Mathias bills would aid SS recipients

Three bills to provide for cost of living increases in railroad retirement and social security benefits were introduced in Congress this week by Maryland's Congressman Charles McC. Mathias Jr. (Rep.)

They are:

H. R. 17612 which provides for an automatic cost of living increase in railroad retirement benefits, whenever the consumer price index has gone up by 3 percent or more since the last adjustment in benefits;

H. R. 17613 which provides the same type of automatic adjustment in social security benefits;

H. R. 17614 which removes the ceiling on outside earnings under social security, permitting more additional income without loss of benefits.

Congressman Mathias noted that the consumer price index has risen from 110.2 July a year ago to 113.3 the past July, an increase of 2.8 percent.

This means he said that goods and services which cost $10 in 1957-59 cost $11.02 a year ago and now cost $11.33.

196 AFRO Precincts

AFRO precincts are those precincts in Baltimore that have a majority of colored registration.

During the presidential election in November, 1964, there were 186 AFRO precincts out of a total of 551. There are now 196 such precincts, out of 555.

Total registered voters in these precincts number 142,039, and 88 per cent or 125,424 of them are colored.

Of the 140,019 total colored registrations, 90 per cent reside in AFRO precincts.

2 nominated in Charles County

The first time any colored citizens of Charles County put in bids for public office proved successful to two candidates.

Although others were unsuccessful, they received impressive totals from both white and colored voters.

The two winners who came through the Primary and will be up for election at the General in November are:

J. C. Parks, a Republican, for County Commissioner.

Mrs. Mary Queen, also a Republican, for Judge of the Orphans Court.

Although Harold Stucky lost his bid for the House of Delegates he ranked third highest in votes. Two were elected I. P. Evans and Raymond Smith chalked up 500 and 600 totals respectively.

Citizens of the county credit the unprecedented victory of colored candidates to the smooth operation of their Charles County Committee for Political Concern organization.

The CCCPC selected only qualified persons, both Democrats and Republican, to run and placed on their ticket only those candidates they endorsed.

Maddox wins Ga. runoff spot

ATLANTA (UPI) — Lester Maddox, who fought federal desegregation laws in the streets and courts, Thursday apparently won a spot against former liberal Gov. Ellis Arnall in a Democratic gubernatorial runoff primary.

Maddox held a 6,692 vote lead over moderate Sen. Jimmy Carter Thursday afternoon as his lead steadily increased in returns from predominantly rural sections of the state. Maddox called those sections "my areas".

With 1,624 of 1,905 precincts reporting, Arnall had 200,174 votes, Maddox 156,451, Carter 19,622, Gray 13,215, former Lt. Gov. Garland Byrd 335,649 and perennial candidate Hoke O'Kelley 11,950.

Sickles won in Welcome, Mitchell home precincts

Carlton R. Sickles was a winner in the 4th District precincts of Sen. Verda F. Welcome and Del. Clarence M. Mitchell 3rd, both of whom won Democratic senate nominations in Tuesday's primary.

Thomas B. Finan ran second and George P. Mahoney a far back third in both precincts.

Sen. Welcome was a staunch supporter of Mr. Finan in the campaign and Mr. Mitchell was strongly backing Mr. Sickles.

Both Sen. Welcome and Mr. Mitchell carried their respective precincts.

Dr. Emerson R. Julian ran well in both areas.

Sen. Welcome lives at 2101 Liberty Heights Ave., the 6th Precinct of the 13th Ward.

Mr. Mitchel lives at 3609 Wabash Ave., the 4-B Precinct of the 15th Ward.

Here is how the voting for these candidates went:

WELCOME PRECINCT	
Sickles	147
Finan	72
Mahoney	6
Welcome	176
Mitchell	137
Julian	89

MITCHELL PRECINCT	
Sickles	489
Finan	96
Mahoney	19
Welcome	312
Mitchell	433
Julian	164

39 percent turned out in 4th Dist.

Citywide, 46 percent of Democratic registrants voted. Only 39 percent voted in the 4th District. However, the Mitchell 4B Precinct, 15th Ward, had 56 percent voting which was the highest in AFRO precincts.

Welcome precinct, 6th Precinct, 13th Ward, voted 43 percent.

Home precincts of other 4th District Senatorial candidates showed:

Shaw, 1908 Eutaw Pl., 29 percent; Marshall, Liberty Heights and Reisterstown Rd., 19 percent; and Julian, 623 N. Pulaski St., 44 percent.

Other precincts voting over 50 percent are:

15th Ward - 10th Precinct - 5000 Gwynns Falls-53 percent.

15th Ward - 26th Precinct - Gilmor and Pressiman - 55 percent.

15th Ward - 23rd Precinct - Walbrook and Smallwood - 52 percent.

16th Ward - 18th Precinct - Lafayette and Whitmore - 52 percent.

The 1385 votes in the Cherry Hill area amounted to 37 percent of Democratic registration.

King nominated

Arthur King won Democratic nomination to the House of Delegates in Prince George's County in Tuesday's primary.

Mr. King, first of his race to win this nomination in this party, ran on a Carlton R. Sickles slate.

Birthday Tributes

BERNARD — a birthday Tribute to the greatest husband and loved brother, ALONZO BERNARD, on his birthday, September 18th and who passed away April 20, 1966.
I have only your memory, dear brother.
To remember my whole life through.
But the sweetness will linger forever.
I'll treasure the image of you.
Never a little so sunny,
Never a way so dear.
Never a brother so faithful
Who brought such joy and cheer.
Never a touch so gentle,
Never a heart so true.
Never a brother in all the world
So precious, dear ALONZO, as you.
Loving Sister
DELORES B. DORSEY

McKENZIE — in loving memory of our son and our brother, WILLIAM McKENZIE, born September 14, 1936 — passed February 7, 1966.
I do not need a special day
To bring you to my mind.
The days I do not think of you
Are very hard to find.
If all this world were mine to give,
I'd give it, yes, and more
To see the face of my dear son
On this, his Birthday.
MOTHER — SISTER and BROTHER

PRETTYMAN — A tribute of love to our beloved brother, C. ERNEST PRETTYMAN, who celebrates his birthday, September 16th, who passed away November 11, 1962.
Flowers will bloom in the summer,
In the autumn it will rain,
But the face of our dear brother
We love to see again.
Brother, when the violets open
And the flowers in beauty wave
We will gather up some blooms
And lay them gently on your grave.
Oh, so often do we wander,
To the place where you are laid
And think if God had only left you
Longer on earth with us to stay.
Sisters — EDITH and FLOSSIE.

In Memoriams

CASWELL — In loving memory of my dear mother and our friend, EVANGELINE P. CASWELL, who passed away September 19, 1965.
We've missed the sound of your footsteps
And your voice since you have gone.
And though we no longer see you,
In our minds you still love on.
And so we smile in the daytime,
But some nights our hearts are sore.
As we thing of the dear one God took away
To His Distant and golden shore.
CHARLES V. McFEES
MARIE N. PETTIGREW

BROOKS — In loving memory of our dear beloved mother, GERTRUDE M. BROOKS, who passed away September 17, 1964.
You are not forgotten mother dear,
Nor will you ever be.
As long as life and memory last,
We will remember thee.
We miss you now, our hearts are sore
As time goes by, we miss you more.
Your loving smile, your gentle face
No one can fill your vacant place.
Daughters—ANNA MACKEL,
SARAH BERGER, MARTHA BATES, ESTHER RUTH BRYAN.

COLES — in loving memory of my dear mother and my daughter, NAELMER ANDERSON COLES who passed away September 13, 1965.
Sad and sudden was the call
Of one so dearly loved by all;
A bitter grief, a shock severe,
It was to part with one so dear.
We often sit and think of you,
And speak of how you died.
To think you could not say good-bye
Before you closed your eyes.
For all of us you did your best
Oh, God, grant you eternal rest.
Mother — NAELMER STATEN ANDERSON

DUTTON — In loving memory of our dear mother and grandmother, BEATRICE DUTTON, who passed away September, 19, 1964.
What is home without a mother?
All things this world may send,
But when I lost my darling mother,
I lost my dearest friend.
DAUGHTER—SON-IN-LAW and SIX GRANDCHILDREN

GREER — In loving memory of my dear husband, CHARLES H. GREER, who passed away September 16, 1965.
Do you know that God above
Created you for me to love?
He picked you out of all the rest
Because He knew I loved you best
I had a heart, and it was true,
But now it's gone from me to you.
Take care of it, darling, as I have done
For you have two . . . and I have none.
Devoted Wife—CARRIE.

JOHNSON — In loving memory of my dear wife, AMY D. JOHNSON, who passed away September 20, 1963.
Loving and kind in all her ways,
Upright and just to the end of her days.
Sincere and true, in her heart and mind.
Beautiful memories she left behind.
Devoted Husband, RUDOLPH C. JOHNSON

MAYFIELD — In loving memory of our loved one, THEODORA MAYFIELD, who passed away September 18, 1966.
REST IN PEACE

You are not forgotton, loved one,
Nor will you ever be.
As long as life and memory last
We will remember thee.
We miss you now, our hearts are sore
As time goes by, we miss you more.
Your loving smile, your gentle face
No one can fill your vacant place.
THE MAYFIELD FAMILY.

THOMAS — In loving memory of our father, CHARLES W. THOMAS, who passed away September 17, 1965.
Gone, dear father, gone forever,
How we miss your smiling face;
But you left us to remember
None on earth can take your place.
A happy home we once enjoyed,
How sweet the memory still,
But death has left a loneliness
The world can never fill.
THE CHILDREN

Career Appointments for Engineers, Physical Scientists
APPLIED PHYSICS LABORATORY
The Johns Hopkins University
The Applied Physics Laboratory, a division of The Johns Hopkins University, operates under contract with the Bureau of Naval Weapons. The development of the Navy's Polaris, Talos, and Tartar guided missiles, the development and evaluation of guidance systems for Navy and NASA, and the test and evaluation of guided and ballistic missile systems are among its principal achievements.
At the present time, the Laboratory has a number of interesting openings for electrical and mechanical engineers, physicists, and mathematicians interested in career opportunities. Specific openings are available in computer programming, computer logic, analog and digital circuit design, structural design and analysis, missile system test and analysis, operations research, and propulsion engineering (ramjet and rocket).
The Laboratory's principal locations are in Silver Spring (a suburb of Washington, D. C.) and in Howard County, midway between Baltimore and Washington. These exceptionally complete facilities contain large-scale computers, well equipped laboratories, libraries and cafeterias.
