Science Shrinks Piles
New Way Without Surgery
Stops Itch—Relieves Pain

New York, N. Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids, stop itching, and relieve pain — without surgery.

In one hemorrhoid case after another, "very striking improvement" was reported and verified by a doctor's observations.

Pain was relieved promptly. And, while gently relieving pain, actual reduction or retraction (shrinking) took place.

And most amazing of all — this improvement was maintained in cases where a doctor's observations were continued over a period of many months!

In fact, results were so thorough that sufferers were able to make such astonishing statements as "Piles have ceased to be a problem!" And among these sufferers were a very wide variety of hemorrhoid conditions, some of 10 to 20 years' standing.

All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne®) — the discovery of a world-famous research institution. Already, Bio-Dyne is in wide use for healing injured tissue on all parts of the body.

This new healing substance is offered in suppository or ointment form called *Preparation H®*. Ask for individually sealed convenient Preparation H Suppositories or Preparation H Ointment with special applicator. Preparation H is sold at all drug counters.

Dunbar grad is Army team star

A former Dunbar High School linebacker, Matthew Huggins, serving with the Army in Korea, was recently named player of the week for the Eighth Army Support Command "Frontiersmen."

Stationed at Anyangni with the 260th Military Police Co., the 21-year-old Huggins intercepted two passes in a game with the 2nd Infantry Division to gain the honor.

Spec./4 Huggins, a 170-pounder playing in the cornerback slot, also made a key tackle in the game, but was later forced to the sidelines with an injury.

His parents, Mr. and Mrs. Matthew Huggins, 1515 Rutland Ave., said their son, whose tour of duty will be completed shortly, hopes to be home in time for Christmas on a nine-day pass.

Long's son thinks war in Vietnam can be won

An Army lieutenant wounded in Vietnam has written his father that "we must stay here until it is won."

The father, Rep. Clarence D. Long (D., Md.), made the letter public at the request of his son, 1st Lt. Clarence D. Long, 3d. Lt. Long is a Ranger and paratrooper who was in combat with the 101st Airborne Division from July until three weeks ago, when he was shot in the leg during a Vietcong ambush which killed one member of his platoon and wounded several others.

"Dad, I hope you will tell your constituents that we must stay here until it is won," Lt. Long wrote. "The courageous Vietnamese people are waging a valiant struggle against invaders from the North and traitors in their own land. They want to win.

"The Vietnamese are brave soldiers. If they had proper leadership, they could win the war by themselves.

"We can win the war," Lt. Long said, "if America has the will to back her soldiers in Vietnam. Leaders such as yourself must educate the people to their responsibilities."

DON WISEMAN WITH 19 - POINTER

Hunter only 14 bags 6-pt. deer

BALTIMORE

Fourteen - year - old Don Wiseman, a junior member of the Falcon Road and Gun Club, proved last week that young hunters can shoot as straight as their elders.

On his first year in the field after the deer season opened, Don proudly bagged a six - point buck. His senior companions on the trip to the Eastern Shore returned home empty handed.

In addition felled two fox squirrels and a number of birds this hunting season.

Young Wiseman, who lives at 2225 Druid Hill Ave., attends Booker T. Washington Junior High and is a member of the Druid Hill YMCA.

Agnew names tax reform study group

Governor - Elect Spiro T. Agnew has appointed a nonpartisan committee of State legislators to develop a tax reform program for presentation to the 1967 session of the Maryland General Assembly.

Sen. Harry R. Hughes, D-Caroline, chairman of the Senate Finance Committee, will serve as chairman. Del. J. Glenn Beall Jr., R-Allegany, will be vice - chairman.

Other members are Del. William Houck, D-Frederick; Sen. John W. Steffey, R-Anne Arundel; Sen. J. Joseph Curran, D-Balto. 3rd and Sen. - Elect Jervis S. Finney, R-Balto. County.

Agnew said he was appointing the committee with the approval of Senate President William S. James and House Speaker Marvin Mandel, who agreed with him "that this is the proper approach to this most difficult problem."

The Republican Governor-Elect, who will not take office until January 25, said it is "of the utmost urgency" that the program be developed before then if it is to have a chance of enactment at the 70 - day session which opens a week before his inauguration.

"Tax reform is the most critical problem facing the State of Maryland at this moment," said Mr. Agnew.

Maiden name restored for Mrs. Addison

Leroy Addison, postal employee, of 1607 Moreland Ave., won a divorce this week from Mrs. Beulah Addison of 3623 Derby Manor Dr. on grounds of desertion.

Mrs. Addison had contested the divorce charging that his constant physical and mental cruelty constituted constructed desertion requiring that she move from his premises in order to safeguard her mental and physical health.

She asked for temporary and permanent alimony on the bases of her physical condition. Judge Shirley B. Jones allotted her $12.50 per week for 10 weeks during the pendency of the case.

Upon granting the divorce to Mr. Addison, Judge Jones ordered him to pay her attorney $150. Mrs. Addison was not granted alimony, but was allowed to resume her maiden name, Beulah Jones.

The Addisons were married on Christmas Day, 1955. Their union ended on Feb. 10, 1964.

A DIVORCE also went to Frank J. Pittman of 1647 N. Milton Ave. from Mrs. Beulah Pittman of 1024 N. Broadway.

The couple, married in November, 1955, voluntarily ended the union in April 1963.

Conyers predicts mayoral gains

SEATTLE, Wash. (NPI)—Three Northern cities with large colored populations will have colored mayors by 1970, Rep. John Conyers Jr. (D-Mich), has predicted.

"By 1970," he said, "we can expect to double the number of colored congressmen and have mayors in Newark, Baltimore, Cleveland and Detroit." The 90th Congress will have six representatives and one senator.

Some 150 colored candidates were elected last Nov. 8, almost doubling the number of office holders.

"Population trends and the Voting Rights Bill do herald a time when American politics and government can be really representative of the American electorate," he said.
