CELEBRATED
Horse and Cattle Powders.

These Powders will strengthen the Stomach and Intestines, cleanse them from offensive matter, and bring them to a healthy state. They are a sure preventive of Lung Fever, and a certain remedy for all Diseases incident to the Horse, such as Glanders, Yellow Water, Distemper, Founder, Heaves, Slavering, Coughs, Fevers, Loss of Appetite and Vital Energy, &c.

In poor, low-spirited animals, it has the most beneficial effect.

The use of them improves the wind, strengthens the Appetite, and gives to the Horse a fine, smooth and glossy skin—thus improving the appearance, vigor and spirit of this noble animal.

FOR MILCH COWS.

The property this Powder possesses in increasing the quantity of Milk in Cows, gives it an importance and value which should place it in the hands of every person keeping a Cow. By actual experiment it has proven that it will increase the quantity of Milk and Cream twenty per cent., and make the Butter firm and sweet. In fattening Cattle, it gives them an appetite, loosens their hide and makes them thrive much faster.

HOGS.

In all Diseases of the Swine, such as Coughs, Ulcers in the Lungs, Liver, &c. By putting from half a paper to a paper of these Powders in a barrel of Swill, the above Diseases can be cured or entirely prevented. By using these Powders the Hog Cholera can be prevented.
