=
Phipps instructions
to the Surveyor.
=

Giles & al. - Lysen } Eject E
 us } Balt. County
 Green & others } Court.

The Surveyor is instructed to make the following locations on the part of the P^lff.

✓ First. Locate the tract of land named Mountneys neck, patented to A. Mountney, about

— taking
 proof of the coter & allowing 2 1/2
 acres for maintenance
 second.

✓ Also the said James Todd to John Thurst sold on or about the 3 March 1701, according to its coter, binding it of course as far as its coter for them, on the lines of Mountneys neck, as those lines are located under the first instruction —

Third

✓ Also locate in the same way as above

the ends from John Thurst to
Shredine & Sligh dated about the
19 March 1749, and from Thomas
Shredine to Thomas Sligh
dated 26 June 1756 -

Fourth

Locate the write of ad goods
Dammum & the inguistion taken
under the same, granted to George
Walker & Jonathan Hanson on
or about the 4 Sept - 1735,
taking proof of the beginning,
& allowing $2\frac{1}{2}$ degrees for
variation -

Fifth

Locate the said write & inguistion
as they are located on a plot
made by ~~Wm. Caspary~~ ^{3 Macculbhine junc²}
on or about the year -

Sixth -

Locate the said mentioned in the
second above instruction from
Jadd to Thurst, as the same
are located

TO THE SHERIFF AND SURVEYOR OF BALTIMORE COUNTY, GREETING:

be carefully resurveyed and laid out according to the ancient metes and bounds thereof, as in the original certificate of survey thereof expressed, to the end, that the said lands in controversy, and the claims and pretences of both parties, may more plainly and indifferently appear to the Court and Jury; therefore, you the said Surveyor, in the presence of you the said Sheriff, are hereby commanded carefully to resurvey and lay out, as well the said lands in dispute as any other land adjacent thereto, which shall be thought necessary by the Plaintiff or Defendant to be laid out for the better illustration of the matter, according to the claims and pretensions of the Plaintiff, in the presence of the Defendant, if he, being summoned, think fit to be present, and without any interruption of him the said Defendant: or if absent, notice to be left at his place of residence, or last place of abode: and likewise survey and lay out the same lands in dispute, as aforesaid, according to the claims and pretensions of the Defendant, in the presence of the Plaintiff, if he, being summoned, think fit to be present, without any interruption of him the said Plaintiff: or if absent, notice to be left at his place of residence, or last place of abode. And you the said Sheriff are hereby empowered to examine upon oath, any witness or witnesses that by either of the said parties shall be produced, in relation to the same. And you the said Sheriff are hereby ordered to give both the parties thirty days notice before the day of the execution of this. And you the said Surveyor, are hereby commanded to return five fair certificates and plots therefor, drawing the pretences of the Plaintiff in black lines, and the pretences of the Defendant in pricked lines, as well under the hand and seal of you the said Sheriff as you the said Surveyor, to the said County Court, to be held at the Court house, in the City of Baltimore, on the *first day of January* next, that the said Court and Jury being rightly informed of the truth of the premises, may further proceed therein, as to Justice appertains, and so forth.

Instructions in the Case
of
Moore & Johnson {
vs
Grover & others }

Giles' Lessee

vs

Groom and Others.

In Baltimore County
Court

Ejectment.

To the Surveyor:—

The Defendants on their part desire the following
Locations in this ^{cause} to be made; to wit:

1st Locate the land conveyed by the Deed of Thomas
Sleigh to Concord Smith dated 29 March 1760 and
recorded in Baltimore County in Liber B. No. 51 folio
210 &c, and the land conveyed by the Deed of
said Thomas to Viter Hartway and John Sleigh
dated 28 February 1761 and recorded as aforesaid in
Liber B. No. I. folio 10 &c.

2nd Locate, according to the showings by Jonathan
Hanson in the Ejectment cause heretofore pending in
the General Court of Maryland between Lessee of Griffith
and others and above, the Land taken by the writ
of ad quod Damnum in favour of George Walker and
Jonathan Hanson and thereupon granted by the State
of Maryland upon Lease to said Walker and Hanson
on the 4 September 1735.

3rd Locate the Land granted by the State of
Maryland on lease to Edward Fell on the 3 November
1760 under a writ of ad quod Damnum executed
in favour of said Fell.

4th Locate the paper-pieces, as they shall be given in
evidence to you upon the Survey, of the Land comprehended
in said Deed from Thomas Sleigh to Hartway and John
Sleigh.

5th. Locate the Surving of John Sligh and the ground
therein belonging as devised by his will to his wife for
her life with remainder to his daughters.

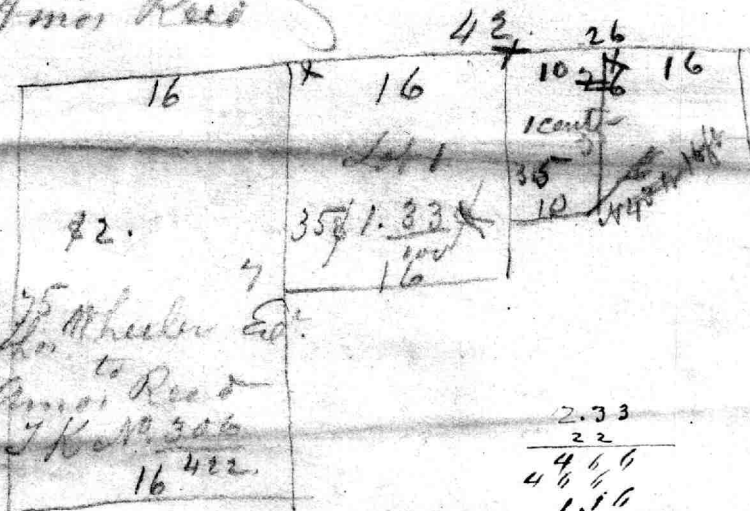

6th. Locate the Deeds and Conveyances made by M^{rs}
Sligh widow of John Sligh and by M^{rs} Lancaster daughter
of John and John Sligh and her husband M^{rs} Lancaster or
either of them and wife by the other daughter of said
John Sligh and his wife mentioned in the will of said
John, of parts of the ground conveyed by Thomas
Sligh as aforesaid to Vitus Hartway and John Sligh.

7th. Locate the Deed of Vitus Hartway to said John
Sligh of part of the ground conveyed as aforesaid by
said Thomas Sligh to said John and Vitus.

8th. Locate the Deed of Vitus Hartway and John Sligh
to Christian Apple of part of the ground conveyed as aforesaid
by Thomas Sligh to said John and Vitus; and the Deed
from said Apple to Charles Ridgely recorded among Baltimore
County Land - Records in Liber B. N^o P. folio 628 and
the Deed from Samuel Taylor and others to the Mayor
and City Council of Baltimore; and all other deeds by
Christian Apple and from Charles Ridgely (Leases or
otherwise) of portions of said ground conveyed by Sligh and
Hartway to said Apple.

N 1061

MARYLAND, SS.

The State of Maryland

To the Sheriff and Surveyor of Baltimore County, greeting:

Whereas, at a County Court, begun and held at the Court-House, in the City of Baltimore, in and for the County aforesaid, on the *first Monday of November* in the year of our Lord one thousand eight hundred and *forty four* it was so far proceeded in a certain plea of TRESPASS and EJECTMENT, in the said Court depending between

lessee of

Plaintiff, and a certain

Defendant, that it was considered

absolutely necessary, for the better information of the said Court and the Jury in this cause, in the truth of the premises, that *a tract of Land and close called*

"The Forest" or "Taylors Forest"

be carefully resurveyed and laid out according to the ancient metes and bounds thereof, as in the original certificate of survey thereof expressed, to the end, that the said lands in controversy, and the claims and pretences of both parties, may more plainly and indifferently appear to the Court and Jury,—therefore, you the said Surveyor, in the presence of you the said Sheriff, are hereby commanded carefully to resurvey and lay out, as well the said lands in dispute as any other land adjacent thereto, which shall be thought necessary by the Plaintiff or Defendant to be laid out for the better illustration of the matter, according to the claims and pretensions of the Plaintiff in the presence of the Defendant, if he, being summoned, think fit to be present, and without any interruption of him the said Defendant: or if absent, notice to be left at his place of residence, or last place of abode: and likewise survey and lay out the same lands in dispute, as aforesaid, according to the claims and pretensions of the Defendant, in the presence of the Plaintiff, if he, being summoned, think fit to be present, without any interruption of him the said Plaintiff: or if absent, notice to be left at his place of residence, or last place of abode. And you the said Sheriff are hereby empowered to examine upon oath, any witness or witnesses that by either of the said parties shall be produced, in relation to the same. And you the said Sheriff are hereby ordered to give both the parties thirty days notice before the day of the execution of this. And you the said Surveyor, are hereby commanded to return five fair certificates and plots therefor, drawing the pretences of the Plaintiff in black lines, and the pretences of the Defendant in pricked lines, as well under the hand and seal of you the said Sheriff as you the said Surveyor, to the said County Court, to be held at the Court house, in the City of Baltimore, on the *first Monday of April* next, that the said Court and Jury being rightly informed of the truth of the premises, may further proceed therein, as to Justice appertains, and so forth.

WITNESS, the Honorable STEVENSON ARCHER, Chief Judge of our said Court,

the *fourth* day of *November* 1844
ISSUED the *26* day of *February* 1845

Original Locations on the part
of the Plaintiffs to May Term

I Herby certify that pursuant to the instructions of
Reverend Johnson & William T. Giles
counsel for the Plaintiffs I have
made the following Locations viz

- 1st A point encircled with black
over **A** to denote the Beginning
of a tract of Land called
~~granted to the Moravian~~
Mountains Neck mentioned
in the deposition of Ephraim
Smith a witness produced on
the part of the plaintiffs -
- 2nd The point encircled with black
over **B** is located to denote the
second boundary of said
tract called Mountains Neck
and ~~the~~ Beginning of Coles
Harbour or Todds Range
mentioned in the deposition
of Ephraim Smith aforesaid
- 3rd I Have located the tract of
Land called Mountains Neck
~~granted to the Moravian~~ ^{Aug 30th 1663}
from **A** to **B** thence with $2\frac{1}{2}$
degrees allowance for variation
as per Table of Courses No 1
- 4th The point encircled with black
over **C** represents a stone mentioned
in the depositions of Ephraim
Smith and Abijah Bouldin as the
stone from where they have taken
Hanson & Walkers writ of
Ad quod damnum run from
see their depositions -
- 5th I Have located Hanson and
Walkers writ of Ad quod dan
num and the Inquisition
taken under the same the 11th
of ~~Sept~~ ^{Aug} 1733 from the aforesaid
stone at **C** with $2\frac{1}{2}$ degrees
for variation as per Table of
Courses No 2 yellow shaded
lines

- 6th I Have Located the deed from ~~Shenandoah~~ ^{Shenandoah} & wife to John Hunt ~~the~~ dated the 3rd of March 1701 from B to A then boundary on Mountainays, run to 3 thence to 4 and thence as per Table of Courses N^o 3 ~
- 7th I Have Located the deed from John Hunt to ~~Shenandoah~~ ^{Shenandoah} and Thomas High the 19th of March 1749 as per Table of Courses N^o 3 ~
- 8th I Have Located Housons & Walkers but of Adquad claim run as they are located on a plat handed me signed by Cornelius Howard as per Table of Courses N^o 2 ~
- 9th I Have Located the deed from Todd to Hunt dated the 3rd of March to correspond with the Location of said deed on a plat furnished me signed by Cornelius and stated to be a copy of one made by J. Mcbubin ~
- 10th I Have Located a section of ~~the~~ following Streets viz Madison Street Monument Street Falls Street Buren Street, Constitution Street, French Street Centre Street Holladay Street, and Liberty Alley by real drawn lines and the names of each written on a station

Explanations

9.0 1/2

Surface of water in Tail Race at Pen Stock No. 1 at ~~E~~ on Plat is 9 feet ^{0 1/2} inches below top of Dam when Mill is in operation

Surface of water at ~~D~~ on Plat when Mill is in operation is ~~level with~~ ^{1 1/2} ~~surface~~ ^{lower than} surface of water at ~~E~~

Surface of water at ~~C~~ when Mill is in operation is ~~4 feet 4 inches~~ ^{6 in} below surface of water at ~~D~~.

Surface of water at ~~F~~ is ~~1 foot~~ ^{4 1/2 in} below surface of Water at ~~D~~.

Bottom of Tail Race at Pen Stock No. 1 at ~~E~~ on Plat is ~~2 1/2 feet~~ ^{46 in} below surface of water when the Mill is in operation.

Bottom of Tail Race at ~~D~~ is 2 feet 2 inches below surface of water when the Mill is in operation.

Bottom of Tail Race at ~~C~~ is ~~2 1/2~~ ³ feet below surface of water when Mill is in operation.

Bottom of Tail Race at ~~F~~ is 1 foot below surface of water when Mill is in operation.

Bottom of Cylinder or Draft Tube is ^{1 1/2 in} 1 foot below surface of water when Mill is in operation.

Surface of water in Tail Race at ~~E~~ on Plat when Hoffmans Mill is not in operation and the Warren Mill is in operation is 2 inches below bottom of Cylinder or Draft Tube.

Surface of water in Tail Race at Pen Stock No. 1 at ~~E~~ on Plat when both Mills are not in operation according to test board at Hoffmans Mill is ^{3 1/2} inches above bottom of Cylinder or Draft

Tube, surface of water of Warren Dam at Rock said to have been shown by George Jessop and said to be marked with a cross is 9 inches above said Point at the time when the water flows over, about one third of the Breast of Dam 7 inches deep and level with the balance of the Breast of said Dam. said Point on Rock is ^{from Plate} $6\frac{1}{2}$ feet below bottom Cylinder or Draft Tube. The top timber at Easternmost end of Warren Factory Dam is 1 foot 10 inches above a Log shown by Thomas J. Mathews as being the top of Dam when he built the same, and the West end of said timber 2 feet 5 inches above said Log.

the Bottom of Race is $3\frac{3}{4}$ below Bottom of Draft Tube. Bottom of Race is 4 feet below Surface of Still Water.

Bottom of Race is $2\frac{1}{2}$ feet below Test board, depth of Race at summum curve of Twelve building 117. at End of Race near North Side of Bridge $1\frac{3}{4}$, at C depth of Water $2\frac{1}{2}$ x at Still water.

Surface of Still Water at Pen Stock Bow Plate, as found Feb 14th is $1\frac{1}{2}$ ins above bottom of Draft Tube. Surface of Still in low Race at C is 7 ins above bottom of Draft Tube and $2\frac{1}{2}$ ins above Dam at A. the point A is about 200 feet Southern from rock.
