DR. G. P. BROWN MRS. SEDONIA MERRITT MRS. SADIE WILLIAMS
MRS. ERNESTINE SMITH MRS. MARY C. SMITH MRS. EFFIE JAMES

SHOWN AT a group meeting of the recently organized Big Sisters, Little Sisters, Inc., of which Mrs. Mary Carter Smith is president.

Miss Ann Mackell, Charles Green wed

Miss Ann Patricia Mackell, daughter of Mr. and Mrs. William Mackell, and Charles Edward Green were married in the New Wayland Baptist Church, Saturday.

The bridegroom is the son of Mr. and Mrs. Gilmore Green, Sr.

* * *

THE DOUBLE-RING ceremony which took place at three in the afternoon, was performed by the Rev. William Payne.

Mrs. Vergie Lewis provided a program of organ music for the ceremony. Mrs. Betty Johnson was soloist.

* * *

GIVEN IN MARRIAGE by her father, Miss Mackell wore an A-line Empress gown of white pique and Venitian lace. The cap sleeves were of the lace. The skirt featured a detachable train which was lace trimmed.

Her headpiece was an open crown cap of the pique and lace. Attached was a chapel-length veil.

The bride carried a bouquet of white roses.

MRS. GERALDINE BOYER was matron of honor. The bridesmaids included Misses Yvonne L. Custis, Joanne Custis, Vernette Smith and Faye Knight; and Mesdames Patricia Knight and Alicia Chase.

The honor attendant's ensemble was in turquois, and those of the bridesmaids in yellow.

The dresses were designed with empire bodices of ace and satin, and chiffon skirts. They wore matching headpieces which consisted of flat bows with pouf veils. Their flowers were bouquets of carnations which matched their gowns.

Tonee Butler, flower girl, wore an empire dress of yellow linen with chiffon back panels. She carried a basket of garden flowers.

Darly E. Long was ring bearer.

CLYDE O. MILLNER was best man for Mr. Green.

Ushers were Maurice Williams, Milburn Boyer, Avon G. Mackell, Clifton Blackman and William Pryor. were ushers.

A reception, following the wedding, was held in the Elegante Room, Forest Park Ave.

Among the out-of-town guests were:

THE BALTIMORE Music Teachers Association included in the annual program a meeting devoted to new teaching materials for piano, conducted by Mrs. Nina Ingraham, chairman of the instructional and auditing committees.

An inclusive resume was given, with illustrations played by various members, stressing editions of contemporary music in duet and solo literature. Mrs. Ingraham spoke also on two volumes that are now in the Elizabeth Davis Memorial Library of the Association — "Words of Music" and "Notes on the Piano", both by Bacon (Syracuse Press).

Copies of a new catalogue of English, French and German publications were distributed.

The BMTA held its final business meeting of the season following the annual dinner at a downtown restaurant. With Robert W. Dields, president, in charge, some discussion was devoted to problems of the private teacher.

As is the custom of the organization a young pianist is to be engaged for the annual public benefit recital. During the past season nine student recitals were sponsored at the Lutheran Church of the Redeemer.

The active members include teachers of piano, voice, violin and cello. The role includes also fifteen associate and five honorary members.

Engaged

ENGAGEMENT ANNOUNCED —Mr. and Mrs. Estee B. Wells of Washington announce the engagement of their daughter, Joelena Vanetta Wells to Charles L. Swarn, son of Mr. and Mrs. Churchel L. Swarn of Plainfield, Ind. The wedding will take place on Aug. 6 in Washington, D.C.

MUSICAL MOMENTS

Summer Festival of Music will long be remembered

Long to be remembered — the 1966 summer heat wave and the delightful relief afforded by the outdoor Summer Symphonic Festival of Music played by the Baltimore Chamber Orchestra, with guest artists.

Under the compelling director of Elliott W. Galkin interestingly diversified programs of classic and modern music were presented at three different locations each week.

Baltimoreans by the thousands basked in the cool breezes on Goucher and Maryland Institute (Mt. Royal Station) campuses and the spacious grounds of Druid Hill and Patterson Parks.

Appropriate to the first week in July the program offered Aaron Copland's "A Lincoln Portrait", which was written during the second World War. As narrator, John Schuck, of Center Stage, provided powerful and moving rendition of lines from speeches of the Great Emancipator.

The orchestral score, its homespun themes and rhythms contrasted with moments of tragic dignity, completed an eloquent performance.

Another aspect of American music was heard in the famous "Piano Concerto in F" by George Gershwin, considered the first American composer to use the jazz idiom as the basis of serious symphonic works.

Daniel Abrams, of Goucher faculty, at the piano, played brilliantly, yet, at no time did he or the orchestra sacrifice the priceless rhythm and, harmony which are the soul of Gershwin's music.

* * *

TO THE immense delight of the many youngsters the first concert of the series closed with a display of fireworks during "The Suite from the Royal Fireworks" by Handel.

It was fascinating to hear the dignified cadences of the first and last movements accompanied by admiring "ahs" as the varicolored rockets burst overhead.

Jeannette Walter's lustrous, ringing tones and Joseph Eubanks' vivid portrayal combined in excerpts from "Porgy and Bess", admirably accompanied by the orchestra.

With George Woodhead, director of the Bach Society of Baltimore, on the podium, this excellent ensemble, with the orchestra, gave a stunning "Gloria".

Choristers and instrumentalists combined to lend glowing clarity and richness to this complex work by the "red-haired priest" of the 18th century.

Barbara Altman, Peabody graduate, joined Miss Walters in the soprano arias. The latter, whose voice is one of remarkable versatility in timbre and range, sang the alto aria "Domine Deus" (Lord God).

It is to be hoped that the Symphonic Festival will be repeated another year, as the performances in various sections of the city with free admission, a much needed and valuable asset to the cultural life of the community.

* * *

NO DOUBT, in the future, a larger shell and more spacious stage could be provided. The series was sponsored by Goucher College, the City of Baltimore, the Department of Recreation and Parks and the National Brewing Company.

A large audience of admiring relatives and friends attended the student recital given by pupils of Mrs. Mildred M. Bryant at Grace United Presbyterian Church.

The young pianists performed with confidence an attractive program of educational material and classics by Beethoven, Heller, Grieg, Chaminade, Burgmuller and Massenet.

* * *

OF SPECIAL note were the mechanical daintiness of "March of the Dolls" expressive contrasts in "Anitra's Dance" and "Fur Elise", and musical renditions of "By the Pool" and "The Scarf Dance".

Technical proficiency in "The Juggler," "A Curious Story," "Aragonaisse" and "Rondo

Housewives told to direct dollars

By LILLIAN WIGGINS

The women of America, in particular the housewife, have their finger on the pulse of America's buying market.

She does the marketing, buys the clothing and shops for other items pertaining to the house.

For these reasons, and more, the Housewives League's major goal is to make the Afro - American woman aware of her spending power and careful about where she spends her money.

• • •

THE HOUSEWIVES League, founded in Detroit during the Depression, held its 29th Annual convention this week at the Trade and Professional School, 50th and Grant Sts. NE.

• • •

AT THE League's Citizens Night on Monday, which was open to the public, Mrs. Pearl L. Bell, a housewife from Louisville, Ky. said, "directed spending" has helped to open up jobs in Afro - Americans in white - owned businesses and also has made some Afro-American - owned business improve their standards.

She also stressed the success of their directed spending program.

• • •

ACCORDING TO Mrs. Bell, they don't do any direct picketing as such, but do have more of a "whispering campaign by telephone.

Mrs. Bell, president of the National Housewives League of America added that the League tends to direct buying to firms' products that offer Afro - Americans more opportunities. Some, she said, offer more opportunities for Afro - Americans than others.

• • •

THE CONVENTION theme, "Economic Development of True Solution to Integration," was discussed by a panel moderated by Alice A. Dunnigan, specialist in Equal Opportunity in the Manpower Program and former educational specialist with the President's Committee on Equal Employment Opportunities.

Arthur Feggans, a business counselor with the Small Business Development Center, impressed upon the housewives to be vocal with their congressmen to revamp present Small Business Administration and Office of Economic Opportunity programs pertaining to small businessmen.

He pointed out that more help should be given the little man who has a small business going and needs money to develop it.

Mr. Feggans also suggested that the League talk to bankers too. "It's time for them to help the Afro-American businessmen to get run him off," he concluded.

In Memoriams

ALLEN — A tribute of love to the memory of WILLIAM H. SR., who passed away July 26, 1956:
A devoted husband and father,
We've missed the sound of your footsteps,
And your voice since you have gone.
And though we no longer see you
In our minds you still live on.
Since daddy, we know not when,
We shall meet in a better land
And never part again.
LOVING WIFE, SONS and DAUGHTERS.

BASKERVILLE — A tribute of love to the memory of our dear mother, MARY BASKERVILLE, who passed away July 30, 1959:

We do not forget you dear mother,
We love
her too dearly
For her memory
to fade from
our lives like a
dream;
Our lips need not
speak when our
hearts are
sincerely,
Grief often
dwells where we dare not speak.
Daughter — FLORENCE and ELIZABETH BELL
SON - LEONARD HUTLER
Son - In - Law — EDDIE BLY

BENNETT — In loving memory of my wife, MYRTLE BENNETT, who passed away July 17, 1961:
We walked together, you and I,
In sorrow and in joy.
We shared our pains and happiness
With love without alloy.
And death shall never end our love
For thru the mist I see,
Our glad reunion in the sky —
For all eternity.
Loving Husband —
LOVING WIFE, BENNETT.

CLARKE — In memory of our dear mother, BESSIE R. who passed away four years ago, July 24, 1962:
No one knows how much we miss you,
No one knows the bitter pain
We have suffered since we lost you,
Life has never been the same;
In our heart your memory lingers,
Sweetly, tender, fond and true;
There is not a day, dear mother,
That we do not think of you.
Your children — AGNES THOMAS, BESSIE, LUCY and FLORENCE

FORD — In loving memory of our dear husband and father, JACOB FORD, who passed away July 19, 1937:
Your memory is a keepsake,
With which we shall never part
Though God has you in His keeping
We still have you in our hearts.
Loving Wife
SALLIE F. FORD
and CHILDREN.

JACKSON — In memory of our loved one, SUSIE MABRY JACKSON, who passed away July 20, 1963:
Loving and kind in all her ways,
Upright and just to the end of her days,
Sincere and true, in her heart and mind,
Beautiful memories she left behind.
LOVING DAUGHTERS — SONS - IN - LAW and GRANDCHILDREN.

MEARS — In loving memory of our dear mother, MARY MEARS, who departed this life July 20, 1954:
You are not forgotten Mother, dear,
Nor ever shall you be.
As long as life and memory last
We shall remember thee.
Children — MAE V. ALLEN
DAVID ALLEN and EVELYN MEARS-DUGGAN.

MONTGOMERY — In loving memory of my dear husband, JOSEPH F., who passed away July 23, 1954:
The depth of sorrow I cannot tell,
A part of me I loved so well,
And while he always a friend shall be,
His memory I shall always keep.
Wife — MILDRED.

OWENS — In loving memory of my dear son, REGINALD ERNEST OWENS, who departed this life, July 21, 1960:
We have only your memory dear son,
To remember our whole life through,
But the sweetness will linger forever
As we treasure the image of you.
Your Loving Mother,
ESTELLA OWENS and FAMILY.

QUEEN — In loving memory of my wife and our mother, SOLOMA QUEEN, who passed away July 23, 1954:
No one knows how much we miss you,
No one knows the bitter pain,
We have suffered since we lost you
Life has never been the same.
In our hearts your memory lingers,
Sweetly, tender, fond and true;
There is not a day, dear Mother,
That we do not think of you.
HUSBAND, SON and DAUGHTER.

WOODFORD — In loving memory of my dear husband and our father, CHARLES, who passed away twelve years ago, July 19, 1954:
We do not forget him, we love him
Too dearly
For his memory to fade from our
lives like a dream.
Our lips need not speak when our
hearts mourn sincerely
For grief often dwells where it
saddens most.
Loving Wife — MAMIE and CHILDREN.

Here's a Unique Opportunity to Participate in the Development of
TOMORROW'S TRANSPORT AIRCRAFT
Fairchild Hiller Offers Exciting Careers to
ENGINEERS . . . DESIGNERS . . . PROJECT MANAGERS
Fairchild Hiller's Aircraft-Missiles Division has embarked on major new transport aircraft programs with immense growth potential and long-range aircraft extending well into the 1970's. For top engineers, designers and project managers, this is the career opportunity of a decade. Starting salaries and fringe benefits are liberal, and you may follow your projects from the conceptual phase on through production.
Investigate these growth-oriented opportunities NOW.
PROJECT MANAGERS*
Direct a complete aircraft through preliminary design stage, with further responsibilities extending to production phase and later. Requires 10 years aircraft experience with special emphasis on jets, and proven ability to direct a major aircraft project including thorough knowledge of all pertinent standards, specifications, design procedures, tools and fabrication.
Manufacturing Engineering positions require the same requirements, plus executive direction of project following preliminary design phase.
PROJECT MANAGERS, MISSILES/SPACE
Requires 10-15 years in-depth experience and demonstrated proficiency in administrative and technical direction of projects involving ballistic missiles, space and re-entry vehicles, boosters, satellites and associated systems.
STAFF ENGINEERS, AERODYNAMICS
Pre-debate in aerodynamic analysis and development of aerodynamic configurations for preliminary design and model testing through flight-development and certification testing. Requires 5 years experience in aerodynamic analysis.
SENIOR ENGINEERS, AERODYNAMICS
Participate in development of aerodynamic configurations from advanced design through flight test of prototypes. Requires minimum of 3 years concentrated experience in aerodynamics analysis.
DYNAMICS ENGINEERS*
Requires degree in engineering or mathematics with at least 5 years strong technical experience in aircraft structural dynamics and flutter.
WEIGHTS ENGINEERS*
Maintain weights records system, exercising control throughout design calculation and estimation of weights, C.G. and moments of inertia, determine actual weights, etc. Engineering or mathematics degree, at least 5 years strong technical experience in aircraft weights engineering.
WEIGHTS ENGINEERS
Perform weight analysis and control, prepare weight and balance reports, set up and maintain weight record system. BS or 5 years (minimum) experience in weights analysis and engineering.
STRESS ENGINEERS*
Openings at all levels including Senior and Staff Engineers for work on both aircraft and space vehicles. Minimum of 3 years experience in aircraft structural analysis; some positions require considerable experience. Background of 6-10 years in re-entry and/or satellite programs required for space project openings ONLY.
SENIOR ENGINEERS, ADVANCED DESIGN
Design/develop original concepts of major subsystems of complete aircraft, preparing scaler-layouts from which stress, weight and aerodynamic data may be obtained. Requires broad knowledge of aero engineering, through mathematical background.
STAFF ENGINEERS, COMPOSITE STRUCTURES
Perform complete structure analysis; establish concepts, designs, specifications and development programs for state-of-the-art and advanced composite structures. Degree preferred, 3-10 years experience including structural design criteria, dynamic stress, optimum strength-weight analysis; materials background helpful.
SENIOR SPECIFICATIONS ENGINEERS
Prepare equipment specifications and test requirements; associated duties. Requires broad knowledge of mechanical engineering principles, aircraft materials and manufacturing methods.
SENIOR DESIGNERS*
AIRCRAFT EQUIPMENT AND SYSTEMS — Pressure specifications and design for conditioning, pressurization, oxygen, cargo handling and other miscellaneous systems. Degree preferred, 4 years experience in commercial transport equipment selection and installation (jet experience desirable).
HYDRAULIC AND PNEUMATIC SYSTEMS — Design basic systems, determine optimum methods of powering them, installing equipment and plumbing, etc., later preparing specifications, determining test procedures, securing FAA or military approval. Requires five years minimum applicable experience, including design, specification and component selection.
AIRCRAFT ELECTRONICS (AND ELECTRICAL) — Requires 5 to 10 years experience in commercial aircraft electronic system design, thorough knowledge of FAA regulations, firm background in airborne communications, navigation, radar and instrumentation.
AIRCRAFT PROPULSION SYSTEMS — Requires at least five years in aircraft propulsion systems design, thorough knowledge of reciprocating, turboprop and turbojet engine installation requirements, broad background in aerodynamics and thermodynamics.
AIRFRAME STRUCTURE — Requires at least 5 years experience in basic airframe structural design; prefer experience in initial design of fuselage, wing or empennage structure. Degree not mandatory. Proven leadership capabilities desirable.
AIRCRAFT FLIGHT CONTROLS — Design and establish requirements for flight control systems including analysis/design of auto-pilot servo installations and hydromechanics. Requires at least 5 years applicable experience and relevant capabilities.
DESIGNERS, AIRCRAFT STRUCTURES
Create, design and develop highly complex structures for pressurized aircraft; prepare design layouts for control systems, landing gears and other mechanical systems. Requires at least 3 years experience in aircraft structural design including materials selection and determination of design allowables.
