Continentals, guests 'dress to the nines'

Invitations to the Baltimore Continentals benefit Stardust Ball last Friday at Emerald Gardens might very well have included "dress to the nines."

Beautifully attired ladies and handsomely grommed escorts added charm and color to the lively elegance of the ballroom.

In keeping with the adage to remember the children, proceeds from the annual fund raising affair will be used in aiding Baltimore's underprivileged youngsters.

Pet Charity is the Continental Shoe Fund which provides school shoes for needy children. Contributions will also be made to the YMCA Campership Fund, Med-Chi Diabetic Camp for Children, and the Chick Webb Recreation Center.

Enjoying the music of Bobby Felder's Blue Notes were: Winsome Nancy Barrick, especially chic in a filmy chartreuse chiffon gown featuring silver and mauve sequines at the v-neck.

Corrine Coleman, hair piled high, attractive in a pale gold wide-based triangle shaped dress, the jewel neck circled with matching paillettes.

Pauling Brooks, striking in lavish gold brocade. Petite Vashti Christmas, charming in rose and a new fashionable hairdo.

Wearing a short white brocade formal, complimented by silver slippers and hose, was svelte Shirley Taylor.

Philadelphia Continental Dorothy Matthews, looking very "now" in a luminous silver with front and back panels.

Hints for Homemakers

"We give thanks . . ." will be said by many families as they gather around the table on Thanksgiving Day. I know at our house we take this opportunity to give thanks for our many blessings over the past year.

Although we tend to complain at times, we all really have a lot to be thankful for . . . sight, health, food, clothing, shelter and many other things that we as Americans take for granted.

As I think about it, one of my personal good fortunes has been a smooth complexion, thanks to LUX BEAUTY SOAP.

Recently Lever Brothers revealed a beauty secret to all ladies who wanted softer skin. And it is amazing how quick and easy this beauty treatment works.

First, you get LUX BEAUTY SOAP, lather up and leave the lather on your face while you count to ten. This gives the new softening lotion in LUX extra time to do its work. Then rinse and pat dry. You will love the soft feel of your skin and will be surprised at how much easier your makeup goes on.

Plan now to get some LUX BEAUTY SOAP. You will find it available in several very attractive colors, ideal for guests. Then you will have another blessing to be thankful for . . . softer skin and LUX.

* * *

Expecting guests for Thanksgiving? . . . Well, if you are, I'll bet you will want to prepare for their visits by livening up some of those sheets, towels and blankets that have been packed away for the summer. And you will probably have a lot of laundering to do after they leave.

I know whenever I am expecting company, there are always a host of last-minute things to be attended to. But we now have the answer to the laundering problem in new FINAL TOUCH fabric softener.

FINAL TOUCH whitens up and brightens up even fabrics that you would not or should not bleach. You see, it contains Lumo-white, a wonderful new whitener-brightener so effective that it whitens up even nylon, "Orlon," "Dacron" and wool. So all of your linen is not white, and you are wondering what to do about your delicate yellows, soft pinks and pale blues. No problem. New FINAL TOUCH even brightens up your colored clothes. In fact, it softens and livens up your whole wash.

Try new FINAL TOUCH, the fabric softener with Lumo-white today. Lever Brothers guarantees that you will pass the "holiday inspection" with flying colors with FINAL TOUCH.

My how the time flies . . . It seems like only yesterday we celebrated Thanksgiving. This is the day when all the air is filled with the aroma of good foods.

During the "good old days," the housewife labored for months preparing for the festivities. Now because so many homemakers work, there is little time to prepare food, especially desserts.

One quick simple idea, especially for a light dessert after a hearty meal, is MRS. BUTTERWORTH'S syrup poured over a large scoop of ice cream. Your family will simply adore you when they taste the delicious maple taste that MRS. BUTTERWORTH'S syrup adds to a dish of ice cream.

In fact, you will find your popularity increasing even more when you offer them pancakes, waffles or even hot cereal served with MRS. BUTTERWORTH'S syrup.

You see MRS. BUTTERWORTH'S syrup has that original buttery taste that will give your Thanksgiving breakfast or any breakfast that added touch it needs to start the day off right.

Get some MRS. BUTTERWORTH'S syrup now and see how time flies . . . in no time at all, your entire family will be flying into the kitchen to see what the latest MRS. BUTTERWORTH'S syrup dish is going to be.

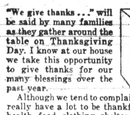
Holiday time is cleanup time. Time to wash the windows, clean the woodwork, scrub the floors and many other tasks in preparation for the festive holiday season ahead.

This could be a gigantic undertaking for the homemaker who can't afford a maid or lure her husband away from the TV screen or borrow the kids from their homework. And, I admit, you will have to have some assistance.

May I suggest, then, that you use my assistant, new triple-strength, heavy-duty, liquid WISK? Like me, you are probably thinking that WISK is supposed to be used for the family wash. If you have tried it, you must admit that WISK does a powerful job of getting those extra-soiled linens and clothing that need more thorough cleaning their cleanest.

At the same time, you should see what WISK does to those unsightly "finger paintings" on woodwork and walls, and what a magnificent job it does in getting your floors sparkling clean. In fact, there is just no end to the number of household chores it can accomplish. Do not fret because it is cleanup time. You can WISK through the entire house in no time at all.



You'll go better refreshed with ice-cold Coca-Cola.
Coke has the taste you never get tired of. Always refreshing. That's why things go better with Coke after Coke after Coke.

Miss Holliman returns to star in Eastside concert

ADAH K. JENKINS

Various organizations have played a major role in the encouragement of the arts, and especially of music, in our community. Among them are two groups which have been active early in this season — the Music Cultural Club and the Eastside Music Guild.

The club met on a Saturday, prior to the performance of the Baltimore Civic Opera in Puccini's "La Boeheim," for background of the opera presented by Miss Almira Miller.

With her accustomed skill and interest, Miss Miller had prepared a mimeographed booklet for each member, containing Italian and English words from parts of the libretto and the musical themes from outstanding (arias) and scenes.

Miss Miller outlined historical information concerning the composer and the opera, followed by playing of the themes at the piano and of recordings.

Following the Monday performance of the opera at the Lyric, the club met at the home of Mrs. Earl Jacobs, Mrs. Umphrey to evaluate the evening. Their comments were largely in agreement with the music critics' reviews and the members felt that their understanding and enjoyment of the opera were enchanced by Miss Miller's presentation.

The group has purchased season tickets and also for the Baltimore Symphony. During previous seasons they have attended performances in New York and Washington.

The club includes Mr. and Mrs. Robert Umphrey, Earl Diggs, Malcolm Gee, Albert Jacobs, Clifton Ball; Mrs. Dorothy Claiborne, Miss Miller and Walter Gantt.

Guests for the opera study evening were: Mesdames Anna L. Payne, Aubrey Simmons, Bernice Buckler, Mathilda Meders and Miss Janis Meders.

IN ORDER to encourage and stimulate music students the Eastside Music Guild has aided the education of worthy pupils by annually presenting a scholarship.

Among the talented East Baltimore girls was demure Jamesetta Holliman, star pianist in her graduating class from Dunbar High School. Upon her graduation from Oberlin, where she was an exchange student in Salzburg, Austria, Miss Holliman entered Juilliard where she won her master's degree.

In Seldem, Long Island, where she is instructor of music at the Suffolk County College, she also directed musical productions during the summer theatre workshop and assisted on television programs over national networks.

Last Sunday, Miss Holliman was guest artist in a concert presented by the Eastside Music Guild at Christ Methodist Church.

With assured skill she performed an exacting program from difficult classic and romantic piano literature. Here is an ample and well disciplined technique that surmounted the monumental difficulties of the Chopin minor Sonata and the brilliant "Pressissimo" (very fast) movement of the Scrabin Sonata.

* * *

WITH INCREASED maturity, no doubt this talented young artist will achieve an even more singing warmth of tone to embellish the lyric movements of these works as well as of the Beethoven E major sonata.

Her favorite composer, Brahms, represented by Intermezzo, Rhapsody and Capriccio, was handled with definite appreciation for the complex rhythmic and melodic patterns.

Altho the pianist does not give herself with an over abandon to the Gershwin jazz, there was clear and purposeful direction in the rendition of his preludes.

After the concert, which was warmly received, Miss Holliman, with her parents, Mr. and Mrs. James Holliman and the sponsoring group, were received at an informal coffee hour in the church hall.

The concert was chaired by Mrs. Ellen G. Wilkerson, assisted by Mrs. Ruth E. Matthews, president and Woodridge C. Moore, secretary.
