Sailors have tough job facing Jets Saturday

ARLINGTON, Va. — If the Southern Division leading Virginia Sailors think they were in a football game last Sunday when they were upset, 17-16, in New England by the unbeaten Lowell Giants, they should beware Saturday night here at Wakefield Stadium.

The runner-up Jersey Jets (5-1-1) come to town for a showdown and this weekend's victors are very likely to grab the Southern Division title

"A 10-2 record just might not be good enough to win a divisional championship this year. And that's why if we lose to Jersey tomorrow we're in trouble," said Sailor general manager Bob Spitler.

• • •

THE JETS have not lost since August 20 when the Sailors upset them 35-17, in the season opener there.

Jersey is big and deep in talent and getting farmed out players from the AFL. New York Jets like halfback Bob Schweikert the $100,000 bonus star from VPI. Since coming to Jersey he's led the ACFL in rushing with a 6.6 per carry average.

Virginia will counter with fullback Hezekiah Braxton, the 28-year, old big league castoff who leads the Sailors in rushing with 417 yards and the ACFL in scoring with 54 points. He's also caught more passes than any other Sailor performer (17 for 223 yards).

Davis talks about his nightmare of errors

LOS ANGELES (UPI) — Outfielder Willie Davis said he twice lost the ball in the sun when he dropped it for errors in the second game of the World Series Thursday.

"I touched the ball both times," Davis said after the Los Angeles Dodgers' 6-0 loss to the Baltimore Orioles. "That was after I lost it in the sun. But you gotta try to catch it even if you can't see the ball."

Davis' usual good humor was absent when he came into the Dodger clubhouse and he ducked around a refreshment table in an effort to avoid being surrounded by writers.

"I never had anything like that happen to me before, and twice in a game," Davis said when he finally was interviewed at his lockerroom. "That's about the worse thing that ever happened to me. If I can see a ball usually I can even turn my back on it and catch it."

Davis said he "stabbed" at the ball when it finally came out of the blinding sunlight but in each case missed catching it.

"The second time on that short one Andy Etchebarren hit, I waved my arms to show I had lost the ball but I was closest to it and made a stab for the ball.

"I guess I made the throwing error to third after dropping the ball because I was mad at myself and embarrassed."

Davis said that when he passed pitcher Sandy Koufax after the error-filled fifth inning, the famed lefthander consoled him by saying, "Things like that will happen. Don't let it get you down."

• • •

KOUFAX, however, blamed his lack of control for the loss more than the six errors of his teammates.

"I had a control problem with my curve ball. It was not going down and I made bad pitchers. So I got hit," he said.

"I was not bothered when errors caused runs to be scored— but they make it tougher to win."

Koufax said his fast ball was working fairly well and prior to the game as well as during the early innings he felt he had fairly good stuff.

"The manager thought it would be a good idea to lift me after six innings and I went along with him," Koufax said. "I'll be ready to work again when he asks me to."

Orioles took their second straight World Series win with controlled jubilation and to a man they said they felt sorry for Willie Davis.

Archer ill, title fight postponed

NEW YORK (UPI) — The middleweight title fight between Champion Emile Griffith and Joey Archer at Madison Square Garden Oct 21, was postponed indefinitely Monday when the challenger came down with the flu.

Garden boxing director Harry Markson said he hoped the bout would be rescheduled for Nov. 10 but no definite date was set.

Ex-Morganite Leroy Kelly takes NFL rushing lead

NEAYORK (UPI) —Leroy Kelly will never make Cleveland fans forget Jim Brown, but at least he's giving them something else to think about.

The 6-foot, 195-pound fullback, who inherited Brown's position when the former Cleveland great called it quits after nine National Football League campaigns, has taken over Brown's former post as the NFL's top rusher, according to the latest figures released Wednesday.

KELLY, who gained 138 yards in 20 attempts against the New York Giants last Sunday, has picked up 352 yards in 66 carries thus far to wrest the league lead away from Minnesota's Bill Brown.

Brown is second with 329 yards in 74 attempts while Los Angeles' Dick Bass has an even 300 yards in 62 attempts.

• • •

THE GIANTS were powerless to stop the former Morgan State College Star last Sunday, as he led his Cleveland mates to a 28-7 triumph.

"He's got fine balance for a youngster," said Giant coach Allie Sherman. "He's fast and has a good feel of the field. He's much like Jimmy Brown in that he paces himself and changes direction when he finds another opening."

Sherman was quick to point out, however, that Kelly still is a few seasons away from reaching the stature of a Jimmy Brown.

• • •

LEROY went over from the three-yard line in the second quarter to climax a five-play drive after Ernie Kellerman had intercepted a Earl Morrall pass and brought it back to the Giant 25.

Cleveland has grabbed a 7-0 lead in the first period on a 20-yard pass from Frank Ryan to Milt Morin and were leading 14-0, after Kelly's TD. The Browns were never in danger after that.

Court denies appeal of white rape convict

JACKSON, Miss. (UPI)—The life sentence of a young Hattiesburg man convicted of raping a teen-age colored girl last year was upheld by the Mississippi Supreme Court Monday.

The court denied the appeal of Norman Cannon, a flatboring welder, who was convicted by a Forrest County Circuit Court jury in connection with the July 13, 1965, assault. Attorneys said at the time it was the first instance in years that a white man had been given a life imprisonment for assaulting a colored girl.

The state high court noted arguments which claimed errors involving precedural matters and the granting of instructions to the jury were "without merit" and that Cannon's attorneys were not challenging the "sufficiency of evidence" to support the guilty verdict.

The record discloses that appellant (cannon) was vigorously and ably defended by his counsel and that his rights were protected at every stage of the proceeding," the opinion said. "The case was fairly and impartially tried and the jury's verdict is supported by the evidence."

Testimony showed that Cannon, who was 19 at the time, got the 15-year-old victim into his car upon the pretext that he wanted her to babysit with his children when actually he had no children. He allegedly drove out a lonely road and then raped her at knifepoint.

World Series traffic forces school changes

Anticipated World Series traffic congestion in the area of Memorial Stadium has created the need to readjusted schedules in three schools in the immediate vicinity, education officials announced this week.

Since the third and fourth games of the Baltimore leg of the series will be played on the weekend the schools involved will only have to change schedules Monday, if a fifth game is needed.

The three schools are Eastern High, Baltimore City College, and Mergenthaler Vocational-Technical High.

Due to parking restrictions imposed during stadium events

EASTERN WILL dismiss all students at 2:15 p.m. City College pupils on the morning shift will report for classes as usual, but those on the second shift who normally arrive at 11:30 a.m. will not have classes Monday.

Mergenthaler will also dismiss classes at 2:15 p.m.
