THE FALL FASHIONS.

MY friends and the public generally are notified that I have just received the FLL FASHIONS, and am prepared to "cut and fit" coats, pants and vests in a manner to please all.

I hope my friends will all give me an early call and leave their measures, as nothing sets off a gentleman so much as a new suit of fashionable clothes.

All work made by me warranted to fit. Cutting done as usual.

I want all my friends to know that I work very cheap for CASH; and it is better for pay the cash than to have their work done on a credit.

All whose accounts have been standing over twelve months are notified that one year is the limit of the time; they don't call and settle, I shall be compelled to send some one to hunt them up. So, come up, friends, and do the fair thing, that there may be no hard thoughts between you and your tailor.

REDUCTION IN PRICE

OF THE

AMERICA WATCHES

MADE AT WALTHAM, MASS.

In consequence of the recent improvements in our facilities for manufacturing we have reduced our prices to as low a point as they can be placed

WITH GOLD AT PAR,

so no one need to hesitate to buy a watch now from the expectation that it will be cheaper at some future time. The test of ten years and the manufacture and sale of

MORE THAN 200,000 WATCHES,

have given our productions the very highest rank among time keepers. Commencing with the determination to make only thorough excellent watches, our business has steadily increased as the public became acquainted with their value, until for months together, we have been unable to supply the demand. We have recently enlarged our factory buildings until they now cover three acres of ground, and give accomodation to more than eight hundred workmen.

We are fully justified in saying that we now make more than one-half of all the watches sold in the United States. The different grades are distinguished by the following trade-marks on the plate:

1. "American Watch Co." Waltham, Mass.
2. "Appleton, Tracy & Co." Waltham, Mass.
3. "P. S. Bartlett," Waltham, Mass.
4. "Wm. Ellery."
5. Our Ladie's Watch of first quality is named "Appleton, Tracy & Co." Waltham, Mass.
6. Our next quality of Ladies' Watch is named "P. S. Bartlett," Waltham, Mass. These watches are furnished in a great variety of sizes and styles of cases.

The American Watch Co. of Waltham, Mass. authorize us to state that without distinction of trade-marks or price, all the products of their Factory are warranted to be the best time keepers of their class ever made in this or any other country. Buyers should remember that unlike the guarantee of a foreign maker who can never be reached, this guarantee is good at all times against the Company or their agents, and that if after the most thorough trial, any watch should prove defective in any particular, it may always be exchanged for another. As the American Watches made at Waltham, are for sale by dealers generally throughout the country, we do not solicit orders for single watches.

CAUTION.—The public are cautioned to buy only of respectable dealers. All persons selling counterfeits will be prosecuted.
