ARRANDALE & Co., Manufacturers Agents,
No. 167 Broadway, New York.
Announce that all the above list of goods will be sold for *One Dollar each.*

In consequence of the great stagnation of trade in the manufacturing districts of England, though the war having cut off the supply of cotton, a large quantity of Valuable Jewelry, originally intended for the English market, has been sent off for sale in this country, and MUST BE SOLD AT ANY SACRIFICE! Under these circumstances, ARRANDALE & CO., acting as agents for the principal European manufacturers have resolved upon a GREAT GIFT APPARTENMENT, to be divided according to the following regulation:

Certificates of the various articles are put into envelopes indiscriminately, sealed up, and when ordered are taken out without regard to choice, and sent by mail, thus, showing no favoritism. On receipt of the certificate, you will see what you are to have and then it is at your option to send the dollar and take the article or not. Purchasers may thus obtain a Gold watch, Diamond Ring, or any set of Jewelry on our list for One Dollar.

Send 25 cents for Certificate. In all transactions by mail, we shall charge for forwarding the certificates, paying postage and doing the business, 25 cents each, which must be enclosed when the Certificate is sent for. Five certificates will be sent for $1, eleven for $2, thirty for $5, sixty-five for $10, one hundred for $15.

WHAT THE "PRESS" SAY OF US.

The Lafayett (Ind.) Daily Courier, Mar. 18, 1865 says: "A better selection, more varied or fashionable assortment of jewelry cannot be found on the continent than Arrandale & Co. are now offering. Messrs. Arrandale & Co. occupy a high position in commercial circles as men entirely above the common trickery of trade. The statements may be implicitly relied upon both as to the character of their goods and the manner of disposal. Ladies especially, in all parts of the country, are realizing handsome profits as agents, and if any of our fair readers desire to interest themselves in the enterprise, they may do so with perfect confidence.

GREAT GIFT DISTRIBUTION.—A rare opportunity is offered for obtaining watches, chains, diamond rings, silver-ware, etc., by Messrs. Arrandale & Co. at No. 167 Broadway. They have an immense stock of articles, varying in value, and all are offered at one dollar each. The distribution is very fairly done—you agree to take a certificate of a certain article, enclosed in an envelope, and are not required to pay your dollar unless you are satisfied with the article, which will certainly be worth more than that amount and may be $50 or $100. An excellent mode. An excellent mode this of investing a dollar.—*Sunday Times, N. Y. City, Feb. 19, 1865.*

Messrs. Arrandale & Co. [illegible] have long been known to us, and we have [illegible] them to be every way worthy of public confidence.—*N. Y. Scottish American Jour. June 11, '64.*

By Messrs. Arrandale & Co.'s arrangement, the advantages must be on the side of the customer, for he has every thing to gain and nothing comparatively to lose. He knows what he will get for his dollar beforehand, and he need not send it if he is not satisfied. —*N. Y. Daily News, Aug. 6, 1864.*

We know the firm in question to be very respectable and thoroughly worthy of public confidence, and recommend our friends to read their advertisement.—*N. Y. Albion, Sept. 3, 1864.*

EMPLOYMENT FOR LADIES.—The most eligible and profitable employment we have heard of for ladies is the sale of certificates for the Great Gift Distribution of Arrandale & Co. A lady of our acquaintance has been very successful in this way, not only in filling her own purse, but also in doing a good turn to those to whom she sold the Certificates, as will be seen by our advertising columns. Gentlemen can also be thus engaged.—*N. Y. Sunday Mercury, Aug. 14, '65.*

The British Whig of Kingston, C. W. says, Nov. 26th, 1864, "One of our lady subscribers became an agent for Arrandale & Co., and by request brought some twenty articles sent as prizes for her agency, to his office for inspection and without hesitation we can state that each and all of the articles were worth treble the amount of cost to the receipients, and some of them six times.

We have seen some very pretty specimens of Table and Teaspoons, Gold Watches, Ladies' Chains, Pins, Bracelets, etc., which has been sent by Arrandale & Co., to this place for $1 each.—*Angelica Reporter, N. Y. Sate, Feb. 15, 1865.*

AGENTS.—We want agents in every regiment, and in every town and county in the country, and those acting as such will be allowed 10 cents on every certificate ordered by them, provided their remittance amounts to one dollar, also other inducements which can be learned on application. Agents will collect 25 cents for every Certificate, and remit 15 cents to us either in cash or postage stamps.

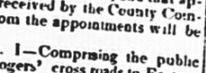
The Eastern Shore's Steamboat
SPRING ARRANGEMENT.



THE Steamer Cambridge, Capt. E. T. Leonard, will resume her route on Saturday the 3d of March, proximo.—She has been thoroughly overhauled and improved, adding greatly to her capacity for carrying freight and to the comfort of her passengers arrangements. The alterations made in her machinery will doubtless, considerably increase her speed.

She will leave her new pier, 170 Light street wharf, Baltimore, every Tuesday and Saturday at 8 P. M., for Easton Point, Double Mills, Oxford, Clara's Point, Wallach's Landing, Cambridge, Hughlett's Wharf, Cabin Creek and Medford's Wharf. Returning from "the Shore" she will leave Medford's Wharf on Mondays and Thursdays at 1 P. M., touching Baltimore 5 A. M. on Tuesday and Friday. Her new pier (170 Light street wharf, between Lee and Barley streets,) has been covered with one of the best wharf houses in Baltimore, wherein freight for "the Shore" will be received daily at all hours, and her freights for Baltimore can remain until disposed of by consignees.

Freighters on "the Shore will take notice that the Cambridge will not hereafter wait for any freight not in place on the wharves on her arrival at them; as it is imperatively necessary and but just that the arrival of the freight on the boat in Baltimore, shall not be delayed by waiting for that of those who may be behind time. feb 24
