ANOTHER GRAAT CURE

IN THE CITY OF NEW YORK;

Of a highly respectable citizen, well known to the Mercantile community, by

DR. J. H. SCHENCK,

THE GREAT LUNG DOCTOR OF PHILADELPHIA.

OFFICE, N. Y. AND GALENA LEAD CO.
No. 28 Nassau St., N. Y., June 1, 1865.

DR. J. H. SCHENCK—Dear Sir:—For over fifteen years I have been troubled with a severe cough, and usually two or three times a year with more or less hemmorrage, which together, for the last few years, has kept me thin in flesh and too weak to do business or any kind without running. In August last I had a very severe hemorrage, and, according to the judgment of a good New York physician, I was classed as beyond the reach of medicine, and was advised to be prepared, so far as property matters were concerned to have this world at short notice. The physician (and my good friends) said that the first cold I took must prove fatal. Early in January I took a severe cold, and fortunately was occupying rooms at No. 32 Bond Street, directly over your office. I think about the 16th of January I procured a bottle of your Pulmonic Syrup and commenced taking it freely. My feet and limbs were very much swollen, and all the symptoms of a speedy death seemed to accompany my cold. I sent for my former physician, and stated to him that I was taking your medicines, and after showing them to him, and having tasted of them, &c., he replied; "You can take them if you like, they will do you no harm." He said: "You know what I told you last summer, and I say the same now, if you have any business to close up, do not put it off." He said to other friends that he "could see no hope for me," and my friends and relations concluded my time had come. At this time I was taking freely of your medicine, but had not seen you. The doctor called a few times, and found me (much to his surprise, he said,) improving, and he could not understand why. My faith was increasing in your medicines, and I had a wish to have you examine my case, and see what you had to say. When you first came to my room and made the examination, you gave me but little encouragement, but on the contrary, expressed sad doubts of my ever being helped out of my then seeming difficulties. The second time that you called, finding me still gaining, you gave me encouragement, saying, "my symptoms were improving; the Pulmonic Syrup, Sea-weed Tonic and Mandrake Pills had acted like a charm." My circulation, my cough, my appetite, all began to improve, and I could walk about my room a little. You visited me neary every Tuesday, and found me improving, and told me not to go out of my room until the first day of May. I took mocold while under your treatment, my appetite became first-rate, and you told me to eat everything I wished of a nutritious nature, and to exercise about the room as much as possible. I followed your advice, and to the surprise of my old physician and friends, I seemed much better than I have been for several years, and breathe better than I ever expected a person could with one lung, the left being completely dried up.—I feel very grateful to you, and consider your advice and medicines invaluable. Yours, truly,

T. S. SHELDON.

Dr. SCHENCK—Dear Sir:—About two yeras ago I was taken with a very troublesome cough and a pain in my breast; seven or eight months passed away without my doing anything for myself. Then I applied to a physician, who attended me for about three months without rendering me any service. I also obtained the advice and treatment of a physician in one of our hospitals, and also had the advice and treatment of two other physicians, but all to no purpose. During this long space of time I was nearly dead; several times my friends came to see me and witness my exit into the spirit-world. I was confined to my bed two months at one time. My breathing was exceedingly short. I gave up several times all hope of getting better; and as regarding getting well, that was entirely out of the question. And to think this day I am well and harty! I was advised by some of my friends to try Dr. Schenck's Medicines. I accordingly bought bottle after bottle, until I reached the ninth; then I found a decided change in my cough for the better. I suffered severely from palpatation of the heart, and two weeks after I commenced taking your medicine this difficulty ceased.

When I first went to Dr. Schenck's office it was with difficulty that I could get into his reception room I was so weak and so swelled; my skin was as sallow as though I had the jaundice; I felt dull, heavy and sleepless. Dr. Schenck, after examining me, said both my lungs were affected, and gave me but little hope; but his medicines, in about two weeks, took right hold of me; it seemed to go right through my whole system. The Pulmonic Syrup, Sea-Weed Tonic and Mandrake Pills, all took right hold in the right place. The Pills brought away great quantities of bile and slime; the Syrup loosened the matter in my lungs, which came off very free; the Sea-Weed Tonic gave me an appetite, and everthing seemed to taste good.

To show what great power the medicines have in purifying my system, and to show how bad I was diseased, beside all the bile that passed my bowels, and the great quantities of phlegm and matter I expectorated, I broke out all over in large boils, that would continue to gather and run for about six weeks, and I had at one time over twenty-five boils. I have nothing of the kind now, and feel like another person altogether. I can safely say that I have not enjoyed such health for five years as I do now, and cannot praise you and your medicines enough. May God abundently bless and preserve you! is the sincere desire of one who has been so wonderfully relieved through your agency; and if any one desires to know with regard to the truthfulness of this report, if they will call upon any of my friends, or upon me, No. 4 Dryden Place, near Thompson street, below Cadwalader, Philadelphia, they will be perfectly satisfied with the validity of the case. Yours, with much respect,

MARY SCHNAIDT.

The above case, as described, is perfectly correct. I know it to be true. Yours, T. B. MILLER,
Pastor of Hancock M. E. Church.

Dr. Schenck will be professionally at his principa office, No. 15 North Sixth Street, corner of Commerce, Philadelphia, every Saturday, from 9 A. M until 4 P. M.; No. 42 Bond street, New York, every Tuesday, from 9 to 3; No. 38 Summer street, Boston Mass., every Wednesday, from from 9 to 3, and every other Friday at 108 Baltimore street, Baltimore, Md. All advice free, but for a thorough examination of the lungs with his Respirometer, the charge is three dollars.

Price of the Pulmonic Syrup and Sea-Weed Tonic, each $1.50 per bottle, or $ 1.70 per half dozen. Mandrake Pills, 25 cents per box. For sale by all Druggist and Dealers. [feb 10 1-y]

DR. KEYSER IS A PHYSICIAN OF OVER thirty years' experience, and a graduate of the Jefferson Medical College and the University of Medicine and Surgery of Philadelphia

MR. H. T. HELMBOLD:

Dear Sir.—In regard to the question asked me as to my opinion about Buchu, I would say that I have used and sold the article in various forms for the past thirty years. I do not think there is any form or preparation of it I have not used or known to be used, in the various diseases where such medicate agent would be indicated. You are aware, as well as myself, that it has been extensively employed in the various diseases of the bladder and kidneys, and the reputation it has acquired in my judgment is warranted by the facts.

L

I have seen and used, as before stated, every for, of *Buchu*—the powdered leaves, the simple decoction tincture, fluid extracts,—and I am not cognizant of any preparation of that plant at all equal to yours.—Twelve years' experience ought, I think, to give me the right to judge of its merits, and without prejudice or partiality, I give yours precedence over all others. I do not value a thing according to its bulk, if I did other *Buchus* would out-do yours, but I hold to the doctrine that bulk and quantity do not make up value—if they did a copper cent would be worth more than a dollar.

I value your Buchu for its effect on patients. I have cured with it, and seen cured with it, more diseases of the bladder and kidney than I have ever seen cured with any other Buchu, or any other proprietory compound of whatever name.

Respectfully, yours, &c.,

ARRANDALE & Co., Manufacturers Agents,
No. 167 Broadway, New York.

Announce that all the above list of goods will be sold for *One Dollar each.*

In consequence of the great stagnation of trade in the manufacturing districts of England, though the war having cut off the supply of cotton, a large quantity of Valuable Jewelry, originally intended for the English market, has been sent off for sale in this country, and MUST BE SOLD AT ANY SACRIFICE! Under these circumstances, ARRANDALE & CO., acting as agents for the principal European manufacturers have resolved upon a GREAT GIFT APPARTEMENT, to be divided according to the following regulation:

Certificates of the various articles are put into envelopes indiscriminately, sealed up, and when ordered are taken out without regard to choice, and sent by mail, thus, showing no favoritism. On receipt of the certificate, you will see what you are to have and then it is at your option to send the dollar and take the article or not. Purchasers may thus obtain a Gold watch, Diamond Ring, or any set of Jewelry on our list for One Dollar.

Send 25 cents for Certificate. In all transactions by mail, we shall charge for forwarding the certificates, paying postage and doing the business, 25 cents each, which must be enclosed when the Certificate is sent for. Five certificates will be sent for $1, eleven for $2, thirty for $5, sixty-five for $10, one hundred for $15.

WHAT THE "PRESS" SAY OF US.

The Lafayett (Ind.) Daily Courier, Mar. 18, 1865 says: "A better selection, more varied or fashionable assortment of jewelry cannot be found on the continent than Arrandale & Co. are now offering. Messrs. Arrandale & Co. occupy a high position in commercial circles as men entirely above the common trickery of trade. The statements may be implicitly relied upon both as to the character of their goods and the manner of disposal. Ladies especially, in all parts of the country, are realizing handsome profits as agents, and if any of our fair readers desire to interest themselves in the enterprise, they may do so with perfect confidence.

GREAT GIFT DISTRIBUTION.—A rare opportunity is offered for obtaining watches, chains, diamond rings, silver-ware, etc., by Messrs. Arrandale & Co. at No. 167 Broadway. They have an immense stock of articles, varying in value, and all are offered at one dollar each. The distribution is very fairly done—you agree to take a certificate of a certain article, enclosed in an envelope, and are not required to pay your dollar unless you are satisfied with the article, which will certainly be worth more than that amount and may be $50 or $100. An excellent mode. An excellent mode this of investing a dollar.—*Sunday Times, N. Y. City, Feb. 19, 1865.*

Messrs. Arrandale & Co. have long been personally known to us, and we believe them to be every way worthy of public confidence.—*N. Y. Scottish American Jour. June 11, '64.*

By Messrs, Arrandale & Co.'s arrangement, the advantages must be on the side of the customer, for he has every thing to gain and nothing comparatively to lose. He knows what he will get for his dollar beforehead, and he need not send it if he is not satisfied. —*N. Y. Daily News, Aug. 6, 1864.*

We know the firm in question to be very respectable and thoroughly worthy of public confidence, and recommend our friends to read their advertisement.—*N. Y. Albion, Sept. 3, 1864.*

EMPLOYMENT FOR LADIES.—The most eligible and profitable employment we have heard of for ladies is the sale of certificates for the Great Gift Distribution of Arrandale & Co. A lady of our acquantance has been very successful in this way, not only in filling her own purse, but also in doing a good turn to those to whom she sold the Certificates, as will be seen by our advertising columns. Gentlemen can also be thus engaged.—*N. Y. Sunday Mercury, Aug. 14, '65.*

The British Whig of Kingston, C. W. says, Nov. 26th, 1864. "One of our lady subscribers became an agent for Arrandale & Co., and by request brought some twenty articles sent as prizes for her agency, to his office for inspection and without hesitation we can state that each and all of the articles were worth treble the amount of cost to the recipients, and some of them six times.

We have seen some very pretty specimens of Table and Teaspoons, Gold Watches, Ladies' Chains, Pins, Bracelets, etc., which has been sent by Arrandale & Co., to this place for $1 each,—*Angelica Reporter, N. Y. State, Feb. 15, 1865.*

AGENTS.—We want agents in every regiment, and in every town and county in the country, and those acting as such will be allowed 10 cents on every certificate ordered by them, provided their remittance amounts to one dollar, also other inducements which can be learned on application. Agents will collect 25 cents for every Certificate, and remit 15 cents to us either in cash or postage stamps.

If the latter course be adopted, the following form will be deemed a sufficient compliance with the act:

If the oath be administered by a Justice of the Peace out of the county in which the applicant is made, there must be attached the certificate of the Clerk of the Circuit Court of the county in which the Justice resides.

The rates of license of females vending millinery, &c., whose stock at any season of the year does not or will not exceed $ 500, is $ 6.00.—If their stock does or shall exceed $500, the rates are the same as those of Traders' License, and the same form of application must be observed.

The Laws require all persons, proposing to sell spiritous or fermented liquors, or lager beer, in quantities not less than a pint, to apply to the Clerk of the Circuit Court, in person, or make the oath before a Magistrate, as above, stating that he desires a License to sell spiritous or fermented liquors, as the case may be, and the amount of stock in trade in the same manner as those applying for Traders' License.
