM TAXATION.

The 7.30 Notes cannot be taxed by Towns, Cities, Counties or States, and the interest is not taxed unless on a surplus of the owner's income exceeding six hundred dollars a year. This fact increases their value from one to three per cent. per annum, according to the rate levied on other property.

SUBSCRIBE QUICKLY.

Less than $200,000,000 of the Loan authorized by the last Congress are now on the market. This amount, at the rate at which it is being absorbed, will all be subscribed for within two months, when the notes will undoubtedly command a premium, as has uniformly been the case on closing the subscriptions to other loans. *It now seems probable that no considerable amount beyond the present series will be offered to the public.*

In order that citizens of every town and section of the country may be afforded facilities for the loan, the National Banks, and private Bankers throughout the country have generally agreed to receive subscriptions at par. Subscribers will select their own agents, in whom they have confidence, and who only are to be responsible for the delivery of the notes for which they receive orders.

ARE YUO IN AGONY?
A WELL SPRING OF HOPE
FOR ALL.

CAN BE FOUND IN
HOLLOWAY'S PILLS.

Be of Good Cheer! The Sinking may be Saved
BY THE USE OF
Holloway's Ointment.

The history of these great Remedies is the most wonderful medical revelation that the world has ever known. It establishes the all-important fact that WHEREVER, and in WHATEVER SHAPE internal disease exists, the disinfecting, searching and healing properties of the Pills are fully equal to its subjection and cure, and that, with the Ointment, they are

THE GREAT AMBASSADORS OF HEALTH TO ALL MANKIND.

This is not a history written by one man, or even derived from the experience of one nation. It consists of a complication of testimonials from the sick of every country—an unimpeachable record, the like of which has never been adduced in favor of any discovery or invention since time began.

THESE MIGHTY HEALERS, WORLD KNOWN AND WORLD TRIED, ARE A BOON TO THE SICK.

The want of a sterling medicinal to meet the ills and necessities of the suffering portion of humanity, and one entirely free from mineral and other deleterious particles, was severely felt till this all powerful medicine was ushered into the world; Holloway's Invaluable Pills have become the HOUSEHOLD REMEDY of all nations. Their attribute is to prevent as well as to cure; they attack the radix or root of the complaint, and thus, by removing the hidden cause of disease, re-invigorate and restore the drooping energies of the system, assisting nature in her task of vital and functionary reformation.

DISORDERS OF THE STOMACH

Are the sources of the deadliest maladies.—Their effect is to vitiate all the fluids of the body, and to send a poisoned stream through all the channels of the circulation. Now, what is the operation of the Pills? They cleanse the bowels, regulate the liver, bring the relaxed or irritated stomach into a natural condition, and, acting through the secretive organs UPON THE BLOOD ITSELF, change the state of the system from sickness to health, by exercising a simultaneous and wholesome effec. upon all its parts and functions

WOMAN IN ALL HER DIFFICULTIES

Is invited to test the regulating and restorative powers of this harmless but effective preparation. At the two epochs of life in which the female system undergoes the most important and critical changes, the Pills will prove a positive safeguard against evil consequences. They are also confidently recommended as a specific in every disorder to which females are exclusively subject.

BE IT UNDERSTOOD,

That the above statements can at all times be verified by the written testimony (extending through a quarter of a century) of tens of thousands of upimpeachable witnesses.

Bilious Maladies, &c., &c.

In whatever form disease attacks the liver, it is expelled and exterminated by this searching, painless, and irresistible curatives, Bilious remittents, bilious purging, and all the ordinary disorders of the organ, indicated by pain in the right side and between the shoulders, yellowness of the whites of the eyes, weakness and debility, &c., are relieved and removed by the remedy, with a celerity which astonishes the sufferers and their friends. Let the sick, whom the facility have abandoned, resort with confidence to this powerful anti-bilious agent, and a restoration to health and activity will be the unvarying result.

DYSPEPSIA, DIARRHŒA, WEAKNESS &c.

The terrible bodily and mental pangs which characterize Dyspepsia are at once mitigated by the Pills. Diarrhœa, constipation, headache, physical prostration, nervous tremors, hot flushes, spasms, affections of the kidneys, hemorrhoids or piles, and in fact, all internal complaints, from whatever cause arising, give way before the salutary influence of this extraordinary remedy. As a specific for dyspepsia, and the disorders connected with it, or growing out of it, the Pills are always to be relied on when every other medicine and mode of treatment has utterly failed.

Holloway's Pills are the best remedy known in the world for the following diseases:

Asthma,	Headaches,
Bowel Complaints,	Indigestion,
Coughs,	Influenza,
Colds,	Inflammation,
Chest Diseases.	Inward Weakness,
Costiveness,	Liver Complaint,
Dyspepsia,	Lowness of Spirits,
Diarrhœa,	Piles,
Dropsy,	Stone and Gravel,
Debility,	Secondary Symptoms,
Fever and Ague,	Venereal Affections,
Female Complaints,	Worms of all kinds

CAUTION!

If the reader of this 'notice' cannot get a box of Pills or Ointment from the drug store in his place, let him write to me, enclosing the amount, and I will mail a box free of expense. Many dealers will not keep my medicines on hand because they cannot make as much profit as on other persons' make

None are genuine unless the words "*Holloway, New York and London,*" are discernible as a *Water Mark* in every leaf of the book of directions around each box; the same may be plainly seen by holding the leaf to the light. A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious.

* Sold at the manufactory of Professor HOLLOWAY, 80 Maiden Lane, New York, and by all respectable Druggists and Dealers in Medicine throughout the United States and the civilized world, in boxes, of 25 cents, 63 cents, and $1.0 each.

☞ There is considerable saving by taking the larger sizes.
