WBAL-TV to air 'drop-out' film Oct. 2

For the first time on television, the story of "Jimmy," a confused young boy who "won't be going back to school this fall," will be presented Sunday, Oct 2 at 4:30 p.m. on WBAL-TV 11.

The film study will begin by following Jimmy before he has made his final decision to quit high school, and follow - through, depicting events leading up to that decision.

The "live-camera technique" will capture and reveal Jimmy's inarticulate yearnings to be a mas; to be free; to own a car; and his dropping out to take a job at a car-wash which is both ill-paid and boring. There are at least one million school dropouts like Jimmy each year.

THE WEDDING of Miss Beverly Barrett of Baltimore, and John H. Carter, Jr., Washington architect, took place in Saint James Episcopal Church in the Maryland City, Saturday.

Miss Barrett wed to John Carter, Jr.

Miss Beverly Barrett, field supervisor of Neighborhood Youth Corp, this city, and Washington Architect John H. Carter, Jr., were married here, Saturday afternoon at two.

The ceremony took place in Saint James Episcopal Church with the Rev. Fr. Donald O. Wilson and Fr. Lloyd George officiating. Music was by Miss Dorothy Diggs, soloist; and Miss Lois Pickens organist.

• • •

THE BRIDE, daughter of Mr. and Mrs. George E. Barrett, Sr., was given in marriage by her father.

Sentimentally, she wore the gown she had made her debut in when she was a Mede-so debutante in 1961.

The gown of silk organza was, however, revised for the wedding.

Now the A-line front panel was covered with Chantilly-lace and worn with an over jacket of the lace fastened with tiny buttons at the back and featuring scalloped bell sleeves. A train of chantilly lace fell from the back at the waist. Her chapel veil of silk illusion was attached to a queen's crown of pearls and crystals, and the long underlying veil was appliqued with lace medalions. The latter was removed for the reception.

Miss Barrett carried white poms.

• • •

MISS KATHLEEN BROWN, maid of honor, wore temple gold taffeta, floor-length gown with matching flower headpiece, matching veil and shoes of the same shade. The nosegay she carried was of orange and green chrysanthemums.

Bridesmaids Marilyn Oliver and Elise Jude wore gowns in almond green with matching accessories; and Barbara Prestwidge and Carol Sherrington, tangerine ensembles.

Melanie Johnson, flower girl, was dressed in embroidered white organdy, a satin bow headpiece, white accessories and carried a basket of multi-colored flowers.

Dominic Boone, also in white, carried the rings on a satin pillow which was also appliqued with Chantilly lace.

• • •

CONWELL D. CARTER of Washington and a medical student at Howard University, best man for his brother.

comb. Jose Barnes, Frank Satterwhite and Roscoe Grayson of Washington; Gary Boudin of Pittsburgh, George Barrett, brother of the bride and who is currently stationed at Fort Benning Ga., William Prestwidge and John Oliver, Jr. of this city; William Turner of Milwaukee, Wisc., and James Barbour of Atlantic City.

• • •

A RECEPTION was held in the Guild Hall of the church.

For the wedding and reception Mrs. Barrett wore a lime green dress with an embossed coat in the same shade. A flower whimsey, matching shoes, white gloves and a white orchid with edges tinted in green were her accessories.

Mrs. Alice Stanton Carter of Atlantic City, N. J., mother of the bridegroom, wore a hot pink crepe dress, beaded at the neckline in varying shades, with pink hat and shoes.

• • •

THE RECEPTION was followed by a buffet dinner in the home of Mr. and Mrs. John Oliver, Sr., uncle and aunt of the bride.

An after rehearsal party on the previous night was held by the bride's parents, and after this the men of the party returned to Washington for a party that honored Mr. Carter.

Both, Mr. and Mrs. Carter are Howard University Alumni. They will live in Seat Pleasant, Md.

• • •

said, Bethlehem Steel has requested 500 welders at completion of their training.

Another firm, Westinghouse, will absorb 20 office workers a week for the next year, as training is completed.

During a discussion over the OIC proposal, it was conceded the Industrialization Center program is far ahead of any other proposed and would do much to offset the lack of employment successes now harassing the local anti-poverty program.

ONE OF the major complaints of the Community Action Agency, working in conjunction with the federal Training Program, has Manpower Development Training Program, has been the training of persons for jobs that do not exist.

The commission agreed to review the OIC program in depth before taking action on the proposal offered by Mr. Farer.

The Baltimore OIC office is located at 1371 N. Stricker St., and its program is backed by leading ministers in the community.

Hints for Homemakers

INEZ KAISER

One of the things every child after vacation carries back to school is a big smile. And they usually are big smiles, because after the excitement of the first few weeks, summer life becomes boring and most children really look forward to being back in school.

One of the activities usually scheduled for every child during vacation is a visit to the dentist. Among his recommendations is a request that teeth be brushed after each meal every day to keep them white.

Lever Brothers recommends PEPSODENT because today's PEPSODENT contains a brightening formula so unique it's protected by a U.S. Government patent. It even brightens hard-to-whiten teeth. PEPSODENT outbrightens every other leading tooth paste.

Encourage your child to brush his teeth every day like the rest of the family. It makes teeth their whitest . . . and smiles their brightest. When he turns in that dental report to the teacher, she will enjoy seeing how bright and white his teeth are, and hearing about his visit with the dentist.

Problems . . . problems . . . problems . . . some, easy to solve; some not so easy. With the kids back in school, the chores just seem to multiply . . . dishes to launder, more food to prepare and, of course, more dishes to wash.

Well, fortunately, I can assist you with the latter. Try new DOVE-FOR-DISHES, the official "problem solver." DOVE-FOR-DISHES is far superior to any other dishwashing detergent . . . unsurpassed in keeping your hands miraculously soft. This pure white dishwashing liquid has a skin-lotion ingredient built right in.

It matters not how often or how many dishes you have to wash . . . DOVE-FOR-DISHES does its job, but yet it is so kind to dry, problem hands. Getting the rest of the family to help you will be easier, too.

LEVER BROTHERS unconditionally guarantees satisfaction or your money back . . . a guarantee you will probably never use because once you try it, you will never give it up. Instead, you will find yourself, with a new "problem" . . . how to inform everyone of your latest, greatest discovery . . . new DOVE-FOR-DISHES.

"Back to school . . ." is a common phrase with many connotations . . . football, basketball, new friends and new clothes.

We, as mothers, are interested in all of these phases of our child's growing up, but we probably find ourselves more closely associated with the last. It is very important that the youngsters know how to keep well-groomed. As a result, we must teach proper care of one's clothes.

Thanks to Lever Brothers and new COLD WATER "all," my part in caring for those new clothes is a snap. Heretofore, the "newness" just seemed to fade away more and more every time I washed.

I have concluded that "hot water was to blame; because since I've been using COLD WATER "all," my wash has come out spotless-clean in cold water. Colors are so much safer . . . they will not fade, run or streak as they can in hot water. The new synthetic fabrics come out white, smoother and more wrinkle-free.

I invite you to join me in giving "back to school" another highlight . . . happy mothers of well-groomed children who do their homework with COLD WATER "all."

SEN. DIRKSEN ON 'GOOD NEWS'

Sen. Everett Dirksen's comment at Lucl Johnson's wedding on the impressiveness of the Roman Catholic Mass in English will be the "lead-in" to a discussion on "The Good News" Sunday, at 10 a.m., on WBAL-TV 11.

During the program, which exemplifies the educational work of the Confraternity of Christian Doctrine, Mrs. Florence Brown will discuss with a group of 12th grade students from Saint Mary's Parish, a new awareness of the two-fold division of the Roman Catholic Mass.

A&P what is the definition of a private brand?

To some people, it is a retailer's own brand created with selling price first in importance and quality second.

To us at A&P, it's the opposite. Quality comes first. Value...the best for the least is the rule for our private brands.

If this wasn't true, how foolish we'd be to invest, as we have, literally millions of dollars in processing plants and testing laboratories.

If all we wanted were products we could sell cheaply without quality control, anybody could produce them for us.

The idea of quality private brands isn't new at A&P. As a matter of fact, it's one of our oldest policies—and by golly, we're proud of it.

Are A&P Private Brands a good reason for shopping A&P? They're one of many.
