BARBER SHOP.
PHILEMON FLOYD

WOULD most respectfully inform his customers and those who have heretofore so liberally patronized him, that he still continues to carry on his business at the old stand next door to the Hotel of Mr. Merrett. Owing to the high prices of provisions, &c., he has been compelled to adopt the following rates of charges, which are scarcely in proportion to the advanced prices of all kinds of merchandise, and which he hopes will not be unsatisfactory to the public.

For Shaving,	10 cents.
" Cutting Hair,	15 "
" Shampooning,	25 "

He most respectfully solicits a continuance of patronage from the public. His shop is one of the most pleasant on the Shore and his implements are of the first class and always kept in the best of order. Gentlemen may rely upon it that no pains will be spared to accommodate them in the most satisfactory manner.

The public's obedient servt.,

FOUTZ'S
CELEBRATED
Horse and Cattle Powders.

These Powders will strengthen the Stomach and Intestines, cleanse them from offensive matter, and bring them to a healthy state. They are a sure preventive of Lung Fever, and a certain remedy for all Diseases incident to the Horse, such as Glanders, Yellow Water, Distemper, Founder, Heaves, Slavering, Coughs, Fevers, Loss of Appetite and Vital Energy, &c.

In poor, low-spirited animals, it has the most beneficial effect.

The use of them improves the wind, strengthens the Appetite, and gives to the Horse a fine, smooth and glossy skin—thus improving the appearance, vigor and spirit of this noble animal.

FOR MILCH COWS.

The property this Powder possesses in increasing the quantity of Milk in Cows, gives it an importance and value which should place it in the hands of every person keeping a Cow. By actual experiment it has proven that it will increase the quantity of Milk and Cream twenty per cent., and make the Butter firm and sweet. In fattening Cattle, it gives them an appetite, loosens their hide and makes them thrive much faster.

HOGS.

In all Diseases of the Swine, such as Coughs, Ulcers in the Lungs, Liver, &c., By putting from half a paper to a paper of these Powders into a barrel of Swill, the above Diseases can be cured or entirely prevented. By using these Powders the Hog Cholera can be prevented.

Price 25 cts. per Paper, or 5 Papers for $1.
